The Chi Phi Chakett is published in September, December, February, and April by The Chi Phi Fraternity, 3330 Peachtree Road, N.E., Rm. 550, Atlanta 5, Georgia. Second class postage paid at Atlanta, Georgia. Subscription rate, \$5.00 per year. Single copies \$1.50.

**LET'S TALK IT OVER . . .**

**NEW CHARTER**

1962 may mark a first in this century—the installation of two chapters in one year. The University of Rhode Island Colony will receive its charter in February. The Oregon Colony must meet a minimum membership quota established by the Oregon I.F.C. before it can be chartered. The Colony expects to reach the membership requirement by the winter quarter.

The Rhode Island charter presentation will take place Saturday, February 3, 1962 at Kingston, Rhode Island. The Grand Alpha and members of the Council will present the charter. Final arrangements for the ceremony have not been set, however, all alumni are cordially invited to attend. Further information as to time and place of events celebrating the occasion will be available from the Council office by January 1.

**N. Y. CITY SITE OF COUNCIL MEETING**

The mid year Council meeting will be held in New York City on February 1, 1962 at the Yale Club. Following the meeting the New York Chi Phi Club will play host to the Council at Cocktails and Dinner, also at the Yale Club. Mark your calendar now and plan to meet the Grand Alpha and members of the Council. Detailed announcements will be mailed later to all New York area Brothers.

**THE MEMPHIS CLUB RUSHES**

The Memphis Chi Phi Club under the leadership of John Apperson, A '19 President and Malcolm Cone, Omega '14, Secretary, have developed an outstanding rushing program. The Club entertained rushees at a summer party and sent detailed recommendations on candidates to Alpha, Epsilon, Alpha-Alpha, Eta, Omega, Gamma, and other chapters, as well as copies of each recommendations to the Council office. The chapters are most appreciative and express the hope that more Chi Phi Clubs will engage in such activity. The Cincinnati Chi Phi Club also conducted a most energetic rush which proved especially beneficial to the Iota chapter. Why don't more clubs establish rush committees to develop such programs?

# A glimpse behind the Iron Curtain

By RICHARD PODELL, Phi

**T**HIS SUMMER I was honored with an award of \$250 from the Chi Phi Educational Trust Fund, which made it possible for me to attend an international student conference in Ljubljana, Yugoslavia and to visit Berlin during the weeks after the two parts of the city had been separated by the now famous wall. This trip was the most educationally rewarding experience and the greatest adventure I have yet experienced.

At the end of school I was selected to represent Amherst at the National Convention of a group called the Collegiate Council for the United Nations (CCUN), a federation of about 300 student organizations dedicated to encouraging support and informed opinion about the United Nations and its activities. At the end of the eight day convention I was elected, by the delegates, Director of CCUN Activities for New England. Subsequently I was invited by the Board of Directors to be one of four delegates representing the United States at the annual conference of the International Student Movement for the United Nations (ISMUN). Unfortunately, CCUN could not provide the major part of the expenses of a flight to Yugoslavia and I would have missed this tremendous opportunity were it not for the Chi Phi Educational Trust.

This article is ostensibly a report on

---

**ABOUT THE AUTHOR:** Richard Podell, a pledge when he made his European trip, was initiated into the Phi chapter, Amherst College, October 27, 1961. Born in Brooklyn, N. Y., he prepped at Valley Stream North High School, Franklin Square, N. Y. His major at Amherst is biophysics.

my activities. Actually I did so much and learned so much that it is impossible to file a complete report within the limits of this article. Instead, I shall consider only three aspects of my trip: The conference itself; my impressions of the rather unusual communist state of Yugoslavia; and a brief commentary on the situation in Berlin at the beginning of September.

ISMUN has the same basic goals of CCUN. It is composed of member student associations from about thirty countries. The largest single group represented was from the Western bloc, but there were many students attending from other sections of the world: Nigeria, Ghana, Tanganyika, Tunisia, India, Israel, Japan, Jordan, Egypt, Iran, Iraq, Ireland, etc. The only Communist nations represented were Poland and Yugoslavia. Russia was there, but only as an observer.

The conference considered organizational problems of the movement and also political questions: the reorganization of the UN Security Council and the UN Secretariat. There was general agreement that the Security Council ought to be expanded and that jobs in the Secretariat should be spread more widely throughout the world. Surprisingly, to us, on the matter of Troika, the Russians and Poles stood alone and the Yugoslavs were violently opposed to the idea of a tripartite Secretary-General.

Rubbing elbows with these students was a very valuable experience for at least two reasons. The majority of the students were older than the Americans. Most were in their late twenties. A few

of the Communists were in their middle thirties. They were the cream of the crop of their respective countries and are almost ready, or in some cases have already begun, careers with the UN or with their own foreign services. This is especially true in the case of the African delegates. In their countries there are so few educated persons that there is a great likelihood that these students will be leaders of their countries before too long.

The second reason this experience was valuable was because it gave me an opportunity to recognize and deal with the fact that many people do not think the same as we do. They have different values and often their conception of the world, what it is, what it ought to be, is amazingly different from any of the standard American dreams. A not too profound but amusing example of this is offered by the Nigerian University student who is shown with me in the picture. He was infatuated with everything American, even though he condemned us several times for our imperialist motives. Once he asked me—"isn't it true that 40% of Americans are millionaires?" Another time he was very surprised to discover that it was very unusual for Americans to have worms in their stomachs.

I want to devote a few paragraphs to the problem of Yugoslavia. This short article cannot discuss everything I learned about this land, even though I lived in only one city, for only one week. The problem is this: Yugoslavia is a com-

H '17

**B**ROTHER OLIVERS' Council for the next two years is composed of three men new to their responsibilities, and four who have served on the governing board at least one or more years. The Grand Alpha has restored a geographic balance to the Council. During the last year and a half the Eastern section of the Country has not been represented on the Council due to Brother Gladfelter's move from Connecticut to National Headquarters in Atlanta.

The new Council members took office August 1 and attended their first Council meeting September 5 prior to the convening of Congress the next day. A brief resume of the three new Council members' background and experience leaves no doubt that they will serve Chi Phi well.

### Block New Grand Beta

The new Grand Beta is E. Bates Block, Gamma (Emory University) '40, Eta (University of Georgia) '42. Brother Block was born August 16, 1918, in Atlanta, Georgia, where he graduated from Marist. He received his A.B. degree from Emory and his LL.B. degree from Georgia. He was a member of Phi Beta Kappa, Omicron Delta Kappa, and Alpha of the Chi Phi chapter at Georgia. He was admitted to the Georgia Bar in 1942 and has practiced law in Atlanta continuously since graduation with the firm of Moise, Post & Gardner. He is a member of the Atlanta, Georgia, and American Bar Associations. He was secretary of the Atlanta Bar Association from 1943 to 1949, and is presently the editor of its publication "The Atlanta Lawyer." He is a member of the Motor Carrier Lawyers Association and the Association of Interstate Commerce Commission Practitioners.

