# Let's talk it over . . . . .

**I**N recent years many purveyors of pessimism have forecast the gradual demise of the fraternity system. A look at our own condition would not justify any such conclusion.

In my most recent chapter visitation trip, I found much to indicate strength and vitality. Our Chapters, for the most part, are prospering. Our alumni groups in the Midwest, the Pacific Northwest, California, Colorado, and Arizona, all held meetings on the occasion of my visit. A tremendous interest and enthusiasm was shown by the Alumni in the program of the present Chapters and on all sides an expressed desire for expansion into quality schools, particularly in areas where we presently have no Chapters.

Our Chapters are housed today better than ever before. The brief story in this issue describes recent improvements in chapter housing and future projects designed to improve living and study conditions. The investments in chapter properties are a reflection of tangible strength and of alumni confidence in the future of our Fraternity.

All the Alumni and undergraduate groups that we met on the February trip urged expansion. The Alumni in Oregon are most anxious to establish a colony at the University of Oregon, and we have received assurance from the school that our plans to colonize have an excellent chance of being approved. The Tri-County Chi Phi Club

of Santa Barbara, under the leadership of Lee Crawford, Lambda '51, is exploring the possibilities of colonizing at the University of California-Santa Barbara. The University of Arizona is adding several new groups to its existing fraternity system and there is reason to believe that Chi Phi will in the very near future receive an invitation from the administration to colonize there. A number of our Tucson Alumni are keenly interested in this project. The Chi Phi Club of Colorado is investigating colonization opportunities in the Colorado area. This activity has been directed by the president of the group, Donald Countryman, Sigma '40.

The following resolution was adopted by the House of Delegates at the November meeting of the National Interfraternity Conference: "Whereas the National Interfraternity Conference believes and stands for the strongest possible constructive development of the individual fraternity man and is dedicated to elimination of all forms of conduct which are inconsistent with this purpose, therefore be it,

RESOLVED: That the Conference reaffirms its condemnation of any and all activities of Fraternity members calculated to impose embarrassment, harassment, or physical or mental strain in connection with pledge training, initiation or pre-initiation procedures."

Chi Phi adopted this position many

years ago. However, we know that certain Chapters have continued to pursue such activities, in some cases in direct violation of University and College regulations. Hazing practices leading to tragic consequences of the type that occurred at the University of Southern California in the fall of 1959 will leave unremovable scars. Despite the circumstances surrounding such instances, when they occur the entire fraternity system is hurt. Our detractors are quick to use the facts against us. We urge all Alumni dealing directly with Chapters to summarily stop any such practices and to report any known violations of college and fraternity rules to Chi Phi Headquarters.

At the Council meeting held March 5, the National Director was authorized to prepare an overall plan of fraternity reorganization, with particular attention to a thorough-going and comprehensive ZONE organization, giving attention to available personnel to fill the positions therein, and to report such plan in as full detail as is practicable to a meeting of the Council as soon after June 1, 1960, as is feasible. The Council would appreciate receiving any suggestions pertaining to reorganizing the Zone structure.

*Respectfully submitted,*

## *A Few Words*

April 1, 1960

Dear Brothers:

In order for a fraternity to grow, expand and prosper, it must have new members just as a business must have new accounts to prosper. This fact, I think, is plain to all of us. Therefore, I am calling on all Alumni to give every possible assistance to the active Chapters by obtaining and recommending prospective rushees. One of the many ways in which you can help is by investigating the prospect before recommending him to our Chapters. This is important as it will save both time and money. If a prospect has outstanding characteristics and abilities, please make these facts known in your recommendation so that extra special effort can be made in rushing him.

NOW is the time to start rushing for next fall. We are losing many good boys and legacies because recommendations are too late. You should send in your names as soon as possible. Rushing is our most important summer project. It has become highly competitive and we cannot afford to be complacent about it. Let's all pitch in and make this our biggest and best year. It is a known fact that close coöperation between the undergraduates and Alumni is essential to a good Fraternity.

May I extend to each of you a most cordial invitation to attend the Congress to be held in Atlanta, Georgia, come September, 1960. Southern hospitality and foods await you. Come and bring your families, and renew your Chi Phi spirit and friends.

Fraternally,

## *Seriously!*

says **ROBERT LESCH**, Grand Beta

**T**HE other day, an irate father came into the office bent on starting a movement to legislate every Greek-letter organization in the state out of existence. It was the same old story. His son had come down here last fall with a serious purpose. He had been known as a good fellow in his home town but was clean in his habits. He had been a capable and conscientious worker in high school and the jobs he had held outside. Soon after he had arrived in Minneapolis, he was rushed by several of the fraternities and finally accepted the bid of one of them. According to his father, the net result of six months at the University is a craving for moonshine and poker, probation from the Student's Work Committee, and close to \$700 of the family's modest income wasted. A damning indictment indeed!

"Each year I am asked, 'What are the problems confronting the fraternities?' My answer is always the same: 'Solve the scholarship problem, and all other problems will fade into insignificance.'

"A short time ago I was asked by the editor of the magazine published by the Fraternity what we could best do to improve the Fraternity. I answered: 'Abolish Hell Week and tomfoolery before initiation, and forbid the Chapters to pledge or initiate any man who has not completed all of the work of the freshman year.' A former colleague of mine answered in favor of a new slogan: 'Beginning with 1924, see that every initiate graduates.'"

It all sounds very familiar, doesn't it? But these are not my words. They

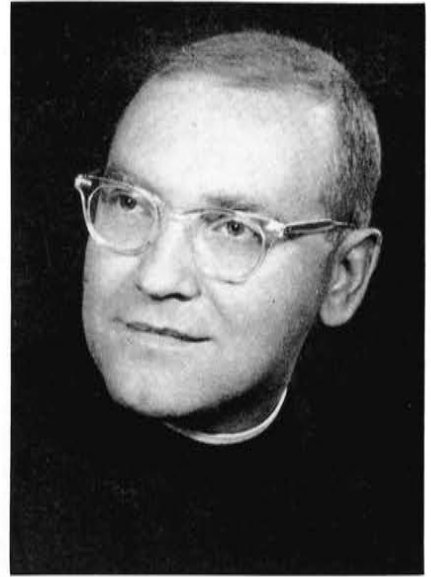

were written by some gentlemen back in 1924 on "The Fraternity problem."

But these excerpts do have a familiar ring—they sound similar to the "problems," the criticisms, and the things most commonly heard about fraternities today. It seems that the fraternity system does a poor public relations job. For this is the view that the vast majority of people have of fraternity life. Theirs is a very poor opinion of us, one not particularly unjustified because it seems that this is all they see or hear about us.

These two stories are representative of things within fraternity life which will always be with us, things which must be continually held in the correct perspective, and dealt with wisely. But the stories show only a part of the picture. They do show, however, that our reputation belies our greatest strengths.

Whether you are an undergraduate or a graduate you have probably been asked many times for opinions on fraternity life. Anxious parents preparing to send their son to the University might ask: What will the Fraternity do to my son? Will he become snobbish or conceited? Will it give him a false conception of life? Interfere with his studies, keep him out late nights? And so on down the line. Most of us have been asked such questions and have found it difficult to come up with the answers sometimes. What does one say? There is one broad and comprehensive answer. It is that the effect a Fraternity has on an individual is chiefly in the hands of the individual himself.

The fraternity ideal is a powerful

Robert Lesch, Gamma Delta '50, is rector of All Saints Episcopal Church, Minneapolis

thing. It has within it tremendous possibilities—both for good and for bad. It can do, and does, much for the character and ideals of the individual member. One of the first things a fraternity man must decide is how he is going to take the Fraternity. Take your Fraternity seriously. God forbid that we become a group of long-faced, glum-looking philosophers. We are not that, nor should we be. There are many types among us. Whatever the differences, we are bound strongly together as Chi Phis.

There are a great many aspects of fraternity life. The fraternity system has many facets—scholastic, ritualistic, social. No one of these aspects of fraternity life would I personally care to see removed. With the comment that most of the energies of the Fraternity are misdirected and wasted, I strongly disagree. The great good and the strengths that are inherent in the Fraternity are far too evident to me.

There are privileges and opportunities in a fraternity experience which should not be taken lightly. The quality and quantity of power involved is too great to permit or deserve trifling and carelessness. Choose to take the Fraternity seriously.

The powerful hold that a fraternity can have upon the respect and affections of its members is proof of the

**"I**N dedicating wood, glass, and stone, the hearts of men should also be dedicated to ideals and principles." With these words spoken by Rev. Jim Mead, Epsilon Delta, the dedication ceremony for the new Epsilon Delta chapter house began on February 6.

Master of Ceremonies, Elwood McKnight, introduced Alpha Bob Moody who welcomed Alumni and guests and then expressed the Chapter's appreciation for all the help the Alumni have given the Chapter.

Gordon Miles, president of Oregon State Chi Phi Assn., was introduced and gave a summary of the Association's part in building the new house. Dan Poling, dean of men, spoke highly of Chi Phi and expressed the belief that

Epsilon Delta will set the pace and be an example for other fraternities on the Oregon State College campus.

Brother Carl Gladfelter was introduced and spoke on the part that the national organization played in making the new house possible. Dr. A. L. Strand, president of Oregon State College, spoke on the vitality of fraternities and sororities.

Dr. Frederick Hunter, National Scholarship Chairman, was introduced and spoke on excellence in terms of scholarship and social development. Dr. Hunter also pointed out the fact that Epsilon Delta has gone below the all-men's average only three times in 11 years.

Ed Charman started the program of entertainment with a piano solo and

then Bob Moody and Dick Demers sang several ballads with guitar accomplishment. A German Band, organized by Dan Moore, played several off-key numbers accompanied by humorous dialog. Other members of the band were Jack Rauch, Fritz Schmidt, Frank Schmitroth, and Doug Nielson.

Perhaps the highlight of the program was the introduction of "Ma" Sutton who acted as Epsilon Delta's cook and housemother for over 20 years. The "Sweetheart of Epsilon Delta," Mrs. Edna Salmons, was also introduced. Mrs. Salmons has been our housemother for the past 13 years.

Following the dedication ceremony, Alumni and guests toured the house and talked over the days gone by.

# Atlanta Hosts 1960 Congress

**A**TLANTA, the center of our three Georgia Chapters and the home of the National Headquarters, will once again be host to the Congress. The dates selected are Sept. 6-9, immediately following Labor Day. This will be the eleventh Congress to be held in Georgia. The first was held in Athens in August, 1872, and the last was in Atlanta in 1953.

The 1960 Congress will be headquartered in the luxurious Atlanta Biltmore Hotel, with the Chi Phi Atlanta Alumni Assn. acting as hosts, assisted by the Georgia Chapters. Johnny Clifton, H '53, president of the Chi Phi Atlanta Alumni Assn. and his committee have planned a round of social activities.

Registration will begin on Tuesday, Sept. 6, and a STAG SMOKER will be held that evening at 7:30 P.M. in the Polynesian Lounge of the Biltmore Hotel. On Wednesday afternoon, starting at 5:00 P.M., there will be an OLD FASHION OUTING at the University Yacht Club on beautiful Lake Lanier. ## DEAR CHI PHI BROTHERS:

All Atlanta Chi Phis join with me in a cordial and personal invitation to each of you to attend our 1960 Congress.

Atlanta, the capital of Georgia, is the beautiful GATE CITY of the South. It is located in the foothills of the Blue Ridge mountains and is on the Chattahoochee River.

Our city is the economic, financial, cultural, and educational center of the southeast. It is famous for its beautiful homes, flowers, trees, parks and lakes and is the historic center of the "Gone with the Wind" era, but most of all, it is known for its beautiful girls.

You will find in Atlanta, the warmth of a hospitable people and whatever appeals to you in sports, recreation, social affairs, and scenic beauty, in addition to delightful fraternal association with Chi Phis, their wives and families.

During your visit with us it will be the special purpose of each Atlanta Chi Phi to make you as comfortable and as happy as is possible.

Fraternally yours,

## CHI PHI CONTINUES TO MOVE AHEAD

THE continued drive by Chi Phi Alumni and active members to improve housing has resulted in new and expanded physical facilities on a number of campuses. In the last 18 months Nu Chapter at the University of Texas and Epsilon Delta at Oregon State College have built and moved into beautiful new chapter houses. Pi at Northwestern bought a larger and more conveniently located house. Sigma at the University of Illinois recently completed major renovations on their house. Alpha-Tau at the University of Michigan has announced plans to completely renovate and enlarge the chapter house during the coming summer.

