**CHANGING  
LIVES**  
THE \$10 MILLION CAMPAIGN FOR CHI PHI

## Brothers:

It is a great time to be a Chi Phi.

Our Fraternity is providing the premier fraternity experience on more college campuses than ever before. We have added seventeen Chapters and Colonies to our Brotherhood in the last five years, and membership continues to soar.

We aren't just growing. We are also changing lives of these young men. Nearly 25% of our Brothers attend a Chi Phi leadership training program. We are using innovative curriculum to prepare these young men to be Chapter leaders, campus leaders and community leaders. The skills they learn will provide benefits long after they leave the Chapter room.

The days of being a drinking club are gone. Chi Phi is building the next great generation. How are we doing all of this? Alumni, like you.

Alumni have stepped up and answered the call. Brothers have donated \$9.3 million to the Changing Lives Campaign. This has allowed us provide more leadership training, more scholarships and more Chapter support. This additional support is directly related to our growth and the experience our young Brothers are having on campus.

It isn't easy to modernize a 189-year old organization, but that is exactly what Chi Phi has done. By offering an experience that is desired by today's undergraduates we are appealing to a new generation. However, we know it is just as important to preserve our heritage as we move forward.

In this edition of the Chakett, you will see the transition of Chi Phi through the years beginning with the work of Brother Carl Galdfelter, Alpha-Tau 1933, Zeta Delta 1956, Iota Delta 1958, Psi Delta 1970, Eta Delta 1975. As we prepare for our new Grand Alpha, Brother Ron Frank, Nu Delta 1983, Iota Zeta 1989, Delta Zeta 2000, we know there will continue to be changes in Chi Phi. There is no doubt that Chi Phi will continue to offer a premier experience to young men around the nation.

Through all the changes in the world, Chi Phi continues to shine as a beacon of leadership, Brotherhood, and character development. We are offering values, support, and friendship to Brothers which is changing their lives.

Eternally Fraternally,

## *Carnevale Makes \$110,000 Gift to Endow Scholarships and Support Mu Chapter*

As Grand Alpha, Rocco Henry Carnevale, Mu 1980, made it clear to anyone who would ask and in every action he took – his first priority was to serve the Brothers of the Chi Phi Fraternity.

Thanks to an extraordinarily generous gesture, Carnevale’s service and name will live on for generations as a result of the \$110,000 gift he’s made to support his beloved Mu Chapter and endow what will become known as the Rocco Henry Carnevale Scholarship.

To accomplish his objectives, Carnevale named the Chi Phi Educational Trust as a beneficiary of his 403(b) plan for \$100,000. Naming a nonprofit organization like the Educational Trust as the beneficiary of a 403(b) or 401(k) plan is a method of planned giving without involving one's estate or estate taxes. In this case, it provides a permanent endowment to provide perpetual support to an institution Carnevale cherishes.

In addition, Carnevale becomes one of the most recent alumni to make a five-year commitment and join the prestigious Gladfelter Circle recognizing those alumni contributing \$2,000 in one year, with \$10,000 going to the Mu Chapter Excellence Fund. "I am pleased to support the Brothers in this way, and I encourage other alumni to come off the sidelines and be recognized as part of the legacy of this historic capital campaign."

"When I started college in 1976, I found a stable and nurturing environment at Chi Phi. It's my hope that our tradition of serving and giving will be passed along well into the future to all the Brothers."

Carnevale's service to Chi Phi began as a young man on the campus of the Stevens Institute of Technology located across the Hudson River from New York City in Hoboken, New Jersey. As an undergraduate, Carnevale held several Chapter offices, including Beta, Delta, Recruitment Chairman, and Steward while earning his degree in Mechanical Engineering in 1980. During that time he also became a certified Engineer-in-Training and a member of ASME and ASHRAE.

Soon after graduating with his engineering degree in hand, Carnevale began his career working for a large

multi-national architect engineering company designing and building nuclear and fossil fueled electric generating stations around the United States. In 1986 he achieved his professional engineering license, and he currently serves as a Project Manager and Systems Engineer at the Princeton University Plasma Physics Laboratory advancing technologies associated with thermonuclear fusion and energy.

As his career took off, Carnevale continued to remain connected to Chi Phi. He has served as president of the Mu Alumni Association for twenty-five years after serving as secretary for three years. He is proud of the fact that the Mu Chapter house – affectionately known as the 'Green Gate' - is one of the few fraternity houses at Stevens that is not owned by the University. Thanks to the hard work and dedication of many Mu Brothers, Chi Phi continues to chart its own destiny and manage a sizeable asset for the benefit of future generations.

His involvement with the national fraternity began in 1988, when he attended the College of Excellence as an Alumnus participant. His interest in serving the broader Chi Phi Brotherhood increased with his exposure to programs such as COE as well as Chi Phi Clubs and Meet and Greets across the country.

"Attending COE as an observer really helped me learn the ropes as a young Alumni President and gave me an opportunity to meet with my peers from other Chapters," Carnevale reminisces.

In 1998, he attended his first Congress as a voting Alumni Delegate in Atlanta. Carnevale has attended every one since the 2000 Congress in Chicago.

"I learned that sitting at the table is better than being in the room, and

if you are not in the room, you are in big trouble."

Carnevale considers Alumni involvement with the host Universities and the National Organization essential to the health and wellbeing of the local Chapter.

Carnevale was elected to the Board of Governors of the Educational Trust at the 2002 Congress in San Francisco serving two terms during the Ron Frank administration. In addition, he served on the COE Dean's Team from 2002 – 2008 and as a group facilitator. He was Alpha of Congress at the New York City Congress in 2003, and served as Chairman of the Executive Director Search Committee that hired Michael Azarian, Psi Delta 1997, in 2004.

Grand Alpha Richard Lane, Kappa Zeta 1993, invited Carnevale to serve on the Grand Council in 2004 as the Heritage & Traditions Counselor. Between his service to COE and on the Grand Council, Carnevale earned a reputation as a great communicator, among students and alumni. He was elected Grand Alpha-Elect in 2006 and took over as Grand Alpha at the 142nd Chi Phi Congress in Las Vegas, Nevada in 2007, serving the National Fraternity until the Denver, Colorado Congress in 2009.