He served as secretary of the Gamma Trust Association and was president from 1947 to 1952. He has been treasurer, 2nd vice-president of the Atlanta Chi Phi Alumni Association, and was president in 1953, when the annual Congress met in Atlanta.

Margaret Davison, the daughter of Dr. and Mrs. T. C. Davison of Atlanta, became his wife on December 18, 1956.

Brother Block's father, Dr. B. Bates Block, was a member of the Alpha Chapter, 1895, and three of his uncles were members of Eta: Francis Cochran Block, 1886, James Henry Porter, 1895, and William Lowry Porter, 1899. He is the fourth generation to belong to the First Presbyterian Church of Atlanta.

### Fairfield Is Grand Zeta

David W. Fairfield graduated from the University of Illinois in 1928 and was initiated by Sigma, May 9, 1927. Dave worked two years and then entered the Harvard Business School. After taking his M.B.A. degree he flirted with a career in retailing for a year and a half. At that point he went into the life insurance field where he has been ever since; the last 17 years with North-

western Mutual Life Insurance Company.

Dave's wife and two sons reside in Glen Ellyn, Illinois, where he has been active in community affairs. His special love is the Glen Ellyn Amateur Athletic Association which he has served as Secretary-Treasurer and President. He attends the Congregational Church and is President of the Churchmen's Fellowship of Illinois of the United Church of Christ.

Chicago Chi Phi's known him well. He was President of the Chi Phi Club of Chicago in 1941 and again from 1950 to 1960, earlier he served as Secretary-Treasurer.

His clubs are the Union League Club, the Executives Club of Chicago, and he is a Director of the Harvard Business School Club of Chicago.

### Meek Named Grand Epsilon

A transplanted Californian represents the Eastern seaboard on the Council.

Bert B. Meek, Jr. the New Grand Epsilon was a member of Lambda '43 and served as Alpha. He is a native of San Francisco and went across the bay to school at the University of California where he obtained A.B. and LL.B. degrees. He is a member of the American Bar Association, the California and New York Bars and has been admitted to practice before the U.S. Supreme Court.

Bert is Treasurer of the Pan American International Oil Corporation, New York City. He resides with his three children in Greenwich, Connecticut.

Throughout his business and professional career he has been active in civic and international affairs. In 1951 he was Vice-President of Volunteers for Better Government in San Francisco. During the same period he was a trustee and Director of the Junior Statesmen Foundation. He is an N.G.O., member of the United Nations, and an elected member of the Greenwich, Connecticut Representative Town Meeting.

He is a member of the Princeton Club of New York and the Olympic Club of San Francisco. For the past several years he has been Vice-President of the Chi Phi Club of New York.

# ΠΑΙΔΕΙΑ

## *Sparks Memorial Medals Awarded to top*

"*Learning Acquired by Education*" is the translation of the Greek word "ΠΑΙΔΕΙΑ" appearing on the Sparks Memorial Medal—the symbol of academic excellence among CHI PHI's.

The cherished award was inaugurated in 1925 in honor of Edwin Erle Sparks who was initiated by Alpha-Chi (Ohio

Wesleyan) in 1879 and was a charter member of Iota in 1883. Dr. Sparks was a noted educator and President Emeritus of Pennsylvania State College at the time of his death in 1924. Every year it is awarded to the man in each chapter who has attained the highest scholastic standing in that year.

This year's winners are:

### THIRD AWARD:

# Chi Phi Students Educ Trust

The Chi Phi

## Report

Perfect records were the order of the day. University of Wisconsin Dean of Men, Theodore W. Zillman, wrote, "The reason why I say I'm happy to report to you is that you have two winners to award in my opinion. Both active members William H. Sewell, III, and F. William Haberman achieved perfect records in both semesters of the 1960-61 school year. Haberman made his 4. in each semester carrying a total of thirty credits during the academic year. Sewell, on the other hand, carried thirty-three credits during the academic year while achieving his straight 4. record." . . . "I hope that you are faced with similar dilemmas in every chapter of Chi Phi around the country. This is certainly one of the happiest wishes which I can think for your national organization."

Terry Andrews, Franklin & Marshall, not only had an all A average for the year, but is a two time winner and a Phi Beta Kappa. Mike Pleck of Sigma had all A's the spring semester, a slight improvement over the fall term in which he had an A-average. Mike serves the chapter as steward.

Two other award winners merit special attention. Jim Russ of Iota Delta and James Hartsel, Rho, are not only brilliant students and two time award winners, but carry some of the top honors and responsibility on their respective campuses. Russ is Alpha of his chapter and is a member of the board of AEONS, an honorary men's group appointed by the University President. The Director of Indiana Student Activities, T. C. Schreck, said in writing about Jim: "He made an A average the past year. In fact in three years he has received nothing but A's. He is in a class by himself." Hartsel is serving his second year as Rho's Alpha, and is president of the Lafayette Interfraternity Council.

Chi Phi is proud of all the 1961 recipients of the Sparks Memorial Medal. They join a distinguished and ever growing "fraternity" within the Fraternity.

Official Delegates, 137th Congress, Edgewater Beach Hotel, Chicago

## Chicago Congress Adopts Chakett Subscription Fund

THE 1961 CHICAGO CONGRESS passed a rather significant piece of legislation in Chi Phi history. It authorized a life subscription to the Chakett. The subscription price is \$5, to be collected as part of the initiation fee. The subscriptions thus collected are to be placed in a fund to be administered by the Trustees of the Chi Phi Educational Trust. The income from the fund will be transferred to the Council who will apply it against the cost of publishing the Chakett. It is estimated that the life subscription fund will increase at the rate of \$2,500 to \$3,000 annually for the next ten years. Congress authorized and directed the Council to work out the details of the program. Council set the effective date as Jan. 1, 1962.

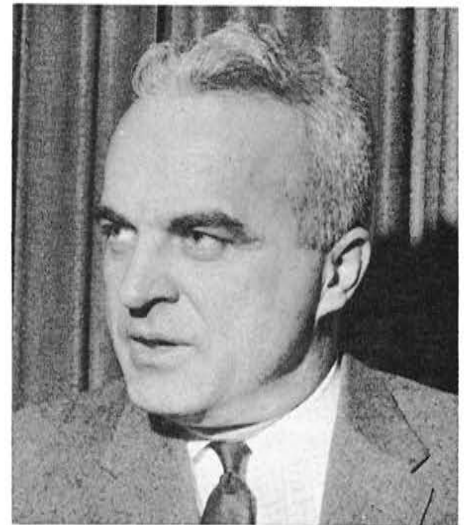

Congress also passed amendments to the Constitution prohibiting a chapter from initiating any pledge prior to the

receipt of the pledge fee by the Council and forbidding initiations, if the chapter owes for previous initiation fees.

