LET'S TALK IT OVER...

ABOUT THIS ISSUE.

This is a special issue of **THE CHAKETT**. It is, in fact, a directory containing an alphabetical and geographical listing of all living members of the Chi Phi Fraternity. For editorial and space reasons all titles of identification and degrees have been eliminated. We trust no offense will be taken.

The listed addresses are the last known addresses on record in the Council Office. The directory contains approximately 1,000 names on which we have had mail returned from the last address. There is a distinct possibility that the directory contains the names of one or more Brothers who have departed this earth. The Council Office would appreciate knowing of any death or name and address corrections.

The last Chi Phi Directory was published in 1941 as a special publication of the Council. Five thousand copies were printed. Approximately two-thirds of them were sold. In addition to the usual alphabetical and

geographical listing, it contained an enumeration by chapter.

The press run on this edition is 19,000 copies, at a cost of approximately \$10,000 plus a lot of midnight oil burned by the Council staff. A regular **CHAKETT** issue normally costs \$2,600 to \$2,800. The additional income resulting from the increase levy in voluntary alumni dues established by the 1966 Congress made it possible for the Council to publish this directory, as a special edition of **THE CHAKETT**.

At any given moment, we estimate that the address files of the Council contain a 10% error. The mobility of the average American family accounts for the built-in "error" factor. It would appear that the directory will be completely outdated within three to four years, however, it is hoped that at long last, Brother X will at last have a 90% chance of locating Brother Y who he has been meaning to "catch-up with" for the last ten years.

It seems fitting that this issue

should contain a tabulation of membership by chapter (see below). Statistics can be frightfully boring, however, they can be highly noteworthy for comparative purposes. It is interesting to note the rapid growth of some of the new chapters. It is also evident that most of our chapters continue to be on the conservative side from a size standpoint.

There are nineteen expired chapters with no living alumni. The oldest chapter in continuous existence, Zeta, has initiated fewer men than Emory, Georgia, Yale, Amherst, Dartmouth and Georgia Tech. Yale still has more initiates than any other chapter even though its last class was initiated in 1959.

You may be interested in knowing that more Chi Phi's reside in Georgia (1700) than in either California (1600) or Pennsylvania (1400) which rank second and third. North Dakota boasts only seven members and ranks last. Even our newest states Alaska and Hawaii boast more members with 18 and 33.

Consider the Chi Phi Educational Trust

What is the Chi Phi Educational Trust?

It is a non-profit educational and charitable trust created in 1931 to encourage excellence in scholarship, develop responsible citizenship, and proficiency in leadership among the members of the Chi Phi Fraternity.

Why Was The Fund Established?

- 1 To assist and supplement the work of universities and colleges in the promotion of scholarship and the development of the character and morale of students and to assist needy and deserving students to complete their education.
- 2 To provide improved educational facilities, opportunities, and conveniences for students in universities and colleges.
- 3 To provide assistance to colleges and universities, where Chi Phi Chapters exist, in their constant effort to improve the academic excellence of their institutions.

What Are The Current Programs?

- 1 The Undergraduate Loan Program—
To help deserving undergraduate students complete their schooling without interruption because of financial difficulties. The program is flexible. The size of the loans granted have averaged between \$300 and \$1,000. The repayment schedules are tailored to the needs of the student.
- 2 The Undergraduate Scholarship Program—
Annually the Sparks Memorial Medal is awarded to the man in each chapter who has attained the highest scholastic standing for that year.
- 3 The Chapter House Loan Program—
A. To provide loans to chapters for new chapter homes, and the improvement of existing facilities. This will insure our undergraduate the best possible facilities for study and living.
B. To provide loans to help finance the purchase or construction of chapter houses on campuses where Chi Phi is not presently represented. This will provide many more young men with the opportunity to gain the benefits that are possible only through a fraternity association.
- 4 The Graduate Fellowship Program—
To annually grant scholarships to outstanding students who indicate a desire to do post graduate work or to students who deserve undergraduate recognition. Grants made under this program now exceed \$10,000.
- 5 The Chapter Scholarship Improvement Program—
A. Chapter achievement award — Given each year to chapters showing scholastic excellence.
B. Greatest percentage of improvement award — Given each year to the chapters exhibiting the highest increase in scholastic achievement.