In 2013, Carnevale continued his service to the National Fraternity as a member of the Grand Alpha-Elect Search Committee and the Educational Trust as a member of the newly established Trust Advisory Committee. He spent much of his time as Grand Alpha visiting the local Chapters and as many undergraduates and Alumni as possible. He continues to visit Chapters and Brothers on his travels and was awarded the Chi Phi Distinguished Service Award at the Baltimore Congress in 2012. He received the Stevens Alumni Award in 2014.

Endowing scholarships is a way to continue his service to and support of Brothers far into the future.

"I see my involvement as an investment in advancing a worthy endeavor and helping the Brothers to develop professionally and socially in a pluralistic society," said Carnevale. "Fundamentally, we are all links of a chain, and it is our responsibility to maintain the strength and integrity of our Fraternity."

# LEADERS IN ACTION

Chi Phi held its 149th Chi Phi Congress June 26-29 at the Radisson Hotel & Suites in downtown Austin, Texas. Over 200 people were in attendance, including undergraduate Brothers, Alumni, and guests. Brothers attended to both business and barbecue, forming new friendships, creating memories that will last a lifetime, and shaping the future of the fraternity through passing important new legislation and selecting new leadership.

Brothers and guests were able to get out and enjoy Austin. Friday night, everyone gathered on the roof of the Rattle Inn for a dinner catered by the world famous Salt Lick BBQ and enjoyed a beautiful view of downtown Austin.

The delegation of this year's Congress also elected the next Grand Alpha of the fraternity. Brother Frank will take office at next year's Congress. Brother Tom Deans, Phi Lambda Theta 1955, has replaced Brother Frank as the Grand Beta.

# Passing the Torch

Above: Grand Alpha Jim Soderquist, Alpha 1967, and Grand Alpha-Elect Ron Frank, Nu Delta 1983, Iota Zeta 1989, Delta Zeta 2000

## **“This is a great time to be a Chi Phi!”**

was the call from Grand Alpha Jim Soderquist, Alpha 1967, at the 149th Chi Phi Congress. Though Brother Soderquist would never admit this, he is a big reason it is a great time to be a Chi Phi. In 2009, Soderquist was elected Grand Alpha-Elect and immediately went to work on making Chi Phi the best fraternity in the country.

Soderquist carefully selected his Grand Council and developed a strategic plan. He and his Grand Council set ambitious goals to improve Chapter health, create a more financially stable Chi Phi, grow Chi Phi through strategic recharterings and colonizations, reduce risk management issues, improve communications, increase national programming and increase Alumni involvement.

Under the careful watch of the Soderquist Administration, Chi Phi re-opened or started 17 Chapters. The Chapter Accreditation program was implemented to help each Chapter and Colony develop a plan for success. Accounts receivable for the Fraternity are at an historic low, and more than \$9 million has been pledged to the Changing Lives Campaign.

In addition, this Grand Council has been instrumental in developing the Alphas Academy, expanding the Regional Leadership Alliances and bringing back the College of Excellence. They also helped begin the Total Membership Education program and collectively have donated nearly \$1 million to build better men.

### **This is indeed a great time to be a Chi Phi!**

At the 149th Congress, Brother Soderquist began preparing to pass the leadership torch to Brother Ron Frank, Nu Delta 1981, Iota Zeta 1989, Delta Zeta 2000. Frank has experience leading Chi Phi. He has served the Nu Delta Alumni Association President, Nu Delta Chapter Advisor, a Chi Phi Governor, Grand Beta on Soderquist's

council and Grand Alpha from 2000 to 2005.

Frank shared his vision for Chi Phi with the 149th Congressional attendees.

"We have come a long way as a fraternity. We are leading in so many different areas, and I intend to continue to push Chi Phi to be a better organization. I would like to focus on three key areas during my tenure as Grand Alpha. My focus will be to research and publicize our heritage, improve upon Alumni outreach and increase national staffing."

Frank intends to continue work on the Chi Phi Greek Life Museum, the next installation of the Chi Phi Chronicles and prepare for the quickly approaching 200 year anniversary of the founding of Chi Phi. He also intends to improve on the Chi Phi Alumni network by adding more City Clubs and providing support to local advisory boards, Alumni associations and housing corporations.

Frank will be installed as the Grand Alpha at the 150th Chi Phi Congress in June 2015.

Commenting about the transition from Soderquist to Frank, Trust Chairman Chris Shuler, Alpha Zeta 1984, said, "Jim is a true gentleman. He has given countless hours, unmatched passion and bold vision to our Fraternity for the last five years. I am truly honored to have had the opportunity to work alongside him leading our Fraternity and our Changing Lives Campaign. Ron has big shoes to fill but I have no doubt Chi Phi is in very capable hands."

Trust Chairman Chris Shuler, Alpha Zeta 1984, presents Grand Alpha Jim Soderquist, Alpha 1967, with a certificate of recognition for the Soderquist Scholarship.

## **New Scholarship to Honor Grand Alpha Soderquist**

To honor outgoing Grand Alpha Jim Soderquist, Alpha 1967, the Trustees of the Chi Phi Educational Trust have named the Soderquist Scholarship.

"Jim really wanted to help the men who have served as Field Executives after they leave staff," shared Director of Development Elizabeth Vaughn. She went on to say, "Since many former Field Executives return to school to pursue a masters or professional degree, Jim felt that establishing a scholarship for graduate study would be the best way to help these men that give so much to Chi Phi."

When Ms. Vaughn shared the news of Soderquist's latest gift with the Educational Trust, Chairman Chris Shuler, Alpha Zeta 1984, suggested the Board work with Alumni to raise \$50,000 to match Soderquist's gift and rename the scholarship the Soderquist Scholarship.

"We wanted to honor Jim and help him give back in a way that was important to him. We cannot overstate all that Jim has done for Chi Phi, between his financial support, his service as Trust Chairman and now as Grand Alpha and Changing Lives Campaign Co-Chair, he has really helped Chi Phi become a leader in the fraternal world," shared Shuler.