The arrangements for the Chicago Congress were under the direction of Dave Clark, Mu'48, who along with his able committee chairmen anticipated our every need.

The committee chairmen were: Philip Guzzeta, Pi'57 and Charles Kallenvang, K'41, Registration; Walter Sorg, Theta'45, Printing; Harold Holz, Mu'47, Banquet; Rudy Schlosser, Jr., S'55, P'51 and Horace Moses, Phi'29, Dinner Dance; David Mersbach, S'55, Reservations, and Donald L. Weber, Pi'62, Transportation.

The Pi Chapter (Northwestern University) played host to the delegates for lunch the second day after which the chapter officers, led by Alpha Larry Lathom, performed a model initiation.

## *The Chi Phi*

# Educational Trust

## *A Report*

ALTHOUGH The Chi Phi Educational Trust was established in 1930, many members indicate very little knowledge of the Trust, its purpose and activities. The Trustees annually report on the stewardship of the Trust to the Congress and Council. This year, with the hope that a broader knowledge of the Trust on the part of alumni would encourage greater participation in its activities, portions of the report are herein reproduced.

### **PURPOSE**

The Trust indenture clearly states the purpose of the Trust to be:

(a) To assist and supplement the work of universities, colleges and schools in the promotion of the scholarship and development of the character and morality of students:

(b) To provide improved educational facilities, opportunities and conveniences for students:

(c) To make donations and/or loan money to universities, colleges and schools:

(d) To assist needy and deserving students to complete their education:

(e) To aid aged or disabled former students who are in need and are worthy of assistance:

(f) To expend money for any other educational and/or charitable purpose not inconsistent with any of the foregoing specific purposes.

The Trustees are empowered to apply the net income and principal of the trust estate in such manner as they may deem advisable for any of the purposes mentioned above. They are also authorized to invest the trust estate and in so doing they may invest in real or personal property, including investment in obligations of individual Chapters of the Fraternity.

### **ORGANIZATION**

The Trust is administered by a Board of five CHI PHI Trustees, appointed by a Board of Governors. Trustees serve a five year term, one new appointee taking office each year.

The Board of Governors consist of seven members of the Fraternity, five of whom are elected by the Congress to serve for terms of two years; the remaining two members are the Grand Alpha and Grand Eta, serving ex-officio.

### **BOARD OF GOVERNORS**

Merritt W. Truax, E D '33; Salem, Oregon  
Emmett P. Crow, Jr., N '31; Houston, Texas  
Theodore T. Miller, B '22; Clifton, N. J.  
William W. Jeckell, I '34; Cincinnati, Ohio  
Joseph R. Dockery, Xi '28; Cleveland, Miss.

### **BOARD OF TRUSTEES**

John E. Oliver, H '17; Atlanta, Georgia  
Freeman Strickland, Ome '24; Atlanta, Georgia  
William C. Wardlaw, Jr., Ome '27; Atlanta, Georgia  
Rutherford L. Ellis, H '25; Atlanta, Georgia  
Henry G. Gildner, A-T '24; Detroit, Mich.

### **SCOPE OF ACTIVITY**

The Trust:

(1) Provides loans to undergraduate Chi Phi's. Any undergraduate in good academic standing, and indicating a need, may apply for a loan.

(2) Provides scholarship and student "need" grants to undergraduate and graduate students.

(3) Encourages and fosters academic excellence by:

a. Sponsoring the Sparks Memorial Medal awards.  
b. Sponsoring the Chapter Scholarship improvement program.

c. Sponsoring the "How to Study" program through distribution of a book on study to each Chi Phi pledge.

d. Provides the scholarship Counsellor with funds necessary to carry on his work.

(4) Sponsors and aids chapter housing, house expansion and improvements through loans to and investment in obligations of individual chapters.

(5) Encourages cultural development through grants to students for: travel, participation in student government activities, and research and study.

(6) Assists chapters in adding or improving library and study facilities.

Surplus .....	108,130.15	
<b>TOTAL LIABILITIES .....</b>		<b>\$108,260.60</b>

**DEVELOPMENT OF FUND**

The Educational Trust has never conducted a major campaign for funds. The only appeal for gifts has been that which accompanies the annual request for alumni dues. Such gifts have averaged about \$2,500 yearly. Last year (1960-61) alumni contributions to the Trust exceeded any previous giving. The total amount received was \$4,108.33.

**FUTURE**

At the present time the Trust is unable to take care of all of the requests from Chapters for remodeling and building loans due to the lack of capital.

By increasing the principal fund the Trustees will be able to service more chapter loan requests for funds for rehabilitation and new chapter house construction. The Trust will also be in a position to assist in the Fraternity's expansion program, since funds will be available on a loan basis for new chapter house construction on those campuses where Chi Phi is in the process of colonizing, or at future sites of new chapters. As a direct result of the increase in the principal,

# University of Rhode Island newest colony

Aerial view of the campus of the University of Rhode Island

Home of the Rhode Island Colony

## site of

CHI PHI's newest colony is located in the beautiful and historic little community of Kingston, Rhode Island, the home of the University of Rhode Island.

The University of Rhode Island was founded in 1888 in accordance with the Morrell Act of 1862 and the Hatch Act of 1887, which provided federal funds for the purpose. When the first graduating class of 1894 left the school there were thirteen faculty members, eight experiment station staff and eighty-two students. Today over 3,500 students attend the University. The University faces an era of growth in student body and is launched on a \$9,000,000 building program.

Twenty years after the founding of the school Rho Iota Kappa established as the first fraternity on the U.R. I. campus. It has had a remarkably successful existence during a period of national fraternity expansion on the campus. Theta Chi established a chapter in 1911 and Lambda Chi Alpha in 1914. S.A.E. came to the campus shortly after World War I. Other groups followed with Sigma Chi and Phi Gamma Delta establishing in the period of veteran growth in the

late '40's. Sigma Phi Epsilon established a colony in the spring of 1961.

For the past several years the members of Rho Iota Kappa have flirted with the idea of going "national." Under the leadership of Maurice Rondeau, '62, a thorough investigation of the advantages and disadvantages were carefully reviewed, and the decision to seek the benefit of a strong national fraternity was finally reached early in the 1960-61 academic year.

Chi Phi was contacted in February, 1961, and after a careful examination of all factors, the Chi Phi Council invited Rho Iota Kappa to petition for affiliation in late Spring, 1961. The story is now history, the actual event having been reported in the September 1961 CHAKETT.

The Chapter House was built in 1927 to accommodate approximately thirty members. The house is in excellent con-

dition. The living room is spacious and was redecorated and refurnished last year. This year's improvements include a new floor and stove in the kitchen, a new boiler, and renovation of the first floor social room.

Formal rushing takes place during February, although informal rushing is allowed during the first semester. New England Chi Phi's are urged to send rushing recommendations to the Council office.