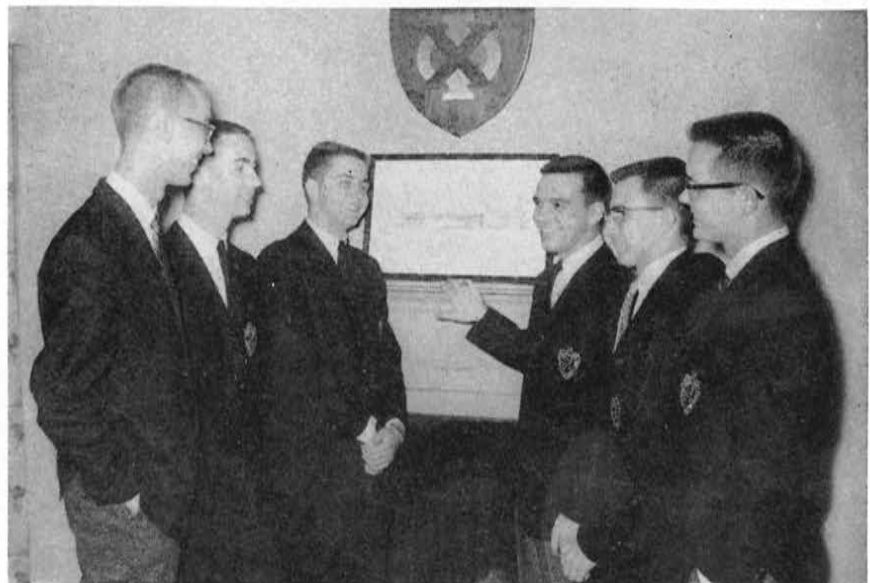

Members of Iota Delta at Indiana University will not forget Feb. 19, 1960, for a long time to come. On that day, Calvin Hamilton, Sigma '49, Alumni Adviser, along with Don Deganutti, Alpha of Iota Delta, Harry Ross, Epsilon, and Dave Cuttino, presented a check for \$1,000 to J. A. Franklin, vice president and treasurer of the University. This money was the initial payment for a lot on which a 75-man house will be built. Construction will start in 1961 and the house will be ready for occupancy in

September, 1962. The architects are Hill and Wupper of Indianapolis. Arthur Wupper is a member of Sigma Chapter, University of Illinois, '26. Following the presentation of the check, Iota Deltans gave a banquet at the house at which Brother Hamilton discussed the building of the new house.

# GAMMA PLEDGES BUILD STUDY ROOM

SUNDAY, Sept. 13, 1959, saw the beginning of a big year for 35 boys. This was Emory University's Pledge Day and the 35 turned up in the driveway of the Chi Phi house. Soon after their pledge ceremony and first pledge meeting, instructions began on what Gamma expects from a good pledge.

From the beginning this was a very cohesive group, brought even closer by the discipline of the Brothers and an organized Help Week. They took it upon themselves to attempt a project which they considered worthwhile to the Chapter. A study room was planned for a little-used portion of the third floor of the fraternity house. After this idea was submitted to the Chapter for its approval, work began. The pledges, mostly through their own funds and with the help of Brother Luther Hill Randall, Jr., Atlanta, purchased their material and, before winter initiation, completed the study room. It has already proved to be the great asset that they anticipated, as evidenced by its extensive use.

At the beginning of the winter quarter, the Executive Committee of the Chapter undertook to choose the best pledge of the year. This is a long-standing custom at Gamma. Every year the best pledge is given a trophy donated by the Brothers of the Chapter in memory of Lt. Goodrich C. White, Jr., an outstanding Gamma Brother who was killed in World War II. The recipient of this trophy is chosen through a system intended to grade the pledges on the five points which are stressed as leading to a good Chi Phi Brother. Each pledge is scored according to his participation and achievement in the fields of brotherhood, scholarship, athletics, social life, and extra-curricular activities, and the winner is announced at the Initiation Banquet after the initiation ceremony.

This year the banquet was held on Sunday evening, Feb. 13, at Tom Connally Hall. Besides the actives and pledges those in attendance were Bates Block; Charles Shepherd; Chapter Adviser, John Strother; Grand Alpha John Oliver; National Director Emeritus Luther Rosser; and our loyal Senior Brother, W. A. Haygood.

After a meal of Southern fried ham, the Chapter heard an address by our Grand Alpha, Brother Oliver, who told of his experiences in Chi Phi and presented his interpretation of the meaning the Fraternity holds in the lives of its members. After the address the pledge awards were presented, the trophy for Most Outstanding

Pledge going to Bob Ebird of Atlanta and runner up to Mervin Gould of Madison, Wis. The outgoing Alpha, Lee Garlington, was given an engraved gavel, as token of his office, in appreciation for his service to the Chapter.

The highlight of the evening came when Alpha Jack Butterworth presented Judge Rosser with a plaque emblematic of the Chapter's gratitude to this "Gamma Man." The Judge was warmly moved and responded with a note of thanks and a few words of encouraging counsel to his boys.

This concluded the events and activities of one of Gamma's best pledge classes in its 91-year history.—SID STRAIN.

## Second Chi Phi Becomes Dean of St. John the Divine

**W**HEN the Rev. John Vernon Butler, Phi '27, was installed as dean of the Cathedral Church of St. John the Divine, New York City, on March 12, he became the sixth dean of the Cathedral and a second Amherst Chi Phi to hold the position. Dr. Milo Gates, Phi '86, a past Grand Beta, was also dean.

The new dean is 53 years old, and was born in Worcester, Mass. He is a graduate of Amherst College, B.A., and The General Theological Seminary, S.T.B., 1930. He holds doctor of divinity degrees from Ripon and Amherst Colleges, and a doctor of sacred theology degree from The General Theological Seminary. He is an honorary canon of the Cathedral of the Diocese of Aberdeen and Orkney, Scotland.

Ordained deacon in 1930, Dr. Butler was appointed curate of Christ Church Cathedral, Springfield, Mass. When he was ordained to the Priesthood in 1931, he became curate of the Chapel of the Intercession of Trinity Parish, New York City. He was at the Chapel of the Intercession for two years, and then was rector of St.

Peter's Parish in Springfield, for nine years. In 1942 he became rector of St. Martin's Church, Providence, R. I., and remained in this position until he was called to Trinity Church in 1948.

Trinity Church has 1,846 communicants and 763 in its church school. During Dr. Butler's rectorship, the church has built and paid for a new parish house costing \$250,000. Under construction is a new parochial chapel, All Saints. Located in Princeton, it will be completed next summer at a cost of \$700,000.

Active on the national level of the Episcopal Church, Dr. Butler was a member of the National Council from 1952 to 1958 and during this time also served as chairman of the Curriculum Development Division. He was a de-

puty to the Church's triennial General Convention in 1946, 1949, 1955, and 1958.

In the Diocese of Western Massachusetts, Dr. Butler was a member of the Diocesan Council and chairman of the Department of Christian Social Relations for four years.

He later held the same positions in the Diocese of Rhode Island, serving on the Council four years and as chairman of Christian Social Relations two years.

In his present Diocese, New Jersey, he is a member of the Standing Committee and a member and former president of the Board of Managers of St. Martin's Retreat House, Bernardville. He has also been a member of the Cathedral Chapter and the Board of Missions.

Dr. Butler's wife is the former Mary E. McKee, of Worcester, Mass. They have two married daughters.

## Davis Wins Emory Award

**T**HE Executive Committee of the Emory Alumni Assn. presented the 17th annual Award of Honor to Walter R. Davis, Gamma '34, at a meeting in February. The award is made to an alumnus who contributes the greatest service either to the University or to the Association. In the case of Brother Davis, service has been rendered to both for he is alumni director of the University and has been since June 1, 1951.

This is not the first time his *alma mater* has honored him, but on the previous occasion the students themselves paid him homage. In 1952, they dedicated *The Campus*, Emory yearbook, to him.

Walt was born in Atlanta on June 26, 1914. He was educated in the public schools in Dalton and then went to Emory where he received his A.B. in 1934. That was a tough time to face the world and to earn a living. He served as clerk and administrative assistant with the National Youth Administration in Georgia from October, 1935, to September, 1936. For the next four years he was a

salesman and sales supervisor with the Milwaukee, Toledo, Great Lakes and Montgomery Coca-Cola Companies. In October, 1940, he became area director for the NYA and was with the government agency until he joined the Army in May, 1942. He rose from private to 1st lieutenant before he went with the War Manpower Commission in April, 1944. He served as administrative assistant there until September, 1946, when he became liaison representative with the Veterans Administration. In November, 1948, he became a field representative for Emory. For a year prior to his appointment as director he was acting alumni director.

On campus he belonged to OΔK and so you know that he was busy with extracurricular activities as a student. He has continued to work with and to help Gamma Chapter. He belongs to the Military Order of the World Wars, the American Legion, and has worked on the home service committee of the Atlanta Chapter of the Red Cross. In 1957 he worked on the self study committee of the American Alumni Council.

soundness of its ideals. The fraternity, basically, is dedicated to the development of character, leadership, and responsibility. It is a training ground for brotherly kindness, example, and advice, through which we help each other to recognize new duties and responsibilities. The qualities symbolized by our badge and represented in our ritual are among the finest guides to manly conduct. There is a feeling of rightful pride and a feeling of being fortunate to be associated with such a group. We are guided by a code which is ancient and honorable, and yet very simple. choice will also have its effect on the fraternity system as a whole. For the fraternity system will ultimately be judged by the manner of service it renders to the individual, and in a broader sense, to the academic community within which it exists. In the last analysis, its real place will be won by the test of scholarship and service, in balance with its other activities.

I am extremely proud of my membership in the Chi Phi Fraternity. I am very grateful for all that the Fraternity has done for me. It is my hope that I may remain useful to it, always, and in some way repay the great measure that I have received.

## Alumni Groups Discuss Plans

THE Gamma Delta Alumni met at a luncheon on Feb. 20 at the Frances Drake Hotel. Stuart Moore, ΓΔ '32, presided. Fifteen Alumni and actives were present. Jay B. Peterson, ΓΔ '15, a charter member of the Chapter, was present.

The Chi Phi Club of Portland, Oregon, had a dinner meeting on Feb. 3 and approximately 20 Alumni were present. Millard Hahn, A-T '33, presided. Gordon D. Miles, president of Oregon State Chi Phi Assn., spoke on the future plans of the Association.

A group of about 20 Lambda Alumni met at the Pacific Union Club for lunch on Feb. 9. Carl Gladfelter, National Director, was present. Plans for the new house were discussed. Howard F. Fletcher, A '16, former Grand Zeta from 1919-20, attended.

The Chi Phi Club of Colorado met in Denver at the 26 Club for a luncheon meeting. Don A. Countryman, Σ '40, presided. The National Director discussed present activities and future plans for the Fraternity and the group considered the various opportunities for a new Chapter in the Rocky Mountain area.

## Pi Holds Alumni Banquet

FOR the first half of the week of Feb. 15, Pi was host to the new National Director. On the last evening of Carl Gladfelter's visit, Pi Chapter held a banquet for Chi Phi Alumni in the area. For many, it was the first time they had been able to see the new house, but the banquet was not only a chance to get together and see the new house, but also an opportunity to meet the new National Director. Chuck Kallevang, president of the Chi Phi Club of Chicago, planned to attend, but due to an unexpected event was unable to come. However, the gathering went on, ably headed by Chi Phi Club's vice president, Dave Clark.

The big event of the evening was Brother Gladfelter's address. He spoke on topics ranging from alumni relations to the problems of acquiring new chapters.

Afterwards, we were able to chat informally with Brother Gladfelter and the Alumni. Everyone present had a good time. While we were unable to have such large gatherings at our old house, the new building enables us to serve dinner to 90 people. Since all the Brothers had such a good time, we are planning more get-togethers for Chi Phis in this area.