Trustees worked secretly throughout the year to raise \$50,000 for the Soderquist Scholarship, even enlisting a few of Soderquist's Alpha Chapter Brothers along the way. "Keeping this a secret from Jim hasn't been easy," shared Mike Beall, Alpha 1976, "but it has been well worth the effort."

If you would like to help honor Grand Alpha Soderquist with a donation to the Soderquist Scholarship, please visit [www.chiphicampaign.com](http://www.chiphicampaign.com) or contact Director of Development, Elizabeth Vaughn at [vaughn@chphi.org](mailto:vaughn@chphi.org) or 404.231.1824.

### Chi Phi Governors Appoint Three Trustees

The Chi Phi Board of Governors have appointed three new Chi Phi Educational Trust Trustees.

"We have been working to grow the Educational Trust Board to include more Chapter representation. We want to give everyone a voice at the table," stated Trust Vice Chairman John McElderry, Eta 1994.

The Governors carefully reviewed the applications and voted to appoint Scott Henderson, Alpha-Tau 1984, Ken Fredericks, Theta Delta 1980, and Fran Nolan, Kappa Delta 1990, to the Board of Trustees.

Brother Henderson is the President and Chief Operating Officer of Five Hour Energy and has been involved with Alpha-Tau Chapter at University of Michigan for many years. Previously, Henderson served as a Chi Phi Board of Advisors member and spoke at the 2014 Alphas Academy.

"Chi Phi means a lot to me. I was able to receive financial support from the Educational Trust at a time when I really needed it. I would like to give back and help some young men that need our support now," stated Henderson.

Brother Fredericks is a former Chapter Alpha from Theta Delta at the University of Florida. He served the Vice President of Human Resources for Motorola, Inc. and Armor Holdings, Inc. before retiring in 2008. Fredericks brings a wealth of experience in leadership training and development to the Board of Trustees.

Brother Nolan served as a Governor before becoming a Trustee. He is a highly respected real estate attorney practicing primarily in Boston, MA. Nolan has been involved with Kappa Delta Chapter at University of Rochester for many years. He has served as President of the Kappa Delta House Corporation, member of the Chi Phi Scholarship Committee and as a member of the Accreditation Committee in addition to his time as a Governor.

"I am excited to welcome Ken, Scott and Fran to the Board. All bring a wealth of knowledge which will help Chi Phi continue to be a leader in the fraternal foundation community," shared Trust Chairman Chris Shuler, Alpha Zeta 1984.

### Congress Elects Three Governors

At the 149th Congress, in addition to electing a Grand Alpha, delegates elected three new Chi Phi Governors.

"The Board of Governors isn't a well understood part of Chi Phi, but they are a critical part of Chi Phi. Their role is to appoint new Trustees to the Educational Trust Board and to remove any Trustee who isn't fulfilling his responsibilities," stated Board of Governors Vice Chairman Hans Stucki, Iota 1970.

The Governors are elected by the Congressional body and serve two-year terms. Only five Governors serve at any one time and the Board is chaired by the Educational Trust Chairman. Brother Randy Loos, Theta Delta 1977, and Brother Tom Holtey, Beta 1962, ended their terms as Governors.

"Tom and Randy did an outstanding job as Governors. They helped grow the Educational Trust Board and were key in helping execute our vision. We appreciate their service to Chi Phi," shared Trust Chairman Chris Shuler, Alpha Zeta 1984.

Brother Fran Nolan, Kappa Delta 1990, was elected to the Board of Trustees leaving the third vacancy. During the opening Congressional Session, Chairman Shuler nominated Brothers Mike Molinari, Omega 1997, Sahil Patel, Gamma 2000, and Ron Drag, Psi Delta 1984, to fill the three seats.

Congress delegates unanimously approved the nominations adding three very experienced Brothers to the Board of Governors. Molinari, Patel and Drag immediately began their terms and will serve until 2016.

# CHANGES

*at the national headquarters*

The National staff had several individuals conclude their service with the Fraternity. In June, Chi Phi's Field Executives: Patrick Lee, Psi 2013 and Sean Gordon, Epsilon Delta 2013, completed developing Chapters and Colonies. Gordon joined the NuWest Group, a Seattle based technology staffing firm, in late May as a recruiter. In July, Lee departed staff to pursue other opportunities. Nick Holmes, Theta Delta 2010, departed the Educational Trust staff in early July to join PWC in Charlotte, NC. We wish each Brother success in his professional pursuits.

For the past fourteen years, Patty Fisher has been the voice on the other end of the phone at the National Office. In addition to

providing frontline phone support, she was responsible for entering and processing the records of each New Member. While on staff, Patty added over ten thousand membership records into Chi Phi's database. Her careful attention to detail enabled Chapters to have the resources for success. On June 12, Patty retired. She plans to spend her day's poolside with her dog, Bear, and husband, Stan.

To fill these vacancies, staff conducted several thorough searches before building another great team. The Field Executive team this year is comprised of Eric Lilie, Tau 2014; Justin Munson, Rho Delta 2014; and John Peters, Delta Pi 2010. These three Brothers will support each of Chi Phi's Chapters and Colonies during this

coming year. Brother Lilie will spend a portion of his time focusing on expanding Chi Phi's newest groups.

Recently the Fraternity developed a new staff position to focus on risk reduction. Erin Caldwell, a member of Delta Zeta Sorority, joined the Fraternity Staff as the Coordinator of Risk Management. She will spend her time coaching troubled Chapters and Colonies along with developing innovative educational opportunities to enhance Members' knowledge of risk reduction.

Geoff McDonald joins the Educational Trust staff in the Director of Development role. McDonald comes to Chi Phi from Alpha Sigma Phi Foundation where he raised over \$5 million during his tenure.

These five staff members join an already phenomenal team at the National Office. Each individual has a wealth of knowledge and experience to offer the members of Chi Phi Fraternity. Their hard work and dedication to our Fraternity ensures Chi Phi's continued success.

# Investing in Chi Phi leadership

**Let's face it; fraternities are on the wrong side of history.** At best, we are viewed as an exclusionary bastion of social privilege. At worst, as incubators of alcoholism, hazing, and date rape. Across the media, the bad behavior of the few is magnified to besmirch the reputation of the many, part of a coordinated campaign to put an end to the Greek System.