The Colony ranked third among all Fraternities in scholarship in 1960-61.

The officers are: Richard Bender, Alpha; Stanley Snitkin, Epsilon; Joseph Gallo, Gamma; and Anthony Imondi, Delta. Maurice Rondeau who was Alpha was forced to remain out of school due to illness. Dick Bender as Beta is carrying on. Maurice expects to return for the Spring semester and will undoubtedly be initiated with the charter group.

Chi Phi colony participates in night parade

# With the Alumni

## Fourteen Return for Iowa State Homecoming

Fourteen members of the old Pi Chapter of Chi Phi at Iowa State University at Ames attended the annual Homecoming luncheon on October 28.

Members of their families, and other guests, brought the total number present to 42. Several absent alumni sent greetings.

Brother Adolph O. Ludwig of Perry, Iowa, made all arrangements for the invitation and saw to it that football tickets were distributed to each Chi Phi. He also reported the association in good financial condition.

Brother A. H. Pickford of Des Moines

acted as Master of Ceremonies, and was elected president of the group. He called on all Chi Phi's present to stand for a moment in silent tribute to the memory of Brother L. S. Wells, whose death occurred just one year ago on Homecoming day, "Shine" Wells headed the alumni group for many years.

Of interest to many older Chi Phi's was the presence of a guest, A. C. Wilcox, '16, now retired and living in Iowa City, who was a member of the local fraternity which later became Pi Chapter.

The following were present: A. H. Pickford, '15, Des Moines; John G. Jessup, '21, Perry; Findley "Bud" Hooper, '17, Muscatine; Melvin E. Seymour, '36, Creston; Lloyd Bock, '29, Des Moines; Clint Horlacher, '26, Storm Laek; Herbert A. Arthur, '25, Ames; Leslie E. Thayer, '27, Storm Lake; Adolph O. Ludwig, '33, Perry; Irwin E. Ludwig, '31, Lawton; Fred J. Ludwig, '36, Laurens; A. M. Elder, '33, False City; H. E. Wilkinson, '17, DeWitt; Lee Perdue, '37, Des Moines; H. E. Wilkinson, Secretary.

## Washington, D. C. Club Starts 1961-62 Season

The Chi Phi Club of Washington, D. C. kicked off the 1961-62 season with an excellent stag dinner at the Army-Navy Country Club in Arlington, Virginia. Brother Arno Jewett (Gamma Delta '32) was our host and in addition provided a very interesting and entertaining program for the meeting.

The dinner meeting also served as a farwell gathering for our Secretary-Treasurer, Anthony Morris (Alpha Alpha '57), our first active brother to be recalled into service under the present military build-up program. Michael Rizik (Phi '46) will take over the duties of Secretary-Treasurer.

A committee is already working on the arrangements for our Christmas Dinner Dance Party. It will be held in early December at one of the officer's clubs in the Washington area. The exact time and place will be transmitted to the membership in due time. This festive party has always been a highlight of the club's activities. It brings together a good number of members, their wives and friends.

If there is a Chi Phi in the Washington, D. C. area who is not on our mailing list and would like to join in our good fellowship and activities, a card or telephone call will put you on our list of Club membership.

—RAYMOND E. PIERCE, PRES.

## In The Service

### DELTA

Lt. John Krisko, Jr., '58, was commended in ceremonies in Saigon, Vietnam, for meritorious service during his last assignment as executive officer of the 59th Artillery's Battery B.

## BETA (7)

Kayson Nyi, Forest Hill, N. Y.  
Manmohan Khanna, Bangkok, Thailand.  
Werner A. Bleyer, Chicago, Ill.  
Richard W. Ryniker, II.  
Michael S. Adler, Detroit, Mich.  
Warren R. Kirsch, Detroit, Mich.  
Douglas A. Hafner, Muncie, Ind.

## ZETA (6)

Richard C. Henry, Manheim, Pa.  
Jack R. Rosentengel, Lewistown, Pa.  
Orville C. Hognander, Jr., Minneapolis, Minn.  
William L. Baber, Bethlehem, Pa.  
Sidney C. Hershey, New Holland, Pa.  
Ernest R. Gerfin, Columbia, Pa.

## ETA (39)

Jack Manton, Decatur, Ga.  
Howard Shannon, Atlanta, Ga.  
Leighton McCamy, Dalton, Ga.  
John H. Patrick, Decatur, Ga.  
Hume Cole, Rome, Ga.  
Steve Wimbish, Rome, Ga.  
A. S. Wright, Atlanta, Ga.  
John G. Valentino, III, Atlanta, Ga.  
Wayne A. Christian, Atlanta, Ga.  
Mike C. Futrell, Atlanta, Ga.  
Tom Hanson, Rochester, N. Y.  
James F. Gingrey, Augusta, Ga.  
William A. Herman, III, Augusta, Ga.  
Emory Williamson, Augusta, Ga.  
Charles B. Perry, Atlanta, Ga.  
Dick Catone, Atlanta, Ga.  
Billy Gwyn, Atlanta, Ga.  
Ralph McClelland, Atlanta, Ga.  
Tommy Horner, Augusta, Ga.  
Michael G. Walsh, Atlanta, Ga.  
B. Selman Walter, Rome, Ga.  
Addison G. Smith, Jr., Atlanta, Ga.  
H. Dixon Ulmer, Jr., North Augusta, S. C.  
Dennis H. Peeler, Anderson, S. C.  
Bobby Gregory, Atlanta, Ga.  
Frank Powell Dalton, Ga.  
Jimmy Hedges, Lookout Mountain, Tenn.  
David Brown, Lookout Mountain, Tenn.  
James T. Irvin, Bennettsville, S. C.  
James L. Bracewell, Toccoa, Ga.  
Michael W. Graves, Savannah, Ga.  
George Garrett, Jr., Warrenton, Ga.  
Arthur L. Zachry, III, Dalton, Ga.  
James F. Boyd, Carrollton, Ga.  
John J. Blanchard, Jr., Crawford, Ga.  
Richard L. deGolian, Atlanta, Ga.  
Daniel J. Harrington, Marietta, Ga.  
Paul E. Johnson, III, Marietta, Ga.  
Tony Nicholson, Atlanta, Ga.

## KAPPA (15)

James Antonic, Milwaukee, Wis.  
John C. Burkholder, Hudson, Wis.  
James Graser, Beloit, Wis.  
Patrick Haney, Long Beach, Calif.  
Anders E. Hellner, Sjrsholm, Sweden  
Larry Kleinhaus, Riviera Beach, Fla.  
James Krebsbach, LaCrosse, Wis.  
Peter Lillegren, Madison, Wis.  
Peter A. Morse, Perrysburg, Ohio  
Ronald W. Perkins, Kenosha, Wis.  
Duane L. Quale, Stoughton, Wis.  
Frederick L. Reynolds, LaCrosse, Wis.  
Edward Rogan, II, Palatine, Ill.  
David Trichel, Monroe, Wis.  
Robert Zuelsdorg, Green bay, Wis.