Those who attended were: Phil Guzzetta, II '57, Chapter Adviser and treasurer of Chi Phi Club of Chicago; Rudy Schlosser, II '52, Financial Adviser; Dave Clark, M '45, vice president of Chi Phi Club of Chicago; Don Armstrong, E '52, II '52; Bob Hoffman, S '34; Bob Brothersen, S; Jim Uthoff, II '54; Bert Houston, A '20, B '22; Dave Mac Lean, O '57; Ed Peterson, S '57; Dave

Fairfield, S '28; Walter Sorg, O '47; Don Cuthbertson, S '24; Tom Van Heule, II '57.

The Chapter enjoyed meeting with the National Director, and getting a chance to talk to him about the many different phases of Chi Phi, and are eagerly awaiting his next visit.—DICK WESTERMAN.

## They Paid Dues! Have You?

"Will begin residency in physical medicine and rehabilitation on July 1, 1960. Congratulations to the Pi Chapter on pledging 26 men. They are doing a fine job."—Robert P. Christopher, II '54.

"We need new Chapters in this fertile Pacific Northwest. It is growing very fast. There are Lewis & Clark, Linfield, Willamette and Pacific."—Floyd B. Willert, EA '23.

"My wife, two sons (Alexander and Matthew) and I will soon be living in Michigan where our address will be: 3415 Martin Drive, Ann Arbor."—Robert J. Pellico, ZA '57, B '57.

"Greetings to all Brothers."—James M. Thompson, I '50.

"Leave for Germany on Jan. 6 on free 2-year vacation. If any Chi Phis are going to Europe, I will be glad to see them."—Thomas E. McDaniel, S '59.

"Best wishes to our newly-elected Grand Alpha."—Andrew A. Raptis, Jr., E '56.

"I have just been elected president of our county nurserymen's association."—Robert J. Eshleman, Jr., AA '50.

"My son, Andrew C., is now a freshman and Chi Phi pledge at the University of Michigan, School of Architecture and Design."—Robert F. Dalzell, A-T '33.

"At present I am doing graduate work at Penn State and am living at the Alpha Delta Chapter house."—William H. Sowers, Z '59.

"Foreign posting with a major American petroleum company continues to be a challenging and interesting field of endeavor."—Nels I. Johnson, BA '51.

"Being in contact this past year with the Fraternity through CHAKETT has brought a great deal of enjoyment to me. Am sorry so many years have passed that I was out of touch with Chi Phi."—Bruce F. Johnston, AOX '35.

"Presently doing graduate work at Boston University. Hope to finish in June."—Richard S. Dunphy, A-T '55.

"Recently promoted from production manager to general manufacturing superintendent of Texas Instruments, Inc."—Ingram Lee, IIB '49.

"I always enjoy getting CHAKETT."—Vernon L. Burrows, S '25.

"I'm in the 6-months National Guard program and will be stationed at Fort Bliss, El Paso, Texas, in February."—J. Timothy Stevens, A-A '59.

"Even though BA may not be on the active rolls, the University football team surely was (Rose Bowl)."—Charles E. Coombs, Jr., BA '32.

"Retired June 30, 1959, after almost 25 years with Continental Casualty Co. in Chicago."—Harold McN. Rose, AA '13.

"Am now associated with my father (H '32) in insurance business in Columbus, Ga."—Arthur F. Dismukes, Jr., H '60.

"Complete training in March and will be commissioned 2nd lieutenant, U.S.M.C., with Navy's 'Wing of Gold.' CHAKETT helps very much in keeping in touch with Fraternity. Keep up good work."—Charles E. Pattillo, Jr., O '59.

## ***Illini Achiever***

ENGINEER, chemist, lawyer, farmer—reads like a *Who's Who in America*.

These are the prominent men honored with Illini Achievement Awards.

For the fourth consecutive year the University of Illinois Alumni Assn. will present the Illini Achievement Awards to four prominent men, at the June 18 commencement. With the presentation of the 1960 awards the total number to be so honored will be 12.

Originated in 1957, the UI Alumni Assn. at that time honored *Clifford F. Hood*, Sigma '15, Pittsburgh, Pa., 1915 graduate in electrical engineering, then president of United States Steel Corp.; *Charles B. Shuman*, Sullivan, 1928 graduate, farmer and president of the American Farm Bureau Federation; and *William E. Levis*, Toledo, Ohio, 1915 law graduate, formerly chairman of the Owens-Illinois Glass Co.

These men have visited the campus to receive their award certificates in person. The plan has been that with their wives they have been dinner guests of the Alumni Assn., on the evening previous to Commencement. At the Commencement ceremonies the next morning they have been presented to the audience and received their awards, then honored at the Alumni luncheon at the Illini Union. Usually they have greeted the alumni luncheon guests, saying a few words about their work.

Next June, the Alumni Assn., will pay tribute to *Herman C. Krannert*, Sigma '12, New Augusta, Ind., donor of over \$360,000 for the new Krannert Art Museum at the University, now under construction; *Robert L. Latzer*, '08, Highland, and *Arnold O. Beckman*, '22, Altadena, Cal.

*Mr. Krannert*, 72, a pioneer in the fibre box industry, formerly lived in Chicago. He worked his way through the University and began his career in the paper industry with the Seffon Co., becoming its youngest general manager at the Anderson, Ind., plant.

It was in the early 1920s *Mr. Krannert* became increasingly impressed with the mission of the container industry to improve the merchandising and distribution system of our economy. He founded Inland in 1925 with the belief that a quality shopping container, supported by service to the customer at a low cost, would permit a company to keep pace with the expanding requirements of the future.

Today Inland Container has 13 plants and with annual sales of more than 80 million dollars is known as one of the

three largest among 350 U.S. firms in its field. Several of its key executives are Illini, including the president, *George B. Elliott*, UI '28.

In 1940 Inland incorporated the Georgia Kraft Co., to assure it a supply of quality raw materials. The company built and operates two large container board mills at Macon and Rome, Ga., and owns a million acres of timberland in the Southeast.

*Mr. Krannert* is vice president and director of Georgia Kraft and Rome Kraft, and is active in numerous other business enterprises.

He also is a civic and philanthropic leader in Indianapolis and an art patron whose gift of more than \$360,000 is making possible the Krannert Art Museum on the University of Illinois campus, which will be opened this spring.

*Mr. Krannert* received an honorary degree from Indiana University in 1957. His Normandy Farm at New Augusta, is known as one of the outstanding Guernsey dairy and agricultural operations in the Midwest. —FRAN MYERS, *Urbana News-Gazette*, University Editor, in *Urbana News-Gazette*.

## ***Like Father***

A RARE event in professional circles will take place in Pittsburgh when a father bestows upon his son a life membership in the American Society of Civil Engineers.

The father is *Robert A. Cummings, Sr.*, 93, a consulting engineer, and the son is *Robert A. Cummings, Jr.*, Omicron '16, 66, also a consulting engineer.

Inasmuch as the engineer has to be over 70 years of age or a dues paying member for 35 years to rate a life membership, it is obvious that few fathers are still around to take part in such a ceremony.

But *Robert A. Cummings, Sr.*, is very much around and still active in his son's firm, *Robert A. Cummings, Jr. & Associates*.

*Mr. Cummings, Senior*, was born in England in 1866. He got his engineering training there and worked on the London Underground (subway) prior to moving to Philadelphia before the turn of the century.

The elder *Mr. Cummings* moved his family to Pittsburgh in 1900, and established his own consulting firm with offices here and in Philadelphia.

The younger *Cummings*, born in Philadelphia in 1893, was graduated from Yale University in 1916, and has been associated in business with his father ever since. The two live and do much of their work together at 5911 Elgin Avenue, East Liberty.

"Father is still healthy and gets around to the office (Downtown) occasionally," said the son. "However, we have moved a lot of our equipment to the house." —*Pittsburgh Post-Gazette*.

## ***Landscape Planner***

A NEW professional firm has opened its doors in Santa Fe under the name of *Franke and Cornell*, City Planners and Landscape Architects. The downtown office is at 235 Washington Ave., Suite 1.

In its strictly professional field, it is, as far as we know, the only one of its kind in the state. In Santa Fe, at least, it should mean two new classifications in the telephone directory—namely, one under the C's as City Planners, and the other under L's as Landscape Architects.

However, principal members of the firm and their work are not new to Santa Fe. All three have spent a major portion of their professional careers in the Southwest, giving them an ingrained understanding and appreciation of the distinctive character of this region. *Paul R. Franke, Jr.*, who has resided in Santa Fe for the past 10 years has done consultant city planning and master plan development for New Mexico towns for the past several years. While *Harvey Cornell*, Pi (Iowa State) '16, long time resident of the city, returned to Santa Fe in September from a tour of duty in Philadelphia.

With its members widely experienced in all phases of planning and landscape architecture, the new firm offers service to municipalities, metropolitan and regional areas in their planning needs, including the preparation of comprehensive general plans, zoning and subdivision studies, arterial street and highway plans, land use studies, urban renewal planning, economic development studies, traffic studies and specific development plans for municipal plants, industrial sites, housing and park areas.

*Cornell*, city planner and landscape architect, is a member of the American Society of Landscape Architects. He obtained his undergraduate degree at Iowa State University and his master's degree at Harvard University. His professional career began in 1924 with the long-established firm of *Morell and Nichols, Inc.*, landscape architects and city planners, Minneapolis, Minn. He became vice president, the firm name changing to *Nichols, Nason and Cornell, Inc.*

In the field of city planning and civic improvements, his firm made an enviable

reputation as planners for many of the cities and towns in the northwest. Campus planning was no small part of the work, and involved such schools as the University of Minnesota and its branches in St. Paul and Duluth; Washington State University, Pullman, Wash., and many colleges in that part of the country. It is impressive to note that in Minnesota alone, Mr. Cornell was a principal in planning consultant service to the State Board of Control in the preparation of master plans for many state institutions; to the State Park Commission; to the State Highway Commission; and to the city park departments in Minneapolis and St. Paul.

In the National Park Service, he held the positions of chief landscape architect in the regional office at Oklahoma City; assistant regional director in the region three office, Santa Fe; and supervising landscape architect, eastern office of design and construction, Philadelphia, responsible for the development of all National Park Service areas in the eastern half of the United States.

As a member of the firm of Franke and Cornell, he will devote his time not only to city planning problems, but to a wide range of projects including public building grounds, housing developments, park and private estates. Cornell, his wife and daughter live on Diolinda St., while a son attends the University of Colorado.—*The New Mexican*.

## Honors Calhoun

FRIENDS of Dr. F. Phinizy Calhoun, Eta '00, who ask to remain unidentified, have given \$500,000 to the Medical School to establish a professorship in ophthalmology honoring him. Said Emory's trustees in a resolution: "Beyond the opportunity for a strengthened medical program, this gift brings to the trustees a further deep satisfaction in that it honors Dr. F. Phinizy Calhoun, member of the Board of Trustees since 1931, graduate of the school of medicine of 1904, and professor of ophthalmology for 30 years."

Three generations of Calhouns have been professors of ophthalmology at the school. In 1910 Dr. Calhoun succeeded his father, Dr. Abner Wellborn Calhoun, as professor of ophthalmology, and was himself succeeded by his son, Dr. F. Phinizy Calhoun, Jr., Eta '32, in 1940. The medical library is a memorial to his father, who was widely known as the South's first specialist. A distinguished ophthalmologist, Dr. Calhoun is the author of numerous medical papers, a fellow of the American College of Surgeons, and a past president of the American Ophthalmological Society.—*Emory University Campus Report*.

Herbert Trotter, Jr., E '31, A '33, heads a new company

## Heads G.T.&E. Lab

ELECTION of Herbert Trotter, Jr., Epsilon '31, Alpha '33, as president of the new General Telephone & Electronics Laboratories, Inc., was announced on Jan. 11. The new organization is a wholly-owned subsidiary of the General Telephone & Electronics Corp. Mr. Trotter formerly was senior vice president for research and engineering for Sylvania Electric Products, Inc., another General Telephone & Electronics subsidiary.

In announcing Mr. Trotter's election, Donald C. Power, chairman of the parent organization, said that the new subsidiary would be engaged in a wide range of scientific activities in the communications and electronic fields.—*New York Times*.

\* \* \*

Brother Trotter had the unique distinction of being Alpha of Epsilon and Alpha Chapters in the same year.