And yet the caricatures of fraternities and sororities regularly trotted out by the press bear little resemblance to the positive values of leadership, supportiveness, and the forging of lifelong bonds of brotherhood that characterize our own personal experience. So, what is a responsible fraternity to do?

We must celebrate our values. We must honor the accomplishments of the best among us. And we must support our young scholars as they continue their education and prepare to move into leadership roles across business, government, and society.

That is the true mission of the Chi Phi Educational Trust. We can only overcome negative media stereotypes that undermine a tradition we hold dear by identifying, rewarding, and supporting exemplary performance, instilling pride in those who live our values, and tirelessly letting the world know that fraternity life is a renewable source of positive experiences that build good citizens.

As you read these words ask yourself, what can I do to help preserve a system that helped make me the man that I am? Yes, we can write checks to support the Educational Trust. Yes, we can maintain the bonds of friendship that keep us close to our Chi Phi Brothers. Yes, we can stay involved in our chapter house corporations and alumni boards. But these inwardly-focused activities are not enough. We must also make our voices heard in

our communities, across social media, and in our state houses, to explain, protect, and defend the positive values of fraternity life. Which brings us to our scholarship winners.

This year we are blessed with an outstanding group of scholarship recipients. Each met the highest standards of academic performance, chapter leadership and involvement, community service, and higher education or professional aspirations. This year's undergraduate scholarship winners averaged a GPA in excess of 3.7 (on a scale of 4.0). Brothers majoring in the sciences, pre-med, engineering, economics, finance, and business were heavily represented. Nearly half were double majors and nearly all served as house officers, including seven Alphas. Our graduate winners will use their scholarships to pursue law degrees, MBAs, medical degrees, and Ph.D.s in a variety of fields, expanding the ranks of our successful Alumni.

### **We should be proud of all our winners, but let me call out a few.**

Jeffery Chidester is a graduate of the University of Virginia, a member of Chi Phi's Alpha Chapter. After completion of a double major in biology and religious studies, he has chosen to pursue a medical degree at UVA. While an undergraduate Chidester served as both Chapter Beta as well as chair of a program designed to

liaise with parents. By focusing on demonstrating the positive values of fraternity life in general and Chi Phi in particular, Chidester helped ensure that this important but sometimes skeptical constituency emerged from their experience as Chi Phi parents as ambassadors and advocates for fraternity life.

No stranger to volunteer work, our future doctor used the leadership skills he learned at Chi Phi to serve as Program Director for UVA's Madison House, a community service organization that directs the efforts of student volunteers at the local hospital emergency room. With his acceptance into UVA's medical school we can expect this relationship to endure, nurturing the next generation of prospective physicians and healthcare industry leaders. Despite his demanding studies, Chidester has remained active in his chapter, helping coach his undergraduate Brothers through their own pre-med studies and medical school application process.

Robbie Cusmano, a former Alpha from the University of Florida Theta Delta Chapter, exemplifies Chi Phi's tradition of leadership both on campus and on a national level. As one of our graduate scholarship winners, he is pursuing a joint JD/MBA at UF that will help prepare him to enter the top ranks of corporate law. As Alumni Chapter Advisor and secretary of his house corporation board, he is already giving back to an institution whose history

goes back nearly 200 years. Holding down two part time jobs to help pay for his graduate education leaves no doubt that Cusmano can perform under pressure.

Finally, we honor Kris Yingling hailing from the University of Texas Nu Chapter, now a second year law student at the University of Pennsylvania Law School. A summa cum laude graduate of UT, Yingling not only held multiple leadership positions in his Chapter but served on the Inter-Fraternity Council and student government. His passion for justice has already led him to do pro bono work expunging the criminal records of exonerated individuals, helping asylum seekers obtain legal status, and assuring that black lung victims' widows receive the support they are due.

To Yingling's leadership skills we can add ambition, spending this summer doing not one but two internships one at the US Federal District Court in Houston and the other at the Texas Supreme Court in Austin. Watch this space as we follow Yingling's career, and that of our other hard working alums.

### **Congratulations to all of this year's scholarship winners.**

**Make us proud!**

# TEXAS

Makes For a Great Watts  Gunn Tournament

2014 Watts Gunn Tournament participants gather before hitting the links.

This year golfers from around the country descended on the beautiful Texas Hill Country for a little Brotherhood, fun and charity at the Fourth Annual Watts Gunn Golf Tournament. The day started out a bit overcast, but surprisingly cool for summer in Austin. As the teams warmed up, Trust Chairman Chris Shuler, Alpha Zeta 1984, welcomed everyone and thanked them for their support.

“This event has helped raise nearly \$100,000 for Chi Phi leadership training programs including the College of Excellence. While we are going to have a lot of fun today, this is about helping our Brothers and building better men,” announced Shuler.

The foursomes hit the course, and the competition was fierce from the first drive. The Lambda Chapter team

of John Christian, Lambda 1980; Robert Purviance, Lambda 2017; Taner Dagdelen, Lambda 2016 and Evan Price, Lambda 2015, started off the first tee with a drive straight down the middle of the fairway and looked like the team to beat early.

Not to be outdone, the Field Executive Team of Patrick Lee, Psi 2013; Sean Gordon, Epsilon Delta 2013; Bryan Lavers, Rho Iota Kappa

1972 and Brett Shaw, Epsilon 2016, boomed a long straight drive to set them up for a great round.

The other teams saw some great shots throughout the day with Brother Eric Pittman, Alpha Zeta 1993, dropping in an 85 yard chip for a beautiful birdie on the ninth hole and Brother Bryan Lavers dropping in a 90 yard chip for an eagle on the eleventh hole. Brother Glenn

Johnson, Mu Theta 2004, hit a drive on the 10th hole within four feet of the cup to win the Closest to the Pin Contest. Brother Brett Shaw, crushed a drive nearly 300 yards to take the Longest Drive Contest.