## LAMBDA (6)

Tom R. Cooper, San Francisco, Calif.  
Christopher J. Harrington, Woodside, Calif.  
Frank E. Johnston, San Francisco, Calif.  
Tom K. Herget, Berkeley, Calif.  
Frederick L. Burrell, Long Beach, Calif.  
Roger N. Young, San Francisco, Calif.

## NU (31)

Randolph C. Holloway, Brownwood, Texas  
Clifton O. Love, Baytown, Texas  
Colbert N. Coldwell, El Paso, Texas.  
James N. Gsell, Houston, Texas  
Thomas C. Newman, Ft. Worth, Texas  
Levis E. Wiggins, Jr.  
Michael E. Fisher, Ft. Worth, Texas  
Howard D. Brecht, Dallas, Texas  
Forrest C. Garling, Jr., Harlingen, Texas  
Tracy H. Watson San Antonio, Texas  
Joseph M. Kenworthy, III, Dallas, Texas  
Charles E. Oltorf, Marlin, Texas  
Richard J. McAvoy, Lufkin, Texas  
Creston H. Funk, Jr., San Antonio, Texas  
John S. Grube, Bellville, Texas

William L. Hutchins, Brownwood, Texas  
Eugene A. Gibbs, Lufkin, Texas  
Charles W. Thomas, Austin, Texas  
Frank M. Stepczyk, Killeen, Texas  
Steven O. Green, Baird, Texas  
Douglas B. Cowey, Austin, Texas  
Rodney P. Kaufhold, Dickinson, Texas  
Charles Brenner, III, Houston, Texas  
John D. Smith, McAllen, Texas  
William F. Wallace, Houston, Texas  
Monroe W. Jones, Dallas, Texas  
Bob R. White, Dallas, Texas  
James W. Ward, Dickinson, Texas  
Michael A. Scott, Midland, Texas  
William D. Major, Dallas, Texas  
Woodward C. Regand, Port Lavaca, Texas

## PI (14)

Philip E. Benziger, Bensenville, Ill.  
Joseph G. Betz, Syosset, N. Y.  
John L. Connell, Rockford, Ill.  
Joseph A. Daccuro, Oakland, N. J.  
Morris R. Dovey, Homewood, Ill.  
Roger L. Goodman, Upper Sandusky, Ohio  
Ted R. Johnson, Peoria, Ill.  
James F. Kramer, Freeport, Ill.  
William S. Lemos, Libertyville, Ill.  
David M. Maxfield, Decatur, Ill.  
Ronald F. Richards, Evanston, Ill.  
Gene P. Schultz, Dundee, Ill.  
Martin F. Stidham, Grand Junction, Colo.  
Gerry Van Wittkamper, Glenn Ellyn, Ill.

## SIGMA (20)

Richard Bertetto, Chicago, Ill.  
Barry M. Broman, Mascoutah, Ill.  
Richard Butkus, Chicago, Ill.  
James J. Corbett, Evanston, Ill.  
John Crammond, Canton, Ill.  
Kent Flora, Fairmount, Ill.  
Daniel Flynn, Chicago, Ill.  
Donald E. Harris, Oak Grove, Ill.  
John C. Hauser, Glencoe, Ill.  
John Kraska, Riverside, Ill.  
Robert Lytle, Joliet, Ill.  
Ron Meliza, Peoria, Ill.  
John P. Murphy, Austin, Minn.  
Edward Nilsen, Oak Park, Ill.  
Jack Secret, Highland Park, Ill.  
William Siljander, Oak Park, Ill.  
Louis Sineni, Wilmington, Ill.  
Ronald Taliaferro, Dallas, Texas  
William C. Thompson, Dixon, Ill.  
Willard Wetherford, Galesburg, Ill.

## TAU (27)

Charles H. Boyd, III, Birmingham, Ala.  
Paul J. Sharbel, Birmingham, Ala.  
James F. Sloan, Bessemer, Ala.  
Marion L. Ray, IV, Bessemer, Ala.  
Jay W. Gray, Tuscaloosa, Ala.

## Hendren Recalls Alpha Fire

In replying to a request for a brief biographical sketch, Brother W. H. Hendren, A '22, said he felt that the story of the burning of the little Chi Phi Yellow bungalow at the University of Virginia back in the early '20's would be much more interesting to the Fraternity. Brother Hendren commented as follows:

"I believe I can dig out what we used to refer to as "The Yellow Sheet" at the University which had quite a writeup about that fire. As I recollect—I was then the head of the Alpha Chapter and due to the fact that I had been in the War I, I graduated at Easter time rather than in June. I volunteered my services to go out and raise enough money to start building a new House. I went to New York and got quite a bunch of subscriptions and cash, and during the course of the time I enjoyed a delightful weekend with Pierre du Pont at his lovely home in Wilmington and he helped us out to the tune of a check for \$5,000.00. I was the guy who hired Chi Phi Porter, and it was Chi Phi Phil Porter who burned up the House by poking some coals through a hole in the intake duct of the furnace."

W. HARDY HENDREN, A'22

Brother Hendren is President of United Film Service, Inc., Kansas City, Missouri, specializing in film commercials for theatres and television. After a brief stint with the old Packard Motor Company, Detroit, and the Chrysler Distributor in New Orleans, he joined his present firm in 1928, becoming President in 1933.

## UNIVERSITY OF VIRGINIA

With the long-awaited return of Virginia's football team to winning ways, the Chi Phi's have acquired two pieces of goal-post which adorn our mantel in the living room. Special recognition should be given to the pledge class for their brilliant tactics and footwork in capturing these prizes of victory. But of greater value are the results of our recent pledge class who, under the capable supervision of Grayson McNair and Cabell Fitzpatrick, completely renovated the physical plant of the Fraternity. Sleeping rooms in the house were repainted, the dining room refinished, the kitchen completely redone, and the outside trim painted. During the summer, all floors on the second and third stories plus the stairs and vestibule were sanded and varnished. The Chapter is greatly indebted to Brother Chuck McNair for spearheading this project. The basement party room is expected to be completed for the weekend on November 3, 4, and will serve as a lounging room during the normal school week.

The Alpha Home Association had the living room ceiling replastered during the summer, and we of Chi Phi are eternally grateful to them and to those who have so generously contributed their financial support. Our deepest appreciation goes to these gentlemen who have worked so untiringly in their efforts to bring Alpha back to its place in the top echelon of fraternities here at Virginia.

Due to strict Interfraternity regulations our sole contact with first year-men thus

far has been limited to Homecoming weekend. November will be our heaviest period for rushing. Our rush chairman, Cabell Fitzpatrick, assures me that Alpha will have another banner year of rushing, come Bid Sunday in December. Some sixty-five rushing prospects were submitted by alumni alone and spurred the Chapter forward in its rush program. Our thanks go to those who realized their responsibility toward the active chapter in regards to rushing.