## Bank Veepee

KENNETH A. SOUTHWORTH, JR., Mu '31, has been elected a vice president of The Bank of New York.

Joining the bank's staff in 1934 after completing an appointment as an instructor in the department of economics of engineering at Stevens, he has served continuously in its investment counsel department. For two semesters he was a visiting lecturer at the Stevens Graduate School on industrial finance.

A resident of Millburn, N. J., Mr. Southworth has acted as chairman of the Millburn Fund and is now completing his second term as president of the Wyoming Civic Assn.—*Stevens Indicator*.

## Alumni Trustee

E. RUSSELL WERDIN, Eta Delta '32, president-elect of the General Alumni Assn., was elected to succeed Dr. J. Howard Payne '42, as the third alumnus on the University Board of Trustees.

Werdin is owner and general manager of the Los Angeles Paving Co. He is a past president of the Vernon Chamber of Commerce and the Vernon Rotary Club and is a member of the University Club of Los Angeles, Wilshire Country Club, Al Malaikah Temple of the Shrine, Royal Order of Jesters, and Pentalpha lodge of the Masonic Order. He is a member of the Trojan Club, Commerce Associates, and Chi Phi Fraternity.

The new trustee and his wife, Henriette, have three children, a married daughter, a son in Valley State College and a girl in Immaculate Heart High School.—*USC Alumni Review*.

## Barrow Fund

THE University of Georgia Class of 1911 has established a \$50,000 fund in the University Foundation honoring the late Chancellor David C. Barrow, Eta '74. The University will use the gift to create the Barrow professorship in mathematics.

The project is being carried out in connection with the approaching 50th anniversary of the class, to be observed in 1961.

President O. C. Aderhold said the income from the fund will be used to supplement the salary of a University faculty member—not yet chosen—who will carry the title of "David C. Barrow Professor of Mathematics."

Chancellor Barrow served the University in that capacity from 1906 until his retirement in 1925. Before assuming the chancellorship he had been professor of mathematics, head of the engineering and mathematics departments, and dean of Franklin College, as it was then known. Born in 1852, he was graduated from the University in 1874. He died in 1929.—*Bulletin of the University of Georgia*.

## At Fort Benning

ARMY 2ND LT. ALBERT C. SIMMOND, III, Omicron '59, completed the officer basic course Feb. 25 at The Infantry School, Fort Benning, Ga. Lieutenant Simmonds was graduated from Phillips Exeter Academy High School, Exeter, N. H., in 1955 and from Yale University in New Haven, Conn., in 1959. He was employed by Union Carbide Corp., New York City, before entering the Army.

# Dr. Senior Advises UNC Chapter

**D**R. ROBERT J. SENIOR, Zeta '49, has been named the Faculty Adviser of the Alpha-Alpha Chapter at the University of North Carolina. The position was formerly and faithfully held by Roy Armstrong, Alpha-Alpha '26, who is now the executive secretary of the Morehead Foundation at UNC.

Upon graduation from Franklin and Marshall College, Dr. Senior served his *alma mater* as an instructor in biology. He then attended Jefferson Medical College where he was president of the  $\Phi\Pi\Sigma$  Medical Fraternity and of his graduating class. Following internship, he was a resident in pediatrics at the Buffalo Children's Hospital. He then joined the pediatric resident staff at the hospital of the University of North Carolina, this last year as chief resident. In July, 1959, he opened an office in Chapel Hill for the practice of pediatrics, and is an instructor in pediatrics at the UNC School of Medicine. Dr. and Mrs. Senior and their two children reside in Chapel Hill. Mrs. Senior is an alumna of UNC and is Adviser to her sorority, Kappa Delta.

## Glenn Honored

HONOR awards for "notable achievement in their fields" will be presented on Feb. 5 by Stevens Institute of Technology to two alumni at the annual Stevens Alumni Dinner at the Astor Hotel.

The recipients of the medallions will be Lyman A. Bliss of New York, the president of the Union Carbide Nuclear Company, a division of the Union Carbide Corporation, and the Rev. C. Leslie Glenn, Mu '21, a member of the Mental Health Research Institute at the University of Michigan.—*New York Herald Tribune*.

\* \* \*

Reverend Glenn gave the invocation at the banquet.

## Vice President

PAUL DUKE, Omega '46, has been elected vice president and director of L. B. Foster Co., national supplier of steel pipe, rail and sheet piling. Duke, a Tech All-America football player of the middle forties, has managed the company's regional office in Atlanta since it was established in 1955. Under his direction, the company's operations in the Southeast have expanded rapidly, especially in highway and heavy construction and in piping supplies.

# COLLEGE CHAPTERS

## Alpha Law Members Gain Recognition

C. I. JOHNSON, Alpha  
University of Virginia

ALPHA CHAPTER has five outstanding students in the University of Virginia Law School: Dabney Overton, John Stennis, Fred Wood, George Vest, and John Brinner. Brother Overton was elected president in the last election and was "tapped" by the Tilka Society for his superior leadership and academic record. Brother Overton and his associate won second place in the moot court competition that recently took place at the Law School. Brother Stennis was chosen for The Raven Society and OΔK for his achievement as a law student.

Alpha's new Brothers are Jack Ayres, Jack Berry, Ed Burgess, Carter Cornick, Bill Ender, Tom Gregory, Heyward Macdonald, Grayson McNair, and Bob Whitman. The new and old Brothers are presently engaged in an accelerated rushing program that will be climaxed on "Bid Sunday" with the handing out of bids to first-year men on Feb. 28.

Midwinter's Weekend at Alpha was the best party weekend of the year owing to the number of Alumni who returned to celebrate with the Brothers. Alpha is now looking forward to "Easter" and "Alumni Weekend." These two reunions of Alpha are traditionally weekends of conviviality that few can afford to miss. Plans are also

being made for the annual picnic which will take place in May.

The members of the Alpha basketball team that won third place in the league two years ago have been in hot practice the last two months. E. Hank Mole is captain of the team. Charlie Spink was awarded the Interfraternity Boxing Award. The competition was stiff until he entered the final matches of the semester where he, with ease, soundly drubbed the contenders from the Zete and Serpe Houses. Alex Turner was awarded a black Renault for his extra-curricular athletic pursuits sponsored by The School of Architecture.

In the last semester the dining and living rooms have been painted, and a new TV set and grand piano have been purchased to add to the entertainment facilities.

Sid Grine and Pat Vought were married in a late August wedding. Bob DeRosset and Nancy Hopkins were married in the early part of the Fall semester of last year. Mr. and Mrs. Norman Littlejohn are now the proud parents of a newly arrived boy, Norman Littlejohn, Jr.—T. WEST. GREGORY.

## Beta Welcomes 24 Alumni

ROBERT E. deMICHAELS, Alpha  
M.I.T.

BETA's most significant event has been the initiation of this year's pledge class. The class was initiated early in February following the usual Help Week festivities. The new Brothers are Fred Jancewicz '61, Bellows Falls, Vt., Neil Hull '63, Birmingham, Mich., Saul Cherkofsky, '63, Saugus, Jim Scheirer, '63, Allentown, Pa., Roger Frech '63, Rockford, Ill., Dave Gwinn '63, Huntington, W. Va., Don Yankovich '62, Wilkes-Barre, Pa., Neal Carron '63, Bogota, N. J., John Macrae '63, Park Forest, Ill., Bruce McCoy, '63, Dayton, Ohio, Fred Delse '63, Beachwood, Ohio, John Flaherty

'63, Delmar, N. Y., Frank Carman '63, Salt Lake City, Utah, Jim Graham '63, St. Louis, Mo., and Tony Doepken '63, Narberth, Pa. On Feb. 27 we celebrated this event with one of the largest initiation banquets in recent years. Our Alumni were out in force with representatives from many classes attending. Present at the banquet were Alfred Wason '20, Eldbridge Wason '20, Frank Kittredge '21, T. T. Miller '22, Cedric Valentine '26, Fred Grant '39, Bob Jevon '44, Ed Radford '44, Bill Shipman '48, Bill Lewis '49, Frank Finnegan '49, Ken Phillips '50, Clint Seeley '51, Bob Robertson '53, Ed Purcell '56, John Hartigan '56, Jack Broyles '56, Lloyd Brace '56, Terry Hoyt '58, Joe Gal '58, Dick Hagen '58, Willie Au '58, Vic Del Bene '58, and Bob Sawyer '59. Alpha Bob deMichaels presided over the banquet and the program, which included a talk by Fred Grant '39 and the introduction of the new initiates by Fred Delse '63.

The Chapter did quite well scholastically during the first term and, while the official figures are not yet out, we expect to stand among the top fraternities.—THOMAS O. HOLTEY.

## Gamma Alumni Get Refurnishing Plan

JACK BUTTERWORTH, Alpha  
Emory University

GAMMA, with the support of its Trust Assn., has launched a program to improve the accommodations in the fraternity house for those who live there. It involves a progressive acquisition of new furniture as the number of those staying in the house increases, and if everything goes well, this should result in refurnishing most of the rooms in a few years.

Dean Robinson, Emory's new Dean, was invited to dinner at one of our visitors' nights last quarter. After the meal he asked

Before the Beta initiation banquet the camera recorded Brothers Pete Sadow, Elliott Bayly, Cedric Valentine, and John Macrae. The dining room was filled by Alumni and actives.

to look over the house and was taken on a tour by the Executive Committee. We were pleased by his comments and his very favorable comparison of our house with other fraternities. This policy of inviting university officials and professors is one that has been quite successful in our faculty relations. The responses have been good both on the part of the members and visitors.

Our new sponsor is Mabel Griffin, a junior at Emory and daughter of the secretary of the school of business administration. Mabel has been a loyal Chi Phi Girl for a long time now and she was chosen as our sponsor at the Winter Formal in February.

New Gamma pledges include Vic Graymount, Robert Coffee, Hamp Whittle, and Henry Strozier. Plans are now being made for a spring rush weekend during which those high school seniors planning to attend Emory will be treated to a taste of college fraternity life. We would urge our Alumni to send recommendations that they might have for boys entering school next fall. It would be most helpful if Alumni would push the Fraternity to the rushees as this is a good introduction to Chi Phi.

During the campus-wide Dooley's Week there will be IFC dances and lawn display competition. Our own big spring weekend comes the second week in May when we will go up to Lake Winfield Scott for our second houseparty of the year.—SID STRAIN.

## **Delta Operates On New Budget**

ALEX RIZZER, Alpha  
Rutgers University

DELTA's new financial plan, initiated in September, proved highly successful during the first semester. There was a net profit resulting from the kitchen. Coördination between the Alumni Assn., the Brotherhood, and our accountant has been excellent, and, considering this is its first semester, the budget has worked out very well.

Spirit in the pledge class is running unusually high as Greek Week draws near. On Feb. 16, the pledges and Brothers participated in an enlightening discussion of fraternity ideals and purposes with Father Clarence Lamblet of the Episcopal Church at Rutgers. This, along with their pranks and some solid discipline from the Brotherhood, have boosted morale greatly.

Our Executive Committee is investigating the possibilities of a \$2,000 life insurance policy for each Brother. This plan would replace our sinking fund and cost each Brother approximately \$26.00 per undergraduate year. The Chapter would be named a beneficiary of \$250. Presently five Rutgers fraternities are successfully operating under this plan.

THE CHI PHI CHAKETT ■ April, 1960

Recent social highlights at Delta have been the Roman Toga Party and the Spaghetti Dinner, featuring "Chef" Bob Miller's delicious version of spaghetti. Plans for the coming Junior Prom weekend include a Roaring '20s party with the Dixieland music of the "Fat Chance Five plus One" and, though it may seem out of place at a '20s party, readings by a troupe of imported beatniks.—DAVID F. VAN DERVEER.