The Grand Council, Educational Trust, and Lambda Teams put up a good fight but in the end the battle came down to the Psi Chapter Team and the Field Executive Team. The Psi Chapter team hit some great putts and finished the day seven under par. That wasn't enough to knock off the Field Executive Team who finished the Tournament at an amazing nine under and took home the Watts Gunn Trophy.

The Lambda Chapter Team made sure they didn't go home empty handed. Their custom made Lambda Chi Phi Game Day shirts won them the Best Dressed Team honors.

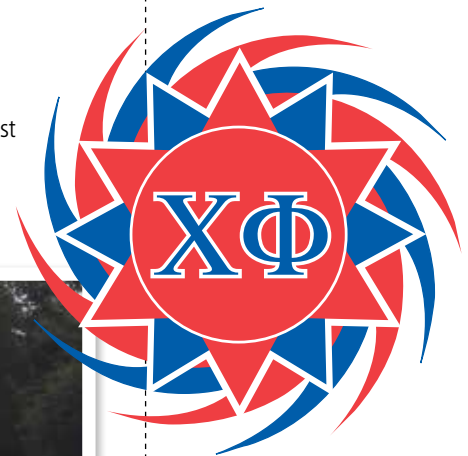

"It was a great day on a beautiful course. I know everyone had a great time, but more importantly these Brothers are helping our members attend critical leadership training programs. These programs are what sets Chi Phi apart from other fraternities and makes our members great leaders," shared Grand Alpha Jim Soderquist, Alpha 1967.

**The Trust would like to thank the generous Watts Gunn sponsors for their commitment to changing lives and building better men.**

# AROUND CHI PHI

## Extending the Hand of Brotherhood with City Clubs

Chi Phi has a long history of Alumni city clubs. Since the early 1900's Brothers have gathered to share in fellowship, for networking and to meet new friends. At one point there were as many as 50 Clubs around the nation. Over the past ten years, many clubs have become defunct. The National Office is working to change that in the coming year. We now have active clubs in Atlanta, GA; Boston, MA; South Florida; Washington, DC; Phoenix, AZ and Indianapolis, IN. If you are interested in getting involved in one of these clubs or starting one in your area, please contact Elizabeth Vaughn, Director of Development, at 404.231.1824 or [vaughn@chphi.org](mailto:vaughn@chphi.org).

This spring, the Chapter graduated eleven Brothers, most of whom were re-founding fathers of the Chapter; all of our newly graduated Brothers are heading off to great futures and we are very proud of their accomplishments and dedication to the Epsilon Chapter. One of the major events this spring was a reunion celebration for the Epsilon Brothers of the 1960s. An entire decade of Chi Phi Brothers got together for a weekend in April to reminisce and tell their stories, something both the former and active Brothers appreciated. In addition, the Brothers of the Epsilon Chapter kept up with a reputation of leadership in the community.

In the name of service, Epsilon helped execute the 2014 Hampden-Sydney Merit Badge Weekend, a massive workshop Hampden-Sydney puts on every spring for area Boy Scout troops. All of our Brothers participated in the event, helping to organize the event and serving as guides and even merit badge instructors for over 100 young Scouters.

The Xi Chapter holds a strong presence on Cornell's campus academically, athletically, and through extracurricular activities. With Brothers studying in all seven of Cornell's colleges, the Chapter boasted an above all-fraternity average GPA of 3.32 in the fall semester. There are Brothers on club and varsity sports teams including baseball, golf, soccer, tennis, lacrosse, sprint football, and rugby. Brothers are involved and hold leadership positions in organizations such as Cornell Consulting Group, The Cornell Tradition Fellowship, academic fraternities, and many others.

February the Chapter hosted their second annual Chi Phi Career Day, organized by Jim Cummings, Xi 2014 and Matt Stromecki, Xi 2015. During the event Alumni returned to speak with Brothers about career opportunities in fields ranging from finance, to engineering, to medicine. This event was hugely successful and will hopefully continue to grow in coming years.

The Brothers at Delta Xi have been hard at work planning out all sorts of events that bring people together. Our first event of the semester was the first annual Kicking for Kids soccer tournament. 14 teams from various school groups signed up, each donating \$100. Then, come game day, all 14 teams faced off in a tournament. A hot Sunday evening helped us sell plenty of water and snacks, which added to the donations. At the end of the day, we had collected over \$1,200, all for the Boys and Girls Club.

On Saturday, April 26th, the Pi Theta Chapter hosted the 2nd annual Sara Hougom Charity Softball Tournament—in memory of the late Sara Hougom – with the goal of increasing the awareness of the amount of violence in the La Crosse, WI community. Sara was murdered in her La Crosse apartment on March 23, 2012 during a random act of violence. At the time, she was the girlfriend of now Alumnus, Brother Scott Hogan. Through Brother Hogan, many brothers of the chapter grew close with Sara. After last year's tournament yielding a donation of over \$1,100, the

chapter was able to make large improvements this year. The number of teams increased from eight to twelve, a large increase in donors, and the raffle doubled in size. The Pi Theta Chapter is proud to announce that a final donation of \$4,000 was donated to the La Crosse Police Department to support their Community Policing Program.

This program deploys Neighborhood Resource Officers in specific areas of the community. Through this initiative, there will be two officers located in the Washburn neighborhood of La Crosse—where Sara lived when she was murdered. The cause seemed like a perfect way to support our overall goal of hosting the tournament.

# CHANGING LIVES CAMPAIGN NEARS END

Alumni leaders decided Chi Phi couldn't afford not to launch this Campaign. The country needed better leaders, better men... Chi Phi men. Chapters and Brothers were eager to grow, to develop, to improve. The campaign was necessary to help the next generation of Brothers achieve their dreams.

Alumni, parents, actives and friends from around the world have stepped up and answered the call to change the lives of Chi Phi Brothers. Generous donors have committed \$9,318,444 toward the \$10 million goal for the capital campaign. These donors have made Chi Phi a great Fraternity again!

These donors brought back the College of Excellence, expanded the Regional Leadership Alliances, funded over \$500,000 in scholarships, sent Brothers to the prestigious Undergraduate Interfraternity Institute, built the Chi Phi Greek Life Museum and started the Alphas Academy.