The return of Brothers Tom McGowan, John Macon, George Murray, and E. Hank (Mole) Burgess has bolstered the ranks of Chi Phi.

Fraternally,  
William G. Ender, Zeta

Dennis E. Cook, Alpha

## MASSACHUSETTS INSTITUTE OF TECHNOLOGY

The Beta Chapter has placed a great deal of emphasis on scholarship in its pledge training program of recent years. Each week, quiz reviews are given to the freshmen, in order that individual questions might be answered and the subject matter better clarified. Last year, a good part of the program was devoted to the subject of study habits. As a result of this work, a study booklet has been compiled which may be of use to some of the freshmen of years to come.

As evidence of the success of its endeavors, at last year's end, Beta's freshmen were first on campus. The chapter, as a whole, was fourth among twenty-eight fraternities.

Two of last year's juniors, Thomas O. Holtey and Lawrence D. Turner, were elected to both Eta Kappa Nu, the electrical engineering honor society, and to Tau Beta Pi, the Phi Beta Kappa of engineering. Tom has served as Zeta and alumni representative, and is currently the house manager. Larry's activities at Beta have included the positions of steward, food purchasing manager, Delta, and social chairman.

## RUTGERS UNIVERSITY

On September tenth, a full week before classes began, the entire brotherhood of Delta Chapter reported back and began a week of hard work on Pinehurst. Epsilon Jack Chadwick was in

charge of this major operation and his efforts are one of the main reasons why the house is now in the best shape it has been in years.

Soon after classes began, two more were added to the ever-increasing number of brothers and pledges in Chi Phi, as Kenneth Krause and Charles Neushaeffer were re-pledged. They had both pledged two years ago and then left school for a year.

An old tradition on the Rutgers campus was broken recently, as Dean of Men Cornelius Boocock banned fraternities from having "Greek Week." He suggested as alternatives either a "Greek Weekend," or using a part of Freshman Week for this activity.

A committee to study the problem of expansion here at Delta was set up at the last brother's meeting. Since the house is now filled almost to overflowing, this has become a major problem. The committee consists of two representatives each from the senior, junior and sophomore classes, and after making an extensive study of the situation, will report the findings to Alpha James Coffee.

## HAMPDEN-SYDNEY COLLEGE

Epsilon held elections last May and the following men were elected: John R.

Under the direction of Brother Calvin Opitz, the derbied, mustached individual, Betans, and their dates, captured the first place award given in M.I.T.'s centennial weekend train decorating contest. The train was rented by M.I.T. for the purpose of transporting nearly 1500 couples to Sturbridge Village, Sturbridge, Mass., to hear Pete Seeger. Each living group was allowed to paint and decorate their car as they wished. Our winning theme was, "One Hundred Years of Toil and Tears, Scientists and Engineers, Burma Shave." (Photo by Grundlehner, The Tech Staff.)

## FRANKLIN AND MARSHALL COLLEGE

Grymes '62 Alpha; R. Garnett Hall, Jr. '62 Beta; Ernest P. Curry, Jr. '63 Gamma; W. Hamilton Bryson '63 Delta; Horace Lukins '64 Epsilon, and Irvin Owings '62 Zeta.

On the 7th of September a party for incoming freshmen was held at the Commonwealth Club in Richmond and approximately one-fourth of all the incoming freshmen attended the party. Thanks to the unselfish and devoted help of Dr. Richard Michaux E '34; Mr. J. S. "Bene" Dortch, Jr. E '35; Mr. Andrew K. Leake E '35; Mr. Bruce James, Jr. E '52, and other members of the Richmond Alumni of Epsilon Chapter the party was a great success.

On October 28, Hampden-Sydney had

Homecoming. Chi Phi had their annual open house and a buffet supper was served to approximately 500 friends and alumni. We were extremely pleased with the large number of older brothers who returned for the festivities.

Epsilon has found that the academic program effected last year has paid great dividends. After all grades were compiled at the end of the '60-'61 scholastic year, the Chi Phi's at Hampden-Sydney had the highest academic average among all fraternity and non-fraternity men. This year the same program has been put into effect and all the members are striving hard to make this year's average even higher.

*Irvin Owings, III, Zeta*

The brothers returned to Zeta with a vigorous and determined spirit. Many came back early to help clean up, and at the present time "Dubbsheim" is in fine physical condition.

As a result of an improved attitude, Zeta bettered its scholastic average in the spring semester of 1961. Furthermore, the brotherhood has high hopes of doing even better this semester.

The first big social event of the year was Homecoming. With the help of brother Foster G. Urich '56, who was

## IRON CURTAIN

(Continued from page 1)

munist state. She claims that she is independent of Moscow. Shall we continue giving her foreign aid?

First let me state a few observations. Yugoslavia is a communist state. Free enterprise is allowed on a very small scale only. There is no legitimate means by which a person can dissent from government policy. Statues and pictures of Tito are very common and reminded me of Orwell's conception of Big Brother. However, at no time did I feel restricted in movement or in conversation with the other students living at the University of Ljubljana. I did not feel that I was living in a police state. As far as I could discern the great majority of Yugoslavs love their dictator, much as I found the Arab students love Nasser. There are several reasons for this. Tito is a great national hero. He organized and led the resistance against Hitler during World War II. Under his rule Yugoslavia has improved her material condition, although they still have little by Western European standards. Under his rule, this part of the Balkans has, for the first time in many generations, developed a consciousness of itself as a nation. He has maintained an enviable position in the cold war as the people see it. Most important, they believe he has their interests at heart and tells them what is true.

The Yugoslavs do seem to like Americans. They like us more than they like the other Western powers. They derive much of their income from West European tourists, mostly from Switzerland and West Germany (they still hate the Germans though). However, it is very wrong to over-exaggerate Yugoslavia's detachment from the Communist block I should

not have been too surprised that Marshall Tito fell into line by not condemning the resumption of Russian nuclear tests. This need not be regarded as cowardly hypocrisy. It is important to know that every Yugoslav student receives a thorough training in the tenets of Marxism and that this training makes part of him certain assumptions about the nature of a free enterprise society. Constantly Yugoslavia would explain our actions, as a nation, by utilizing the assumption that capitalism must be imperialistic. Imperialism means exploitation, hence capitalism is basically evil. Another example: I could not convince one student that, although many of the weather students in the United States attend private preparatory schools, it was not indicative of a rip-roaring conflict among the classes as described in Marxist dogma. We could not speak the same language. The term "class" as I understand it, is very different from the term "class" as he understand it.