## **Zeta Athletes Lead Teams**

PETER C. KIRCHNER, Alpha  
Franklin & Marshall College

ZETA pledged 26 men at the beginning of the second semester: Jim Abrams, New York City; Bruce Althouse, Ed Carroll, Lancaster; Paul Bassett, Dave North, North Haven, Conn.; Ed Byrnes, Pittsburgh; Bill Ferry, Wilmington, Del.; Chuck Foresman, Loudonville, N. Y.; Rod Gabel, Pelham, N. Y.; Paul Harris, Rochester, N. Y.; Richie Hulse, Pete Spadanuta, Baldwin, N. Y.; Phil Johnson, Alexandria, Va.; Tom Lilly, Baltimore, Md.; Roland McEldowney, Northampton, Mass.; Neil Murchison, Tyrone; Terry Murphy, York; Ray Oberholtzer, Manheim; Jon Olexy, Plymouth; Dick Parker, Bridgeport; Chris Staff, Shrub Oak, N. Y.; Bob Stone, Mark Vaughn, Stamford, Conn.; Bob Wood, Bethlehem; Bob Barry, Waterbury, Conn., and Jeff Maddow, Swoyerville.

Four new lamps, four end tables, four easy chairs, two rugs, and a television set were recently purchased.

The F and M wrestling team, under the captainship of Skip Taylor and Cleon Cassel, and the swimming team, led by Captain Bob Smith, both enjoyed winning seasons this year. Brother Cassel is expected to give a fine account of himself in the Eastern Tournament at Princeton. Zeta is presently tied for first place in I-F basketball and leading in points toward the All-Sports trophy.

Snow ball Weekend was a huge success with Lionel Hampton playing on Friday evening, Julian "Cannonball" Adderly on Saturday afternoon, and a fraternity party that evening. Escorted by Garth Davis, Barbara Clark was named Queen of the weekend. Barbara was the third consecutive college weekend queen this year and all of them have been escorted by Chi Phis.

Fred Zehrer, Bill Erb, Charlie Smith and Bill Deal were recently pinned. Paul Grosh has been accepted at Hahnemann Medical School.—GEORGE W. BAKER, JR.

your Dues?**

## **Theta Raises Scholarship**

WALTER JACQUES, Alpha  
Rensselaer

PREPARATIONS are under way for Theta's fourth Alumni Reunion, to be held on Saturday, April 23. The tentative program includes a buffet at 11:00 a.m., a business meeting at 12:30 p.m., a lacrosse game against Yale at 2:30 p.m., to be followed by an open house and a banquet at 6:30 p.m. The highlight of the evening will be the presentation of 25-year pins to members of the Class of '35: Alfred R. Corneau, Lewis B. Crowell, George A. Endrich, Frederick L. Hauck, Eugene Kennedy, Francis B. Mero, Frank G. Pfau, and Charles W. Swift, Jr.

Rushing during the fall term ended with the pledging of 15: Herbert Beimgraben, Shemorock; Paul Constantine, Mahwah, N. J.; Fred Helwig, Waldwick, N. J.; Howard Henry, Hamburg; Thomas Jefferson, Westwood, N. J.; Carlos Leal, La Habana, Cuba; David Ellsworth, Roger Halverson, Joe Manas, Galway; Richard Langworth, Staten Island; Jim Magenis, Manhasset; Bill Messner, Nangatuck, Conn.; Pete Stambrook, Poughkeepsie; Ed Wine, Northeast Vienna, Va.; and Pete Zeisner, Bronxville. With only five seniors graduating in June, the Chapter should be back to its normal operating level next year.

Scholastically, the Chapter placed eighth out of 30 last term, by far the best performance in the last decade.

On the social side, Bob Torgusen '57 has become engaged to Ann Firth while Sparks Medal Winner for '57 and '58, George Maniatt '58, is engaged to Elsie Schulka. We were glad to see Bob Torgusen, Bob Ottone '58, Barry Weissman '58, and Pete Plath '58 back for Saturnalia, our Winter Weekend.

The new officers for the spring term are Walter Jacques, Alpha; Charley Wright, Beta; John Peller, Gamma; Lee Weitzenkorn, Delta; Ron Del Principe, Epsilon; Mike Smith, Zeta; and Art Jackson, social chairman.—MIKE SMITH.

## **Iota Alumni Plan State Rush**

GORDON D. MacKAY, Alpha  
Ohio State University

IOTA's new officers for the year are Gordon MacKay, Alpha; Hugh Groth, Beta; Lee Coppess, Gamma; Arthur Sherman, Delta; William Dauksch, Epsilon; Earl Viets, historian; Ernest Jones, pledge trainer; John Squire, social chairman; Edward Lingo, rushing chairman; Bruce Graber, steward; and Lee Webb, house manager.

Winter quarter initiation saw us add Jerry Greetham as a Brother. Both the

active and pledge bowling teams won trophies for the house. Both basketball teams made the intramural tournament before they were eliminated.

The winter social calendar was highlighted by the Bowery Party. We had a Valentine's Day Dance and a Dance Party with two other fraternities to end the quarter. At various times throughout the quarter stag parties were held for the purpose of entertaining rushees.

"Mom" Bleil is starting her second year with us. When one becomes a part of the group such as "Mom" has, it is hard to imagine what we did before she came. It has become a familiar sound to hear the bell ring at 10:30 and have "Mom" tell the boys she has sandwiches ready for them. We hope to have her with us for many years to come.

We have also started to expand our program of rushing to meet the new needs of the campus. Letters have been sent to all Franklin County Chi Phi's calling for a meeting to talk over rush problems. Members throughout the state will be contacted. Headed in Columbus by Brothers Hutchison and Pickens, they want our Alumni to talk about Fraternity to all boys coming to Ohio State. It is their opinion that the word of an older person will mean more to the parents of prospective students. We are hoping to have the all-out support of our Alumni. Can you give a few minutes of your time for Chi Phi and repay her for many happy hours while in college? For further information please take it upon yourselves to write either of the aforementioned Brothers in care of the chapter house at Ohio State.

Brother Brinkley has instituted a room-by-room remodeling plan for our house. So far one room is done and the second is nearing completion. He wants this work to be done exclusively by the Alumni. If you are unable to aid in the actual work, he hopes that you will compensate with a donation. Wouldn't a donation for the remodeling of a room be an ideal way to share your memories of Chi Phi with today's men? We will install a plaque on the door to perpetuate your gift. The men are continuing work on the recreation room and early next quarter will paint the dormitory.

We will not have an Alumni Weekend in May. We are planning a program to go along with next year's Homecoming. We hope you will get tickets for the game early and plan to visit with us. Again let me ask for your help in our rush program and let us know of boys coming to Ohio State. We all have a stake in the future of Chi Phi.—EARL VIETS.

**Dues are \$5**

## **Lambda Enjoys Olympic Games**

ROBERT H. POOL, Alpha  
University of California

Our one pledge for this semester is Steve Johnson, Palo Alto. Steve is a junior transfer from Yale. He has been active in cross-country running, occasionally paints for a hobby, and is majoring in business administration. We initiated four men this semester: Edwin Laufenberg, Stockton; Samuel Davis, Dunlap; Clifford Petersen, Santa Rosa, and Stephen Norwood, Altadena.

The officers for this semester are: Alpha, Robert Pool, Susanville; Beta, Kenneth Meade, Sausalito; Gamma, Thomas Russell, San Francisco; Epsilon, Stephen Norwood, Altadena; and Zeta, Robert Clark, Fullerton.

Our Chapter was recently visited by the National Director, Carl J. Gladfelter. We all enjoyed his visit and hope he and many other National Officers will visit us in the future.

A number of the Brothers of the chapter were able to see the Eighth Winter Olympic Games at Squaw Valley. Richard C. Ham donated tickets with arena seats for the games. We all enjoyed them immensely and wish to thank Brother Ham for the tickets.—ROBERT L. CLARK.

## **Mu Pledges Large Class**

BOB MARSHALL, Alpha  
Stevens Institute of Technology

With the enrollment of the Freshmen Class at Stevens at 360, Mu entered the 2-week period of closed rushing with hopes of attaining a large pledge class. Pledge night, Feb. 29, climaxed rushing with a pledge class of 22. This is the largest pledge class in the Chapter in more than 20 years. The new pledges are Allan Krauter, Jack Wirtz, Bill Bambrick, Daniel Dragolic, Stephen DeMay, Erich Mertz, Bill Hulbig, Peter Nowak, Ronald Eberhard, David Conaghan, Jim Foley, Larry Mannis, Ed Maiuro, Werner Ahrendt, Bob Fillinich, Dick Terry, Anthony Ippolito, Allen Anderson, Bert Johansson, Herb Hall, Ronald Lackusiewicz, and Karl Snyder. Almost all of the pledges have scholastic ratings above the all-men's average and six are on the Dean's List.

Green Gate took on a new look during the fall term and many more improvements have been slated for 1960. Almost every room, from penthouse to party room, has been redecorated. The penthouse has been made into two single rooms with new bunks in each and a lowered ceiling in one. On the third floor, double bunks

have been added to two of the rooms, while on the second floor there are double bunks in each of the four rooms. The addition of double bunks to the rooms allows for more usable space and also adds uniformity to each room in the house. We have five hi-fi sets and are in the process of completing a new stereo system. This term we received gifts from the Junior Class and from the Mothers' Club. The Junior Class had the front staircase and the second floor hall recarpeted, and the Mothers' Club gave us a set of 30 dining room chairs.

In the fall term, Lee Jacobi earned the greatest number of activity points of any man on campus, and this term he and Fred Clarke have taken over the position of co-business managers of *The Link*, the yearbook. Douglas Dean was instrumental in the rebirth of the Stevens radio network and he is now treasurer. Mu has membership in every major activity at Stevens.

The Chapter was well represented at the Winter Carnival Weekend. Acting as chaperones for the weekend were Dean Wellhausen, Mu, and his wife. At the formal Mu was presented with the I.F.C. trophy for having won the softball championship. The Chapter also had the highest percentage of men in attendance at the fraternity-sponsored Sweater Dance, for which it received a basket of cheer.

With the total membership at 45, Mu will continue to lead fraternities on campus in scholastics, activities, and social life. The officers for this term are Robert Marshall, Alpha; Douglas Wilkinson, Beta; Lee Jacobi, Gamma; George Meyer, Delta; Richard Spanier, Epsilon; and Anthony Mirabella, Zeta.—ANTHONY MIRABELLA.

## **Xi Members Improve Spirit**

ROBERT W. WARING, JR., Alpha  
Cornell University

On Feb. 13, Xi took in 21 pledges: John M. Brady, Kansas City, Mo.; Steven T. Cary, North Tonawanda; Rick Clark, Peter N. Lanken, Nutley, N. J.; Charles E. Clift III, Washington, D. C.; Newcomb D. Cole, Jr., New York; Douglas E. Cox, Sewickley, Pa.; Stephen H. Davenport, Winnetka, Ill.; Maurice W. Gerard, Woodbury Heights, N. J.; Jack C. Heitman, Wilmette, Ill.; Channing R. Jones, Catonsville, Md.; Neil K. Kochenour, Lancaster, Pa.; Donald F. Noord, Albany; Neil H. dePasquale, Harrison; William A. Relyea, Forest Hills; Harold V. Sallada, New Boston, N. H.; John C. Shea, Elizabeth, N. J.; Thomas L. Stirling, Jr., North Tarrytown; David M. Haines, Evanston, Ill.; Mario Concha, Pelham; Timothy P. Sullivan, Noroton, Conn. This, of

course, would not have been possible without the full cooperation given by the entire Chapter to the rushing committee and to David Gordon, the rushing chairman.

Robert W. Waring, Jr., was reelected Alpha; Donald L. Sayer, Beta, with Thomas N. Jones as Delta, Robert Allan Bell, Gamma, Joel L. Caves, Epsilon, and Douglas M. MacNeil, Zeta. Micheal S. Egan was elected the social chairman and Hal O. Binyon, III, was unanimously reelected steward.

On March 4-6, Cornell had its first double overnight for I.F.C. Weekend. Through the splendid planning of the social chairman and the steward, the weekend for Xi was most successful. On Friday night there was a riverboat party which took a great deal of time and planning as far as decorations and costumes were concerned. Saturday evening was strictly formal from 6:00-11:30. After an extremely well-prepared and well-served dinner, the Brothers gave a Pledge Formal in honor of our new pledge class. The orchids which were given to all the dates were supplied by Carl Fetzer to whom we give thanks. The evening was quietly finished with a rock n' roll party from 12:00-3:00 a.m.

If the work and planning which has been going on at Xi in the past few months is any indication of our ability to improve our own Chapter in scholastics, activities, and chapter spirit, then certainly we can aspire to be among the better fraternities at Cornell in the very near future.—DOUGLAS M. MACNEIL.