What Are The Future Plans?

In addition to providing a broader and sounder base for the existing programs the Trustees propose to implement the following programs by September 1968.

- 1 Junior Class Scholarships—
To award an annual scholarship to the outstanding junior of each chapter who evidences excellence in character, scholarship, leadership and contribution to school and fraternity.
- 2 Orientation and Counseling Program—
To provide a paid faculty member selected by the chapter and alumni advisor to conduct a annual seminar for the freshmen pledges of each chapter to assist them in properly orienting themselves to the ways of the school and to assist them in developing proper study habits.
- 3 Library Enrichment Program—
Grants will be offered each year to the Chi Phi chapters for the purchase of reference books and periodicals.
- 4 Improved Study Facilities Program—
Grants will be awarded each year for the purpose of creating new or improving existing study facilities including the conversion of a room or rooms into a study hall or library, improving study hall and library lighting and providing desks and study booths.
- 5 University And College Assistance Program—
Grants will be given from time to time to colleges and universities in commemoration of chapter anniversaries. All gifts to be used by each university or college in their pursuit to enhance their schools' academic excellence.

Have The Undergraduate Chapters Supported The Educational Trust?

In 1965-66, the Chapters and Colonies of the Fraternity gave approximately \$3,000.00 in support of the various programs. Chapters, Alumni Associations, House Corporations, and similar groups, are also encouraged to support the Trust.

Why Is Your Contribution Vital To The Chi Phi Educational Trust?

Today, because the enrollment in a single university frequently surpasses the mean population level of our cities, it is difficult for our schools to give students the guidance and supervision required to help them develop into mature and constructive members of society. Chi Phi must help fill this void by the implementation of programs to give its young members the assistance that will enable them to gain maximum benefit from their educational opportunity.

The continued strength and growth of our fraternity will be greatly determined by the degree to which it contributes to higher education's ultimate goal of "equipping young men for successful living." Only with your moral and financial support can the Educational Trust through its programs and activities be the vehicle which will permit our fraternity to make its contribution.

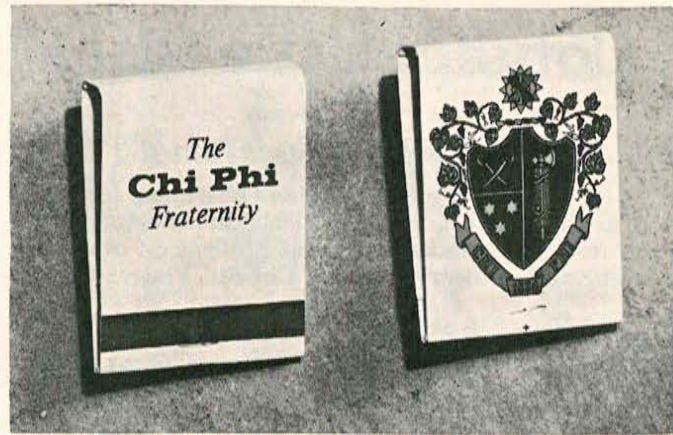

Can Friends and Relatives Contribute?

Yes, non-members may also contribute. Parents, relatives, friends, educational foundations and businesses may include the Trust in their charitable giving.

Are Gifts To The Educational Trust Tax Deductible?

All gifts to the Educational Trust are tax deductible.

How Can You Support The Chi Phi Educational Trust?

- 1 Through gifts of cash, securities and other property, annuities, life insurance, bequests, and objects of art. A pamphlet covering gift giving is available upon request from the office of the Chi Phi Educational Trust. Please ask for "How to invest in the Chi Phi Educational Trust and Save Money."
- 2 Memorials also may be established. Should an individual or group wish to perpetuate the memory of a deceased brother it can be done by making a gift in his name.
- 3 *Your Will* — One of the most acceptable and financially advantageous means of support is through gifts earmarked for the Trust as part of your estate. All are free of estate taxes.