On the other hand, Yugoslavs don't particularly like Russians, although some Yugoslavs have a number of cultural and ethnic ties with the people of Russia. However, and this is crucial, if forced to choose between the socialist camp, though it be led by the revisionists in Moscow, and the Imperialist countries of the West, they would be untrue to their beliefs, if they did not align themselves with the Socialists. To them it is a choice between good and evil. Big capitalism is bad; it will eventually be destroyed, although not necessarily by violent means. The Yugoslavs would rather avoid a choice. They are profiting too much by remaining unattached. But if pressed, their choice seems clear.

At the start of this section I posed a problem. Shall we continue aid? I will not answer it, because I don't know what

strategic value there is in allowing Yugoslavia to rule itself independent of Moscow. I will commit myself to this: If we continue aid it must not be in the vain hope that the Yugoslavs will eventually join our camp or that they will even conduct themselves with complete neutrality in the cold war.

My last comments are on Berlin. I stopped there briefly on the way home. The situation may have changed by the time this is printed; indeed, it was well covered by the press. I will just mention one small matter of human interest.

One evening as a friend of mine and I were walking back toward the Western zone after a day in the East, a woman, walking her French poodle, approached us and said—Sprechen ze Deutsch? We said: "no—we are American." She answered in very poor English that she was East German, but had a document allowing her to cross the border. She walked with us and as we approached the border she began to get very nervous. We noticed this, and suddenly the horrible thought occurred that this would make a wonderful grade B motion picture plot if this woman were actually attempting an escape. Not at all sure, but suspicious, my friend threw his arm around the woman as we approached the border and we acted as if we were old friends and traveling companions. The East Berlin guard checked my passport very carefully. My friend and the woman held up theirs and the guard, smiling, waved them through. Upon reaching the American Tank on the other side she began to laugh and cry as she explained that her passport was no good, having been issued in 1944. At any rate, at least one refugee voted with her feet that day, and my friend and I had a small part in making her flight successful.

recently appointed to the position of Assistant Admissions Counselor at Franklin and Marshall, a full day of events was scheduled for the alumni. All the planning paid off, as the day was a success.

Under the direction of Alan Burnaford, Rush Chairman, Zeta is putting forth a concerted effort in rushing. Several smokers and one party have been held, as well as many informal get-togethers with freshmen.

There are three Zeta Chi Phi's on the varsity football team, and the soccer team boasts four, as well as the team captain, Burnell Rossini.

Brother John Schneider was elected President of the I. F. Council for the school year. Under his leadership, the I. F. Council should once again play a major role in campus activities.

The new officers for the fall term at Zeta are: A. Garth Davis, Alpha; Richard H. Crawford, Beta; Charles Foresman, Gamma; Fred Zehrer, Delta; Pete Faust, Epsilon; Neil Murchison, Zeta; and Burnell Rossini, Steward.

*Neil B. Murchison, Zeta*

*Alfred D. Kennedy, Alpha*

**H**

#### UNIVERSITY OF GEORGIA

Many of the Eta brothers returned to school early this fall in order to help with the redecorating and putting the house in order. With the inspiration and financial aid of our fine alumni, the Eta Trust, and many others, new furnishings were purchased for some of the rooms, and the house took on an over-all glamorous look.

A well organized and extensive summer rush program, under the leadership of Rush Chairman Dick Lea, and the individual efforts of each brother, made our rush week a complete success. Of the forty-three fine men pledged by Eta, six were legacies. You will find the names of our pledges listed elsewhere in this issue. We want to thank all who sent us recommendations. We tried to give them a good rush.

A lawn party held during rush week assembled some 2,000 people, and an off-campus party following the South Carolina game was equally as successful.

A supervised study program has been initiated for all pledges and all those brothers with below a C average. They are required to attend at least four hours a week. This program was made possible with financial aid from the Eta Trust Association and the Chi Phi Educational Trust. At the end of Spring quarter Chi Phi had moved up from 19th to 10th

## ROBERT J. WICK, I '51 TALENT HUNTER

"Two former General Electric recruiters have gone into business for themselves to make moving to Cincinnati just a little bit easier for the nation's corporat nomands.

The one-time professional and technical talent hunters, B. E. Eynon and Robert J. Wick, have organized two businesses. One, Capitol Placement Consultants, offers much the same services to industry here and elsewhere which the young executives supplied for GE. It is headed by Mr. Wick.

The other, Capitol Associates Inc., headed by Eynon takes over after the

talent has been hired and through its Housing Tour Service and Apartment Selector, finds him a home or an apartment." —(The Post & Times-Star, Cincinnati).

Bob is a member of Iota, class of '51, and is Secretary of the Chi Phi Club of Cincinnati. After eight years with G. E. as a "talent" hunter he and his associate set up their new business in January 1960. Essentially, Bob concerns himself with locating, recruiting and evaluating professional men (engineers and executives) for companies on a consulting basis.

place scholastically on campus, and we are now striving to better this.

We are off to a fine start and are looking forward to making this a banner year for Chi Phi at Georgia. We hope you will stop by and see us.

*Wadleigh C. Winship, Zeta*

*Edward J. Lingo, Alpha*

#### OHIO STATE UNIVERSITY

During the Summer the men of Iota, actives and pledges alike, worked to get the house in shape for rush week and the school year. At present, the dining room has been refinished, the study rooms on the second floor have been remodeled, and work on the third floor has begun. In general the house is in good shape except that the living room carpet is showing signs of wear. Alumni who have returned to visit the house have been pleasantly surprised with its appearance.

The Summer was also a period of vigorous rushing. Parties were given in several Ohio cities. Of these, the one given by the Cincinnati Chi Phi Club was most successful in winning the Chapter three pledges.

A highlight of the well run rush week program, which left Iota with a ten man pledge class, was a visit by Brother Larry Snyder, I, '20. Brother Snyder led a lively discussion concerning his experiences at numerous Olympic games as the United States' track coach, and at Ohio State as head track coach.

In sports, Iota men won a basketball trophy in an exciting sudden death thriller last winter. The baseball team went all the way to the final game of the playoffs last Spring before being defeated. This Fall, Iota is represented by a football team and two bowling teams.

The house is continuing to lay major stress on scholarship. Enforced study hours prevail every evening, and quiet hours are in effect all night. This emphasis on scholarship should result in improved grade averages.

The present officers are: Edward J. Lingo, Alpha; Peter Sadow, Beta; Robert Blair, Gamma; Lee Coppess, Delta; Victor Winkler, Epsilon; Gary Gall, Zeta; and Frank Fiori, Steward.

An effort is being made, through the Iota Alumni Association, to up-date the list of alumni addresses. Will all Iota alumni please let the Chapter, or the National Office, know their current addresses?