## **Pi Determined to Raise Grades**

JACK WILLIAMS, Alpha  
Northwestern University

AN expanded pledging program, the first in the new chapter house, was climaxed with the initiation of Pi's largest pledge class: Bill Appler, Fairfax, Va.; Dave Beinhoff, Barrington; Steve Fox, Skokie; Don Gibson, Indianapolis, Ind.; Bill Garrison, Bethesda, Md.; Jim Harff, Sheboygan, Wis.; Lance Kreps, Aurora, Colo.; Larry Lathom, Rockford; Ed Osterberg, San Antonio, Texas; Steve Ritchie, Haddonfield, N. J.; Bob Smith (Smitty), Johnstown, Pa.; Bob Venables, Wayne, N. J.; John Terhune, Burley, Idaho; Fritz Wagner, Evanston; Don Weber, Springfield; Tom Wilson, Round Lake; Tony Zaugh, Broadview.

Several changes have been made this quarter. The greatest one has been in the academic department. Unsatisfied with our grade average for fall quarter, the Brothers have been determined to bring the Chapter back to its traditional third out of 27 fraternities, although we wouldn't mind being first or second. After dinner, the dining

room is transformed into a large study hall to provide another place to study besides the rooms and the University library.

The social program has featured exchanges, parties, and a dinner dance. The exchanges have met with enthusiasm of Brothers and their guests. We gave the Winter Formal and a Square Dance.

The new National Director, Carl Gladfelter, visited the Chapter for three days. During his stay, a banquet was held for Pi Alumni and members of the Chi Phi Club of Chicago to give area Chi Phis a chance to meet him.—DICK WESTERMAN.

## **Rho Invites Alumni to Party**

JAMES HARTSEL, Alpha  
Lafayette College

AS soon as the students returned from their mid-semester vacation, the pledges began an extensive face-lifting on the first floor of the chapter house. Of the 13 pledges who participated in Help Week, eight became Brothers: Bruce Brodtkin, Frederick Curry, John Dillon, Herbert Grube, Harry Johnson, Larry Kruse, David Mayes, and Craig Shields.

Vallamont is now under the competent leadership of James Hartsel, a mechanical engineering student from Fort Lauderdale, Fla. The Beta is Wayne Wrightstone, Summit, N. J., and the Gamma is Bruce Applestein who hails from Morrisville. Kort Jenson, Greenwich, Conn., is our new Delta, and Richard Gilbert, West Reading, is Epsilon. The Zeta is Craig Shields, Huntington, N. Y.

Chi Phi has risen in its scholastic standing four notches over the place it held at the close of last year.

Recently the Chi Phi Alumni of the Easton Area met with the actives and made plans to widen the interests and responsibilities of all nearby Alumni. Plans are currently being made to honor our men of the Class of '35 with the Chi Phi silver 25-year pin and a small celebration. We hope to make this an annual occasion.—CRAIG M. SHIELDS.

## **Sigma's House Has New Furniture**

JAMES O. WETHERLY, Alpha  
University of Illinois

On the weekend of March 5-6, Sigma initiated 12 new men. These men, who had grade averages ranging from 3.4 to 4.87, show a great deal of promise: Richard L. Hutchinson, Michael H. Pleck, Steven L. Allison, Henry F. Blada, Joseph L. Andrews, Myron E. Taliadro, Robert J. Manfred, Dennis A. Huffington, Merle L. Krause, John C. Webber, William D. McDevitt, and

John C. Moore. The new initiates were welcomed by Russell L. Guin. Brother Guin stressed the need for scholastic achievement coupled with strong loyalty to the modern fraternity. The Jim Lee Pledge Scholarship Award, given to the pledge with the highest grade average, went to Mike Pleck. Jim Hoffman received the Clifford Hood Award given each semester to the active with the most improved grades. Several loyal Alumni, A. A. Jones '17, Joe Tomes '49, Bob Hoffman '33, John Riggs '56, and Dick Jones '50, were on hand for the initiation banquet. We hope to see more Alumni at future initiations. It is a wonderful opportunity to renew old friendships and make new ones.

The Initiation Banquet was a fitting climax for pledging for the Class of '63. The '63's carried on a number of projects that improved the house. They completely repainted both the basement and kitchen. They laid a bed of gravel around the rear of the house. They refinished all of the old furniture still remaining in the house. Thanks to the Alumni, Sigma boasts 10 complete sets of new desks, chairs, and dressers. The desks are of the new non-chip formica-top variety and have matching swivel chairs. The dressers are metal and large enough to accommodate even a college freshman. Thanks again, Alums.—BRIAN BERG.

## **Tau Celebrates 40th Anniversary**

JIM PARKER, Alpha  
University of Alabama

TAU CHAPTER initiated 12 Brothers last month: Blair Atkins, Buddy Jones, Lloyd Sereven, Mobile; Butch Burke, Columbus, Ga.; Bob Eager, Hurst Mauldin, Jr., Birmingham; Bob Hughes, Lincoln; George Kennedy, Troy; Austin Porter, III, Dannelon, Fla.; Edgar Sentell, Montgomery; and Doug Smith, Bessemer. We had a very successful rush week in January. The week featured a picnic at the farm of Charles Adams, several stag smokers, and was highlighted by a house dance. We have a piano in the party room in the basement.

The officers are James Parker, Fairhope, Alpha; Thomas Smitherman, Birmingham, Beta; Nelson Noel, Yardley, Pa.; Gamma; Gordon Pugsley, Pittsburgh, Pa.; Delta; Van Hayes, Birmingham, Epsilon; and Rufus Mosely, Tuscaloosa, Zeta.

The annual day for the return of Alumni to Tau, TAU DAY, will be held April 23, commemorating this year, the 40th anniversary of Tau Chapter. In keeping with this commemoration, the theme for the day will be "Forward from the Fortieth." For all who are able to arrive early, there will

be a luncheon at the noon hour, time for meetings and conversation with Alumni in the afternoon with a buffet supper at five and a stag party that evening. This year we hope for a record returning to present this year's achievements and make plans for next year's progress and growth.

Tommy Smitherman '62 served as chairman of the Student Association's committee for orientation of freshman students. Assisting him as chairman of convocations was Edgar Sentell. Brother Sentell is also working on the staff of the *Corolla*, the annual. Brother Smitherman has had the opportunity to continue his work with freshmen as chairman of the Interfraternity Council committee on rush and on the Freshman Advisory Council. Other activities include the Alabama Debate squad,  $\Phi\eta\Sigma$ , scholastic honorary, Student Government spirit planning committee, and Student Government assistant to the solicitor general. He was chosen one of the six most outstanding freshmen of the Class of 1962.

We had a rush party on March 12, inviting the top high school seniors from the state to the campus for the weekend. On April 9 we are having our annual Spring Formal at the McLester Hotel in Tuscaloosa. Our biggest rush party for the semester will be held the weekend of May 7. We will invite high school seniors for the weekend. There will be a Jukebox party Friday night, a picnic Saturday afternoon, and a house dance on Saturday night.

We have just completed a successful intramural basketball season, finishing third in our league, under the leadership of Ray "Ears" Moore, head basketball coach. The Chapter has purchased new athletic jerseys to be used during the coming softball season. In the current bowling season, our bowling team has won one game. This year is the first year for intramural swimming competition on the University campus. The U of A has just completed a new indoor swimming pool. Our swimming team did very well in its first year of competitive swimming.—RUFUS MOSELY.

## Chi Graduates

### Plan Further Work

FORD A. DALEY, Alpha  
Dartmouth College

THIS will be the last article that I will write for the CHAKETT and I would like to take this opportunity to thank the many brothers who have written to me. These men are keeping in touch with their local chapter and not forgetting what it means to be a Chi Phi.

Graduation is approaching. Past Alpha Wally Smith is planning on a trip to the West Coast before settling down to make

his first million. J. Paul Getty, beware! Delta Ellio Carr is debating whether he will work for the government next year or go to graduate school in economics. Gorday Haw, Jim Reece, and Dave Mills have completed the first year at Tuck. Reece, who is entering the Navy this summer, is now engaged to "Flash." Another engaged senior is Dick Sutliff who will be married this June before entering the Army as an officer. Nick Muller IV is on the scene. "Pooh" and Nancy collaborated on this joint effort. Our other married seniors are Dick Baldwin and Cliff Ross. Gene Reilly will be at a graduate school in geography. Our two  $\Phi\text{BKs}$ , Mouse Myhrman and George Stambolian, will be attending graduate schools in geology and comparative literature, respectively. Sim Cantril will be either in Harvard or Dartmouth Medical School while Dick Raymer will probably be at Columbia Law School. Steve Atwater lost a term due to illness and will be here in the fall to serve as vice president and rushing chairman. As for Denny Shea, if he isn't in a graduate school of business, he's going to be very unhappy. Uncle Sam has claimed him as a ROTC officer for the Filibuster Corps.

Our 1960-61 Alpha is Ford Daley '61, Shelton, Conn. Ford is an outstanding track man. Beta Steve Atwater '60 is making the spring trip with the varsity golf team. The Gamma is Parker Albee '61. Swimmer John Benepe holds the post of Delta and intends to surpass "Horse" and "Honey" in their pleas for money. Zeta Pete McCrea will handle special events this year which should prove warmer than building snow statues for the Carnival Council. Epsilon Hartley Webster is our new social chairman and intends to run some novelty parties. The post of member-at-large on the Executive Committee was filled by John "Windy" Manske who is a 3-year veteran of the integrity committee.

As of this writing, only one man has left school. We have been successful athletically finishing first in fall sports and doing fairly well during the winter. The ping-pong team took second place while the hockey team posted a 4-1 records. Only a 3-1 loss to Theta "Boom Boom" on a night when we were down to six men cost us second place in the college.—DENNIS SHEA.

## Chi Revises By-Laws

By last spring a number of Brothers felt it necessary to completely revise the Chapter By-Laws which were last revised in 1937. Antiquated, they were hardly capable of serving the present needs of the Chapter and in many cases their terms failed to comply with the present operation of the Chapter. Alpha Wallace Smith was especially aware of the need for revision and in September he appointed a committee for

the revision of the by-laws, composed of Sim Cantril '60, George Stambolian '60, Dick Sutliff '60, and Park Albee '61.

It was realized that a document must be drawn up which, first, would meet the needs of the Chapter and solve the present administrative problems. Secondly, the document created must be acceptable to the Chapter. To help obtain the latter goal, all members of the Chapter were invited to make recommendations to the committee and discuss any aspects of revision. Many members afforded themselves of the opportunity with the beneficial result that a greater variety of ideas were presented. Many officers were called before the committee for suggestions. These officers were quite helpful in revealing the administrative difficulties present in their respective offices.

The draft of the proposed By-Laws was presented to the Chapter at an official meeting on Feb. 17, 1960, for discussion. Most of the draft was acceptable to the Chapter and many of the controversial sections were settled by minor adjustments. In a few instances where there was general disagreement, sections were radically altered. By the time the long meeting was terminated the draft was acceptable to the majority.

The committee presented the formal document to the Chapter on Feb. 24. Upon the By-Laws receiving the signatures of 41 Brothers, the two-thirds vote necessary for ratification had been obtained and the work of the committee was finally over. Alpha Smith affixed his signature to the By-Laws as his last official duty as Alpha.—PARKER ALBEE, *Gamma*.

## Psi Rushes

### Under New Rule

JAMES K. CASSEDY, JR., Alpha  
Lehigh University

IN scholarship for fall semester, Psi's cumulative average was 2.156, which was higher than that of the previous semester. In spite of this we dropped slightly in ranking, finishing 26th out of 73 living groups in the University and 14th out of the 30 fraternities.

On Feb. 7, three men were initiated: William H. Briggs, Charles W. Semisch, IV, and Gilbert J. Milan. Bill Semisch's father, Alpha Delta '29, was present at the initiation ceremony.

We are now in the middle of our freshman-contacting period which precedes formal rushing. Under Lehigh's present system, contacting the freshmen in their rooms is permitted between 1 p.m. and 8 p.m., Monday through Friday, and from 1 p.m. to 6 p.m. on Saturday. This arrangement lasts for six weeks preceding spring vacation. Formal rushing takes place during the eight days following spring vacation. Our Chap-

ter has adopted a policy requiring each man to rush four nights a week, from after dinner until 8 o'clock. A quiz on the following day or several other reasons may excuse a man from rushing on a particular night.