The Campaign and these donors are changing the lives of Chi Phi Brothers, the face of our Fraternity and the trajectory of the nation. Chi Phi

is building the next great generation. Alumni still have opportunities to add their name to this historic effort.

To participate, visit [www.chiphicampaign.com](http://www.chiphicampaign.com) or send a gift to change lives to Chi Phi Campaign Office PO Box 2187 Columbus, GA 31902. Alumni gifts will help Chi Phi meet its ambitious goal and show just how important Chi Phi is to the future of our nation.

Donors to the Changing Lives Campaign have funded the return of the College of Excellence.

**When Chi Phi launched the ambitious \$10 million Changing Lives Campaign in 2009 there were many doubters.** The country was in an economic crisis. Even the data showed Chi Phi could only raise \$5 million. Chi Phi had never tried something this in its 189-year history.

"The vision is too bold," naysayers said. "We have talked about funding things like the Alphas Academy or a Greek Life Museum for years, but that's just talk."

With a committed group of volunteers and more passion for the Fraternity than could be contained,

## A LEADER OF MEN: A CONVERSATION WITH CARL GLADFELTER

Many have called Carl J. Gladfelter, Alpha-Tau 1933, Zeta Delta 1956, Iota Delta 1958, Psi Delta 1970, Eta Delta 1975, the “greatest Chi Phi who ever lived.” Gladfelter spent ten years on the Grand Council, including four as Grand Alpha. He worked professionally for Chi Phi for 17 years.

Despite the tremendous change he encountered between his first term on the Grand Council in 1947, and his retirement from Chi Phi in 1977, he remained keenly focused on four priorities: (1) expansion and bring the Chi Phi experience to new men, (2) the financial health and viability of the organization, (3) documenting and preserving the history of Chi Phi and (4) encouraging and educating young men.

As Grand Alpha, he accomplished something no other Grand Alpha had previously done. Gladfelter visited every Chapter – 34 at the time – between 1956 and 1957. He was an early advocate for establishing a leadership training school to bring Chi Phi men together. He pushed to modernize Chi Phi’s expansion program.

He went on to serve as the chief staff person for the Fraternity from 1960 to 1975. During those tumultuous years for fraternity life across the country, Gladfelter, often single-handedly, held the Fraternity together. Not only did he preserve Chi Phi, but he added 17 new chapters during that time period. He documented every step of the way as editor of *The Chakett* and co-author of *The Chronicles of Chi Phi: 1939 – 1976*.

More than virtually any other Brother, Gladfelter’s vision, tenacity, and leadership have had a positive impact on Chi Phi and thousands of young men spanning generations.

Earlier this year, Greek Life Museum Committee member, Matt Apesos, Mu 2005, had the opportunity to sit down with Gladfelter to reflect on his time with Chi Phi for the Greek Life Museum.

**Apesos:** You entered the University of Michigan in 1929, just months before the Wall Street Crash and the beginning of the Depression. What was life like on a college campus during that time?

**Gladfelter:** While life in the “real world” was extremely difficult, life on campus was a respite from the Depression. I lived in the chapter house, where we shared dinner every evening. We always had a Brother that could play the piano and the rest of us would sing songs almost nightly. We hosted house parties and played cards. Women were not allowed in the house back then, so it was just us guys. It was a wonderful time really, making those memories with Brothers.

I did serve as the Chapter Delta when all the banks closed. I was holding \$1,500 in checks that were no longer worth the paper they were printed on!

There were a few things that were really different from life on a campus today. There were no dormitories on campus. Everyone lived in a fraternity house or in a rooming house. Also, in spite of being only 45 miles from the automobile capital of the world, students were not allowed to have cars on campus. We couldn’t drive to visit family, a Brother, or a potential member.

Scholarships and loans didn’t exist back then. I was very fortunate my father never lost his job, and I was able to finish College. I am happy to see Chi Phi is a source of financial help for Brothers today through scholarships.

**Apesos:** What was your most memorable experience as a Chi Phi?

**Gladfelter:** The friends. That was the best part of the whole thing. The friendships I developed through Chi Phi were lifelong. I stayed in touch with those men no matter where I moved. The companionship within the group of Brothers over the years that extended beyond graduation was the best part of the Fraternity for me.

The Alumni contacts were also excellent. The Alumni returned to campus to help us, to share their ideas. They helped guide us and helped us to grow and develop into men. Alumni are so important to our Chapters.

**Apesos:** I think most of us remember attending our first Congress. When was your first Congress?

**Gladfelter:** It was in Detroit, MI in 1932. It was held at the Detroit Leland Hotel that had just been built a few years earlier. I don't remember too much about it because I had just joined the Fraternity. I was not the Chapter's official delegate so I was only involved in the social parts of Congress that year. It was a wonderful event.

**Apesos:** You joined the Grand Council in 1949, as Grand Zeta. How did you become a member of the Grand Council?

**Gladfelter:** I was part of a group of men that helped save the Alpha-Tau chapter house during World War II. The Chapter was almost out of existence because there were no men on campus, and we couldn't pay for the house. This

group of men helped negotiate a lease with a sorority to keep the house.

Through that involvement, then National Director, Judge Luther Rosser, Omega 1908, had heard about what we did. He shared my name with Grand Alpha J. Pollard Turman, Gamma 1934, who later asked me to serve on the Grand Council as Grand Zeta.

I enjoyed my time on the Council and continued to serve as Grand Zeta under the next Grand Alpha, Eugene T. Benham, Iota 1911. Of course that led to my election as Grand Alpha at the 1952 Congress in Cincinnati.

**Apesos:** After your time on the Grand Council you became the National Director of the Fraternity. That was in 1960, another tumultuous time in US history. What was it like leading Chi Phi as a staff member instead of a Council member?

**Gladfelter:** I still had the same objectives for Chi Phi... expansion, financial health, preserving history and educating young men. A huge part of the National Director's role was teaching Chapters how to become a Chi Phi Chapter. Both Judge Rosser and I made sure Chi Phi traditions and values were carried out from one Chapter to another. We didn't use a handbook or anything, we just taught them the important Chi Phi values.

By teaching the whole Chapter about our values and Ritual, we were also teaching individuals how to live those values. We showed them what it meant to be a true gentleman, a Chi Phi man.