The main all-University social weekends are I.F.C. and Spring Houseparty. Toward the end of the semester Psi will have the annual Pledge-Brother Weekend and Senior Weekend.—CARL F. MEITZNER.

## **Omega Sets New Social Assessment**

NED NEELY, Alpha  
Georgia Institute of Technology

OMEGA'S pledge class undertook resurfacing the worn areas of the floors in the sleeping quarters. All of the wooden areas were covered with rubber tile. The pledges repainted the second floor and repaired several places in the walls where the plaster had fallen. A storage room on the third floor was converted into a guest room. The general appearance of the house has been greatly improved by these alterations.

Help Week for the pledges was held during the week of Feb. 15. On Feb. 21, initiation was held for Bill Avera, Bob Holman, and Dick Lea. After the ceremony there was a turkey dinner for the men and their dates.

By unanimous vote, a new system of raising money for social functions was inaugurated. The Brothers and pledges will be assessed a definite social fee per month. This money will be used for dances every week or so, and the money left over will go toward a big social function at the end of the quarter. Tentatively planned is a Chakett Ball at which Ann Bellman, the Chapter's sweetheart, will be introduced.—JOHN PORTER.

## **Alpha-Alpha Fails to Raise Grades**

MARSHALL M. BLYTHE, Alpha  
University of North Carolina

THIS has been a good year for Alpha-Alpha, with only a few shortcomings. Our scholarship has been one of those. This is one field which will need to be improved in the coming semester.

At the beginning of the second semester, we held informal rush, and five boys were pledged: Jim Cobb, Tony Lynch, Buddy Mareness, Jack Spencer, and Warren Williams.

Chapel Hill has been plagued by snow this year, but we have taken the opportunity to have sledding parties and snowball fights. There should be a big change when we go on our annual beach weekend the last of April.

Alpha-Alpha would like to extend our

warmest thanks to Bill Hockman and Bill Wardlaw for their generous contributions towards the building of a girls' powder room. This is in connection with our long-range plans to do some extensive remodeling and improvement on our house.

With graduation in June, Alpha-Alpha loses four Brothers: Tom Allred, Buddy Coggins, Glenn Greene, and Lee Kenan.—WARREN JACKSON.

## **Alpha-Tau Plans Hostel Booth**

PHILIP M. IDEMA, Alpha  
University of Michigan

ALPHA-TAU'S new Alpha is Philip M. Idema, a junior from Grand Rapids who is majoring in English. The Beta is Richard Tanke, a junior chemical engineer from Detroit. The Delta is Kurt Eckrich, a junior in business administration from Fort Wayne, Ind. The Gamma is Al Butzbaugh, a sophomore in L.S.A. from Benton Harbor. The Zeta is Kurtz Downer, a sophomore in aeronautical engineering from Saginaw. We give thanks to the past officers: Alpha, David Pipple, Beta, Sam Hall, Delta, Larry Peters, Gamma, David Beste, Zeta, Jim Savel.

Alpha-Tau is engaged in rush. Besides our ever-present homework, entertainment booth plans for Michigras have kept us busy. We have decided on a Swiss youth hostel which we know will be impressive.

Recently we ran in the 800 relays and are now in the playoffs in both A & B basketball. We hope that with expected points gained in these events, we can improve our already respectable position of 18th by at least eight places.—MICHAEL SEIDEL.

## **Alpha Delta Aided by Coeds in Rush**

JOHN R. BUCHART, Alpha  
Penn State University

AN innovation in the rushing program has been initiated on a trial basis. Each night we have a different sorority send five girls who help us rush the five or six freshmen who are here for dinner every night. The girls are a help in determining the social adaptability of the rushees. To date we have seven men ready to be pledged.

Spring Week is rapidly approaching. This year we are working with AΞΔ and, although it is still a month and a half away, there is much enthusiasm. The theme for the float parade will be "Hansel and Gretel" and the theme chosen from the children's story category for the carnival and skit is "Three Little Pigs" (in Hawaii).

This semester a Brother has returned from the U.S. Army to complete his col-

lege education.—Raleigh M. Clark, better known as Pete.—ANDREW W. SCHULTZ.

## **Gamma Delta Moms Reorganize Club**

CLARK JOHNSON, Alpha  
University of Minnesota

GAMMA DELTA had a fine scholarship record last quarter with a grade point average of 2.65 on the 4.0 system.

Three new brothers were initiated in February: Roy Jacobson, Curtis Brandon, and Obie Heston. Chapter elections took place in January. The new officers are Clark Johnson, Alpha; James Cabak, Beta; Larry Roberts, Gamma; Robert Rice, Delta; and Duane Johnson, Zeta.

Gamma Delta was honored by a visit from our new National Director, Carl Gladfelter, the first week in February. Brother Gladfelter gave us information on what other Chapters are doing to improve rush as well as a general lift in spirit.

Under the leadership of our Alpha, Clark Johnson, the Mothers' Club has been reorganized. In the past this Club has done many useful things for our house including repairing furniture, buying dishes, cleaning drapes, and helping to keep the house in good condition physically. We are looking forward to helping them improve our house.

We are beginning to realize the benefits of our accelerated rushing this quarter, with three new pledges in early March. The prospects look good for a pledge class of 15 in spring quarter. This is the goal set by the Chapter to insure a full house next fall.

The best of our parties was our annual Pajama Party in January. Plans are now being made for our spring formal which is to be held at the White Pine Inn near Stillwater on May 21. We would like to take this opportunity to invite all Alumni in this area to attend.—DUANE JOHNSON.

## **Zeta Delta Boasts 76 Members**

DAVID W. GOOGINS, Alpha  
University of Connecticut

ZETA DELTA is in a favorable position as it faces the spring semester. Due to the outstanding spirit of the brotherhood and fine management by the retiring officers the Chapter is in excellent shape in manpower and finances, and showing a marked improvement in scholarship.

The officers for the spring are: Dave Googins, Alpha; Jim Wheeland, Beta; Mike Dalton, Gamma; Charlie Glendon, Delta; Skip Novak, Epsilon; Bill Stockwell, Zeta; Fred Schmidt, steward; Don Nierling, house manager; Fran Arnold, corresponding secretary; and John Saulys, pledge master. Russ Stockman is assisting Charlie with the finan-

cial operations and Fred Larson is acting as the steward's right-hand man.

Our present 22 man pledge class is expected to be initiated early in April, which will bring the total strength of the brotherhood to 76. With prospects for some six new pledges as a result of spring rush, we should return next year in the same position which we now hold—the strongest on campus.

Spring Weekend is slated to terminate Greek Week, and the Brothers are in the process of selecting the song which they will perform for the Greek Sing under the tutelage of Johnny Rea as song chairman.

Al Kaminsky and Nick Fanelli are hard at work planning Parents' Day, and Ken Meyer is doing the preliminary spade-work for the coming purchase of new lounge furniture.

Brian Simmons and Dave Reed were graduated in February. Dave will "walk down the aisle" in late summer—the bride-to-be is "Marty" Wilson, KKT. Plans are being formulated for the Zeta Delta Alumni Assn's Annual Senior Dance. Ron Larcheveque, past Alpha, is in charge of this event.—WILLIAM STOCKWELL.

## **Eta Delta Works on Scholarship**

PAUL SMEDLEY, Alpha  
University of Southern California

BROTHERS elected Paul Smedley to be their Alpha. Paul is a junior, majoring in international relations, and boasts the highest grade point average in the Chapter. Tom Greely is our Beta. Tom is a junior in the U. S. C. school of engineering. He ranks second to Paul in grades. The Gamma's pencil will again be pushed this year by Bruce Anderson. Bruce is a junior majoring in business administration. Our Delta is Bill Hare, a senior, majoring in transportation. With this group of men, a new scholarship program is underway as well as a house building program.

We were glad to see Carl Gladfelter last February. His visit was a beneficial one. With his aid in rushing, we have reorganized our program. Rushing this past few weeks brought three new pledges. John Zorger, a freshman from Westchester, along with Ronald Sugarman, a sophomore from Tujunga, comprise our lower division pledges. Our other pledge, Bill Block, is a junior from Indianapolis, Ind. Bill is the head varsity track manager for the Trojan team. Ron Sugarman has taken a very active part in politics, being the national chairman of the Youth for Kennedy organization.

The Work Week between semesters brought to the Eta Delta Chapter a new paint job both inside and out. Pledges and

actives worked for five days painting the exterior and putting new ceilings in the living room and kitchen. New color was added to the downstairs and upstairs halls as well as bedrooms and kitchen. Pledge-master Ken Starbird had his pledges really working as the actives pitched in with some advice along with work. New initiates were Dennis Dalsimer, Albert Woodward, Richard Hare, Timothy Mead, and Don George.

Frank McConnell and Jack Kuhns will run hurdles on the track team while Don George will run low hurdles and the sprints, with Pledge Bill Block acting as the manager. With this foursome, U.S.C. will attempt to gain its 16th NCAA championship title. Ken Starbird, Bill Hare, and Tim Mead are cycling enthusiasts. They have weekly rides of over 80 miles. Their imported bicycles are capable of over 65 mph. Ken is currently training for a berth on the 1960 Olympic Team, riding a tandem bicycle. Doug "Spike" Norwood is the captain of the USC bowling team. Richard Hare is playing freshman basketball at the forward position.

Our social schedule will take a back seat to our scholarship program this semester. We will limit ourselves to one party per month due to the stepped-up efforts on our part to improve our scholastic rank. Plans are now under way for a Revolution Party along with our Spring Formal. We will continue to have many TGIF's and exchanges with the sororities. Our next is a Friday afternoon party with the Pi Phis.

Tape recorders are quite the thing around the house now. Many of the Brothers can be seen or heard recording every thing from bull sessions to lectures in class. The use of these machines is proving beneficial to our social as well as scholastic betterment.

We are looking forward to seeing many of our Alumni at the April Founders' Day Banquet. This will be held at the Roger Young Hall and will be our 26th anniversary. The Alumni Committee is working very hard to make this a memorable and informative evening.—MIKE THOMAS.

## **Theta Delta Has 500 on Rolls**

BRACE BATEMAN, Alpha  
University of Florida

THE first big event here was the initiation of 17: Lee Bettis, Ken Lloyd, Bill Gorman, Bob Smith, Ed O'Neil, Marty Jensen, Don Bode, Doug deWolfe, Dennis Drummond, Jack Thomas, Doug Ambler, John Douglass, Charles Boaz, Jon Eddington, Rodolfo Barrantes, Lynn Erickson, and Banks Prevatt. With this group of men,

the total number initiated during our 25 years in Florida has just exceeded the 500 mark.

Another addition was the installation of new dining room fixtures. Our social chairman must have thought that we had too much light because this Semester he is sponsoring a candlelight supper at least once a week. The 42 dates at a recent dinner were quite impressed, especially with the pianist whom we hired to play mood music during the dinner hour. Another first was the hiring of a band for a social with A.O.I.I. We had the entire 65-member sorority over to the house for dessert and dancing for an hour after supper.

On Feb. 14, we had a tea for our housemother, Mrs. Langdon. Among those attending were, the president of the University and many deans. We were also able to show off our new sterling silver service. The first party of the semester was a Valentine's Day party. Between 60 and 70 couples attended. Our last party had a beatnik theme with everything from beards to poetry.

Scholastically Theta Delta fared well last semester. We were well above the non-fraternity men's average. In the political field things are looking good. If all goes well, Theta Delta will see Frank King the new president of Lyceum Council of the student body.

We would like to thank the many Alumni who have dropped in while they were in, or passing through, Gainesville. Dinner is served at 6 P.M. and we would like to see many more of you in the future.—RICHARD CEHON.

## **Iota Delta Sets Pace for Chapters**

DONALD DEGANUTTI, Alpha  
Indiana University

THE Iota Delta Chapter sprang off to another fast start in its second year on the Indiana University campus. The very successful fall semester of 1959, coupled with its highly successful year of 1958-59, placed the Chi Phis in the "upper crust" of the 30 fraternities on this campus. We told you about our booth in Fall Carnival and our prize-winning Homecoming decorations in February. The Sweater Queen Contest found us backing an attractive Alpha Phi, Peggy Feidler. With our support she was voted into the final five contestants for the crown. This gives us a 1.000 batting average in this department. Last year we backed three beautiful coeds in various beauty contests, and all three reached the final round of five.

Demonstrating that we are true basketball-conscious Hoosiers, one of the Chi Phi basketball teams won the campus tourna-

Iota Delta initiates display their initiation banquet cake before the festive dinner. Left to right: Brothers Ross, Holcomb, Cook, Russ, Frank, Knartzer, Ruddick, Wetzal, Marsh, Kuss, and Khouja

ment, defeating  $\text{AT}\Omega$  in the finals, 33-30. For this accomplishment we received another trophy.

However, our Chapter not only has been entering activities as a unit, but many individuals are participating in campus organizations. Jim Russ is vice president of the Sophomore Class, secretary of the Interfraternity Council, chairman of arrangements for the Campus Quiz Bowl, and general chairman of the Little United Nations Assembly, which is held annually on this campus. Don Coffey is president of the Insurance Club; Mike Canine is president of the Falcon Club; and Phil Jones is president of the Radio-TV Club, in addition to having a daily radio program on station WFIU and being a member of  $\Sigma\Delta X$ , journalism. The vice president of the Cosmopolitan Club is Paul Frenz and Moe Khouja serves as vice president of the United Arab League. Gayl Doster acts as treasurer of  $\text{KK}\Psi$ , bandsmen, in addition to being a 4-year veteran of the world famous Indiana University Marching 100. Don Meyer and Mike Canine were two of the select few who were chosen to form the I.U. Foundation, which annually sponsors the Little 500 Bicycle Race. Jack Frantz is on the steering committee of the student athletic committee, in addition to being a member of the Falcon Club along with Leo Carrabine. The Sphinx Club claims Don Coffey and Don Deganutti, while the Skull and Crescent Club has Jim Russ and Jack Hawkins in its membership. Steve Givens is on the fencing team; Ron Miller spends many hours on *The Indiana Daily Student*, and Pat McKeand is on the *Arbutus* staff. And to complete this partial list of our activity-wise men, Jack Noennig and Barry Ashton play in the I.U. Philharmonic Orchestra. Even our housemother, Mrs. Rodarmel, has been caught up in the movement to push our name on the Indiana University campus. She is president of the housemothers Assn.

On the weekend of Nov. 11, 1959, the Iota Delta Chapter initiated 11 Brothers. The "Sacred Eleven," as they were known, included: Thomas Cook; Philip Frank; Paul Holcomb; Mohamed Khouja; Edward Knartzer; Robert Kuss; Blaine Marsh; Harry Ross; Robert Ruddick; James Russ; and William Wetzal. The outstanding pledge was James Russ.

At Christmas, the house was the proud recipient of a beautiful 21-inch console television set. It was a gift from the graduating seniors and the Chi Phi parents.

Iota Delta elected new officers at the beginning of the spring semester: Alpha, Don Deganutti; Beta, Chick Gordon; Gamma, Jack Frantz; Delta, Harry Ross; Epsilon, Jim Russ; Zeta, John Craft; rush chairman, Bob Ruddick; social chairman, Dave Engel; pledge trainer, Ed Knartzer; and athletic chairman, Charles Hartman.

Under the able leadership of Bob Ruddick, Iota Delta completed a successful rush season. We have 27 pledges for the spring semester: Arnold Applegate, Noblesville; Barry Ashton, Warsaw; Jerry Beaumont, Ellettsville; Richard Bowyer (treasurer), South Bend; Robert Bransford, Jerry Carmichael, John Franz, Gordon Hayward (secretary), Indianapolis; Michael Brockman, Connersville; John Carrabine, Gary; Richard Davis (president), Columbus; Richard Fogle, Wanatah; Jerry Gaines, Waldron; Robert Helt, Elizabethtown; Thomas Hodson (vice president), Wabash; James Hufstetler, Marietta, Ga.; William Jones (social chairman), Plainfield; Paul Lamirand, Mishawaka; Arnold London, La Porte; Patrick McKeand, Stephen Givens, Anderson; John Moore, Terre Haute; John Noennig, Hamburg, Minn.; Norman Schultz, Huntington, N. Y.; and Gerald Walter, Dyer. We have reason to be proud of these men and we can be sure that they will uphold Chi Phi's traditions throughout the next three years. This is 12 more than any other pledge class on campus. The scholastic accumulative average of these

men is 1.8, based on a 3.0 system.

Iota Delta elected a new Alumni Adviser at the beginning of the spring semester. Calvin Hamilton was our selection. In addition to being a devoted fraternity man, he is the head of the Metropolitan Planning Commission of Indianapolis. Irving B. Countryman had served as our Adviser since our founding at Indiana University. But he was forced to resign when he moved to Colorado. The Chapter owes much to Brother Countryman for all the time he spent working with us to establish Chi Phi at I.U.

We welcomed 10 new brothers into the chapter room on March 6: Frederic Arnold, Logan Boyd, Michael Carter, Gordon Gouveia, Jack Hawkins, Richard Miller, Ronald Miller, Thomas Minnick, Robert Neff, and Jerry Smith. The outstanding pledge award went to Ronald Miller.

This Chi Phi pledge class gave the Fraternity city and campus-wide publicity last fall when it undertook the complete interior remodeling of the Bloomington Boys' Club. This huge task entailed the construction of new ceilings, among other things. The pledge class received a plaque at their initiation banquet in appreciation of the fine job which they did.

Not only is Iota Delta looking back with pride at its accomplishments thus far in 1959-60, but it is looking forward to future activities. The Little 500 Bicycle Race will be held on May 14, and our team is busily engaged in practice. We have entered this, the greatest of all Indiana University activities, for two years, having placed eighth and fourth. This year, with a veteran team riding for us, we have reason to believe we will again be among the "top money winners." We will be sponsored by  $\text{K}\Delta$  this year. We would like to encourage all Brothers of other Chapters and all interested Alumni to visit us on this weekend and help cheer Chi Phi on to another victory.

Among other upcoming activities are our costume and formal dances. The costume dance will be based on the theme of Roman Holiday. The annual spring formal will be held this year at the Bloomington Country Club.—JOHN CRAFT.

# Sibley Dies

EDWARD AUSTIN SIBLEY, 60, San Antonio lawyer and trust officer, died Feb. 4, in a San Antonio hospital after a brief illness.

Edward was born in Victoria, Texas, on June 16, 1899. While he was very young, his family moved to San Antonio, where he attended West Texas Military Academy (now T.M.I.), public school, and high school. He attended Kentucky Military Institute and the University of Texas and received his law license in 1924.

After acting as office counsel for W. K. Ewing Co., he became a partner with Howell J. Mueller, Nu '21, Arthur W. Mueller, Nu '25 and Hubert W. Green in the firm of Mueller & Green. In August, 1938, he gave up the general practice of law to become trust officer of Frost National Bank. He was considered an outstanding authority on estate planning, wills and trusts, and probate law.

Edward served in the Air Corps in World War I and was a lieutenant commander in the Navy in World War II. He belonged to the American and San Antonio Bar Assns. and the State Bar of Texas. He was also a member of Phi Delta Phi, Chancellors, and of Christ Episcopal Church.

He is survived by his wife, Ethel E. Sibley, and a daughter, Mrs. R. B. Lewis of Austin.

At the time of his death, Brother Sibley was vice president and trust officer of the Frost National Bank of San Antonio, Texas.

## Zeta Delta Sends Second Report

DAVID W. GOOGINS, Alpha  
University of Connecticut

THIS year, with the diligent work of James Wheeland, rush chairman, and his committee, we gained an excellent pledge class. Employing a personal rushing program, 22 pledges have come into Zeta Delta since fall: George Appleby, Bridgeport; Allen Bigelow, Carl Staaterman, New Canaan; Richard Boudreau, Chicopee, Mass.; Robert Butler, Floral Park, L. I.; James Clabby, Orange; Peter Cook, Meriden; Gregory Davis, West Hartford; James Drake, Brewster, Mass.; Kevin Dunne, Kenneth Gilkes, Garden City, L. I.; Manfred Eigenbrod, Manchester; Richard Galley, Westport; Jack Goehring, Norwalk; Ronald A. Johnson, North Syracuse, N. Y.; Ronald Johnson, Windsor; David King, Needham, Mass.; Robert McNamara, Groton; William Oliver, Hartford; Bryce Roberts, Saco, Me.; Richard Suski, Charles Watras, Wethersfield. Pledgemaster Jon Richmond expects that these men will be initiated in early April.

There are 10 new Brothers: Ted Watson, William Farnen, Lou St. Amant, Ted Tilliston, Ken Stockman, Russ Stockman, Doug Crawford, Mike Greaney, David Daniels, and Fred Stackpole. Presently, there are 54 Brothers living in the house, and, although 12 Brothers will graduate this June, it is felt that we will return next fall with a strong group. At the termination of last semester, Brian Simons and David Reed graduated.

In the past few semesters we have had a scholarship problem which is gradually being eliminated. An examination of the manner in which other Greek houses on campus have tried to cope with this same problem has been beneficial. But we have found that hard work with cooperation, an occasional reminder of quiet hours, and a better understanding of our purpose here

is the real method of improving scholarship.

Socially we began the semester with a very successful Winter Weekend. An off-campus formal with a house party following a basketball game against the University of Vermont took place on Saturday evening. In April the annual senior banquet will be held.

Elections this winter resulted in the following slate of officers for the next semester: Alpha, Dave Googins; Beta, James Wheeland; Gamma, Mike Dalton; Delta, Charlie Glendon; Epsilon, Paul Novak; steward, Fred Schmidt; house manager, Don Nierling; assistant Delta, Russ Stockman; assistant steward, Fred Larson; corresponding secretary, Fran Arnold; pledgemaster, John Saulys; and Zeta, William Stockwell. With the help of past officers, the new members of the executive committee are finding it quite easy to step into their new positions.

WILLIAM STOCKWELL.

## A Problem in International Finances

GENTLEMEN:

I have received your kind invitation to contribute to the CHI PHI Alumni Fund. Believe me, it is my desire to do so, but nevertheless, I find it impossible to comply.

The National Bank of Cuba has established certain restrictions to the exportation of U. S. Dollars which are extremely necessary for the welfare of our economy. Thus, at least for the time being, it will be impossible for me to contribute. Of course these measures will not be necessary forever, and when they are not, I shall bear in mind your invitation.

Fraternally,

FERNANDO PORTUONDO, O '59

# THE EDUCATIONAL TRUST

The Fraternity invites contributions from its Alumni to the Chi Phi Educational Trust. Through contributions to its Educational Trust the Fraternity is building a permanent endowment. The income from the endowment is used to help Chapters and active members in worthy endeavors, particularly in assisting in their housing problems.

## CONTRIBUTIONS TO THIS FUND ARE TAX EXEMPT

NOTE: Make your contributions to the Chi Phi Educational Trust for 1960 now and mail to 308 Mark Building, Atlanta 3, Georgia

# THE BADGE OF MATURITY

On campus and off, fraternity insignia today have a powerful new appeal . . . always smart, always in good taste, worn by discriminating men and women who respect their heritage of rich traditions.

THE BALFOUR BLUE BOOK . . . the famous catalog of gifts and personal accessories—shown in color. Many aids to gracious chapter living. Write for your free copy.

## RUSHING IS YOUR BUSINESS

Chi Phi's continued strength and growth is as much your responsibility as it is the active members on campus. Unless you find prospective members in your hometown communities, talk to them about Chi Phi, send their names and information shown on the form below, to the Chapters on the campuses where the boys are going, chapters learn about them too late. Alumni of other fraternities have alerted their Chapters.

Chi Phi cannot grow without new members. Use blank below and send in names of young men whom you know will be entering colleges where we have Chapters.

## CHI PHI RUSHING BLANK

**TO ALL CHI PHIS:** If you know of anyone expecting to enroll in any of the colleges where we have a Chapter, please fill out this form, detach, and mail to the Chi Phi National Office, 308 Mark Bldg., Atlanta 3, Ga., and we will get it to the proper party. You can do no greater service for your Fraternity than recommend desirable candidates for membership.