We made sure the Chapters had a Chapter Room where they kept their Ritual equipment. We made sure they kept that equipment in good order. I know today a Chapter Room isn't

## Help Honor Carl Gladfelter

Alumni have an opportunity to honor Carl Gladfelter and ensure his legacy lives on by creating the Carl J. Gladfelter Display at the Greek Life Museum. Gifts to this Display will help digitize his many papers for posterity, record his memories and showcase the efforts of one of Chi Phi's greatest Brothers.

Every donor contributing \$600 or more (just \$10 per month over five years) will be recognized on a permanent plaque alongside the Display. Chi Phi will present Carl with a list of all donors contributing any amount to demonstrate the gratitude the Brotherhood has for his leadership and service.

## How You Can Help

- Share your stories, correspondence and photographs involving Carl Gladfelter by sending material to the Greek Life Museum Office 1160 Satellite Blvd. Suwanee, GA 30024.
- Make a one-time gift or multi-month pledge to support the Carl J. Gladfelter Display online at [www.chiphicampaign.com/](http://www.chiphicampaign.com/) donate or by contacting Director of Development, Elizabeth Vaughn at 404.231.1824.

required, but I think it's important we keep doing Ritual. The Ritual was something that we insisted on being performed and performed correctly.

I was also responsible for visiting every Chapter every year. We didn't have field staff during that time. This helped me understand how a Chapter was performing. I knew what areas were challenges for each Chapter and what areas were strengths.

I also kept close contact with the Dean of Men or Dean of Fraternities to help make sure that if we had problems we had a friend on campus. That also helped me form relationships at campuses where we didn't have Chi Phi Chapters. Those relationships of course led to many of the expansions that happened during my tenure. I think those relationships might have been the most important thing I did for Chi Phi.

**Apesos:** As National Director, what did you do to help Chi Phi survive Vietnam and the cultural revolution of the 1960s?

**Gladfelter:** That was a very difficult time for Chi Phi and all fraternities. We had to remove many members for drug use. I had to physically remove men from my own chapter house for drug use. We also had to ban several Alumni from Chapters to keep out drugs.

We did lose several Chapters during that time, but we were able to save several others. The Alumni involvement was critical in the Chapters that we saved. Strong Alumni have always been the key to a strong Chi Phi and strong Chapters. Without Alumni support, Chapters can't make it through these times of crisis.

**Apesos:** Where there any Alumni who played key roles in assisting you during your time on the Grand Council or as National Director?

**Gladfelter:** There were Alumni from every Chapter that helped! I had a connection with two to three Alumni from every Chapter who I could call for help at any time. Those men were

able to assist the Chapters when they needed help, to provide guidance to the men in the Chapters and so much more. I think that was the key to many of our successful Chapters, having those deeply involved Alumni.

**Apesos:** Another area that was important to you was the preservation of Chi Phi history. You helped write the 1939 – 1976 update of The Chronicles of Chi Phi. What are your thoughts on the Chi Phi Greek Life Museum?

**Gladfelter:** I think it's a great initiative. The 1919 flood at Zeta Chapter cost Chi Phi a lot of archival materials. Judge Rosser actually brought the recovered items back to Atlanta. But of course back then, we didn't have the know-how, or the money to preserve all of our history the way we do today. I think Alumni will really want to visit the Museum and other Greeks as well. I wish we had something like that years ago. It would have made writing the Chronicles much easier!

**Apesos:** If you could say one thing to Chi Phi men 100 years from now, what would it be?

**Gladfelter:** Know the Chi Phi Ritual and values. Understand the tie that binds. The Ritual and values are what defines our Fraternity and us as men. By understanding our Ritual, you can understand how to live our values. By living our values you will be a better man.

## Chi Phi prepares young men for the rigors of the undergraduate world and for life after college.

Through their gifts to the annual Chi Phi Fund the Actives, Alumni, parents, friends and corporate partners listed below educate and support over 2,300 undergraduate students. The Chi Phi Fund is the foundation that helps build better men and a better Fraternity. Chi Phi is proud to recognize and thank the 884 donors who contributed \$1,478,077 during the 2013 - 2014 fiscal year.

The following list, by giving level, then Chapter, reflects actual gift received by the Chi Phi Fraternity and Chi Phi Educational Trust between July 1, 2013, and June 30, 2014. Donors who notice an error on this list are encouraged to contact Director of Development Elizabeth Vaughn at [vaughn@chphi.org](mailto:vaughn@chphi.org) or 404.231.1824.

**To many Alumni, it is important to know that the causes that are important to them will thrive and prosper long after their own death.** Likewise, life's pressures and the uncertainty created by the current economic climate often prohibit generous Alumni and friends from fully supporting Chi Phi or their Chapter to the extent they might like. Planned or deferred giving provides a convenient mechanism to solve both situations.

Giving through a bequest, charitable trust or beneficiary designation on a life insurance policy or retirement account provides an opportunity for Alumni to defer making a significant gift until after their death or the death of a loved one. Often, these deferred gifts become game-changers due to the tremendous positive impact they make on an institution like Chi Phi.

The MacLean Legacy Society recognizes those generous Alumni and friends who have projected their love and support for Chi Phi and its mission beyond the horizon of their own mortality by making a deferred or estate gift of \$10,000 and higher.

**GLADFELTER CIRCLE**

In 2001, the Trust established the Gladfelter Circle to recognize donors who contribute \$2,000 or more each year. Since then 27 dedicated Alumni and friends have been Galdfelter Circle members for five or more years. We thank these Brothers and friends for helping change the lives of Chi Phi men around the nation.

## Contributing Stock

Contributing stock and other securities provides donors with an opportunity to avoid paying capital gains on the increase in the stock's value. Donors also typically receive a tax deduction for the full fair market value of the stock on the date of the gift.

Individuals wishing to donate stock to the Chi Phi Educational Trust, a 501(c)(3) educational foundation, can do so using the following procedures:

### 1. Transfer the stock to:

Sanford C. Bernstein & Co., LLC, DTC#: 013, Acct#: 03907906  
Acct Name: Chi Phi Educational Trust Endowment Fund

\*Note, Chi Phi is unable to accept transfers of open-ended mutual funds (tickers usually end in "X")

### 2. Notify Chi Phi

Once you transfer the stock, please contact the Chi Phi Development Office at 404.231.1824 or fax: 404.237.5090 with the following information:

- Your name
- The amount and name(s) of the shares you transferred
- The date of the transfer
- Any particular fund, if any, you want the stock gift to support

It is very important that you notify Chi Phi with this information so that you receive proper credit and a charitable gift receipt for your generous gift.

## JOIN THE CIRCLE OF SUPPORT BY CONTRIBUTING AT ANY OF THE CHI PHI FUND ANNUAL GIVING CIRCLES BELOW:

### \$5,000 - Gladfelter Circle with Distinction

#### GLADFELTER CIRCLE

### \$2,000 – Gladfelter Circle

The Gladfelter Circle levels recognize the top echelon of Alumni supporters who earn a place of distinction through their outstanding annual response to Chi Phi's critical need for private support. Gladfelter Circle donors make leadership gifts totaling \$2,000 or more to the Chi Phi Fraternity and/or the Educational Trust each year. Gladfelter Circle members can be recognized by the distinctive silver or gold lapel pins they receive in appreciation for their gift.

### \$1,000 – Chairman's Circle

### \$500 – Scarlet Circle

### \$250 – Blue Circle

### \$100 - Loyalty Circle

### \$25 & Up – The Men of 1824

For Undergraduates and Graduates of the Last Five Years

The Men of 1824 is an exclusive group of undergraduate brothers and recent Alumni who share a long-term vision and commitment to the Fraternity. Membership is reserved for undergraduates and Alumni who have graduated during the last five years. Through their gifts of \$25 or more, these undergraduate and young Alumni leaders make a statement to the world that they believe in the future of Chi Phi and are willing to contribute to make that future bright.

## 2014 March Mania Challenge Winners

Like the NCAA March Madness, the 2014 Chi Phi March Mania Challenge was an exciting time. Chi Phi Brothers were challenged to commit \$64,000 to support Chi Phi scholarships and Chapter Excellence Funds. Brother exceeded the goal and committed \$89,308 with several Chapters taking home top honors.

## Remembering Chi Phi After Your Death: It Just Takes Two Lines

Making a gift to Chi Phi through a Last Will and Testament is easy. Individuals should instruct their attorney to add a provision to their Will naming the Chi Phi Educational Trust as a beneficiary of their estate.

### The following language is appropriate:

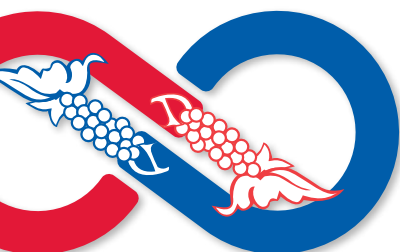

I give, devise and bequeath [insert dollar amount or percent of estate] to the Chi Phi Educational Trust, (tax id#58-6035103) an unincorporated trust organized and existing under the laws of the State of Georgia, or its successor organization. Said Trust is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and contributions to it are deductible under the provisions of federal income, gift and estate tax laws.

Individuals who have made the Chi Phi Educational Trust or their Chapter a beneficiary of their Last Will and Testament are asked to provide an attorney's letter or copy of this page from their Will so Chi Phi can acknowledge the donor's generosity and properly plan its future.

To learn more or to have a confidential conversation about a planned gift, contact Elizabeth Vaughn at 404.231.1824 or [vaughn@chphi.org](mailto:vaughn@chphi.org).

## Robert Haaf

Robert Haaf, Lambda 1950, passed away peacefully surrounded by his family. As a fourth-generation Californian, he was raised in Berkeley, attended Berkeley High and after three years in the Navy, came back to Cal Berkeley, where he was affiliated with Chi Phi Fraternity. Bob was the respected President of Cabinet Hardware Supply for 35 years.

His variety of talents and pastimes gave him the greatest joy and lasting friendships. He loved tennis, golf, the Orinda Country Club, woodworking and traveling the world with Jean, his wife of 63 years. His love of the outdoors, Tahoe, Whitehawk Ranch, Yosemite and his family, gave him a wonderful, happy life.

Always the life of the party, Bob was a master joke-teller, both in person and over the e-mail. He was an avid Bridge player and one of the founders of the 35 year old North Side Boys' Club.

He is survived by his wife Jean, daughter Heidi DeLozier, son Roger Haaf, and his pride and joy, grandsons Robbie and Alex, granddaughters-Jamie and Leslie, plus numerous nieces and nephews.

## Ryan Patrick Brown

Ryan Patrick Brown, Pi Delta, of Charleston, died unexpectedly on Friday, April 25, 2014. He was born May 15, 1986, to Bobby and Cecilia Pauley Brown in Charleston.

Ryan graduated from Capital High School, attended WVU and will be greatly missed greatly by his family and friends. We will always remember Ryan for his uplifting humor and his kind heart. He was always ready to help a friend. Ryan was adventurous, bright, caring and had a wonderful smile that would light up a room. If you needed a laugh, Ryan was there with a joke.

He was preceded in death by grandparents, Carlos and Dot Brown and Dwight and Nettie Pauley; aunt, Dona Pauley Bowles; uncles, Marcus Schimek, Richard Bowles and Carlos Brown; and cousin, Scott Schimek.

In addition to his parents, he is also survived by his brother, Aaron Brown and his wife, Giorgia De Paoli; nephew, Lucas De Paoli-Brown; aunts, Joyce Brown, Kathy Brown Jordan, Faye Pauley Schimek and Denise Brown; cousins, Rick Bowles, Michael Shimek, Jeremy and Jason Brown, Cassie Thompson and Matthew Jordan; and numerous other cousins.

**Captain Gary Peterson, Kappa 1977 and First Officer Stephen Wozniak, Kappa 1996** recently met while flying a Delta flight. Although separated by 18 years, the men shared memories of the Chapter during the flight to Ft. Lauderdale. They also were able to watch the Badgers play the Rose Bowl during their Florida layover.