*Gary Gall, Zeta*

*Foster S. Friess, Alpha*

#### UNIVERSITY OF WISCONSIN

Kappa chapter began another banner year at Wisconsin with Chi Phi's taking a leading role in most campus activities. Ray Hamel is president of the student government and Bob Schmidt is heading the activities of the big Wisconsin Union, giving Kappa of Chi Phi leaders in the two most important campus positions. On the political front Peder Svare is chairman of the Varsity Party. Bill Haberman is president of the Wisconsin Forensics Union. Active in the Interfraternity Council are Foster Friess who is serving as treasurer and numerous brothers on IF committees. Other active brothers include Bill Lantz on the varsity rifle team and Duane Quale on the Varsity Wrestling team. Dave Asmus chairmanned the annual convention of the Big-Ten Interfraternity-Panhellenic Conference held at Wisconsin this year. Tom Madland served as treasurer. Steve Underwood is playing first string guard

on the varsity football team and Jim McMillan plays center.

For the eleventh consecutive year the Chi Phi's have survived stiff competition to perform in the annual all-Greek charity show—Humorology. Kappa of Chi Phi has made the final show more often than any other Greek group on campus.

Fall rush produced a fine crop of seventeen new pledges, swelling the class to twenty-seven and assuring the chapter of continued success.

Thanks to the work of our alumni association, and its secretary, John Porter K '36, the brothers returned to find the house in the best condition ever. The kitchen and servery were completely redesigned and remodeled. The big living room sports a new coat of paint and a new carpet. The Kappa of Chi Phi Mother's Club provided the house with new draperies for all the bedrooms and a new dining room mural for the wall.

On the scholastic front Kappa of Chi Phi ranked tenth among the thirty-one fraternities.

Kappa began a new scholarship award program this past year with \$75 going to the active with the most improved grade-point over the previous semester and \$25 going to the pledge who met the same requirements. Winners were Jarry Redfield and Dave Nelson, respectively.

New chapter officers are: Foster Freiss, Alpha; Mike Zaleski, Beta; Carl Bergren, Gamma; Gordy Anderson, Delta; Steve Renk, Epsilon; and Tom Madland, Zeta. Bill Lautz is pledge trainer.

*Thomas W. Madland, Zeta*

*Lawrence R. Lathom, Alpha*

#### **NORTHWESTERN UNIVERSITY**

The brothers of Pi Chapter were back at school long before the scheduled beginning of Fall Quarter this year, preparing for the National Congress which was held at the Edgewater Beach Hotel in Chicago early in September. Due to a lot of hard work on the part of everyone, the Congress was a success.

Even before the Congress was over, work was begun on the house in preparation for Rush Week. The dining room was re-tiled, redecorated, and new lighting fixtures installed. The rest of the house got a good coat of paint, and a good deal of remodeling was done by the brothers. A record number of alumni were present at the annual Pledge Banquet held in honor of the new pledge class of fourteen men.

Pi Chapter is looking forward to participation in many campus activities this year. Due to sweeping our league in I.M.

## **SMITH NAMED PRES.-ELECT BY AMERICAN BAR ASSN.**

Brother Smith will be inducted into office in San Francisco August 1962. His tour while in office will take him to various states and local bar associations over the country. He is General Counsel for The Prudential Insurance Company of America, heading a department of 164 lawyers in Newark, N. J.

Smith has been very devoted to Lafayette since his graduation. The Lafayette Alumnus, in a recent story (April 1961) quoted Smith as follows: "If you were to ask my daughters, Thalia Barbara or Page, they would say, 'Lafayette comes first and civic interest second.' My sisters would insist the Class of '15 comes first and Lafayette second. If you ask my grandchildren you will get the answer, 'Lafayette's football team'."

**SYLVESTER SMITH, JR., Rho '15**  
*President-elect, American Bar Association*

football last year we have been moved up into the next league and have high hopes for another good year. Plans are being made now for full participation in Model United Nations in Winter Quarter.

Two of the brothers have been highly honored recently. Joel Russell, Alpha Winter Quarter, was elected to Phi Beta Kappa last spring, and Jim Harff, our present Gamma was elected to the National Chairmanship of the College Service Committee of the College Young Republicans at the National YR convention this past summer.

*David Linnig, Zeta*

*James E. Hartsel, Alpha*

**P**

#### **LAFAYETTE COLLEGE**

The past year at Rho has been one of unprecedented growth. We have gained, not only in strength, but in our outlook towards fraternity life.

The membership of the fraternity is now, at what we feel to be an ideal number, thirty-seven. The increase was due to a large pledge class of eighteen, and to the fact that there were only three graduating seniors last year. Another small graduating list of six this year ought to cause an increase in the membership to about forty-five. This figure, we believe, will be about as many as we desire to have in the house.

Our scholarship last year was just about the campus average for Lafayette. A new program emphasizing scholastics has been wholeheartedly supported by the Brotherhood, and all attempts are being made to improve our campus position.

Rho has started planning for a letter to be mailed to the parents of the under-

graduates of the chapter. The idea for the annual letter was presented at Congress by an alumnus from Xi Chapter. The letter is being jointly written by the local alumni and the officers of the house.

The Greek Week program has been extensively revised on work in the house, but the pledges were given an unnecessary amount of hazing. This year the entire Greek Week was spent on house improvements, but the pledges still remained aware of their position around the house. The emphasis on work was so emphatic that the entire Brotherhood joined in the projects. Consequently we were able to accomplish about twice the amount of work done in previous years. The entire dining room was completely redecorated, and the newly purchased furniture fit in perfectly. The basement halls, and the front yard were given some sorely needed attention.

This year Rho is embarking upon the practice of a comprehensive social fee, paid at the start of each semester, instead of individual assessments for each party. It is our hope that the new fee will eliminate tardy payment by the brotherhood, provide more efficient use of chapter funds, and assist the social chairman in his planning of our social life.

Our usual fall activities have been going on this semester. Following each of our home football games there was a cocktail party at the house and an informal party later in the evening. Our special feature this year was a buffet supper on October 21 honoring the parents of the Rho brotherhood. This affair was held in conjunction with the Founder's Day program at the college

and Homecoming Weekend for the alumni.

Our annual Christmas party is scheduled for Dec. 9. This year we are entertaining the underprivileged children of Easton with a dinner and Santa and his gifts. Later in the evening there will be an informal party at the house.

It is the hope of the alumni and the undergraduates that last year's growth will be dwarfed by the present year. The plans for an alumni buffet have been set for the weekend of December 2nd. The meeting will be mainly a business meeting which will decide the chapter's near future. Many plans have been laid out in previous meetings; but the December meeting will get the ball rolling.

*Fred Currie, Zeta, and  
Bruce Applestein '62*

*William D. Deihl, Alpha*

Σ

**UNIVERSITY OF ILLINOIS**

Sigma is proud to report that it has pledged twenty men during formal rush. This brings the total house roster to fifty-two men, which is capacity. In order to accommodate this large number of men, six new sets of desks, dressers, and beds were required. These were supplied through our alumni association. This is the first time that the house has been completely filled in many years.

We feel there were several reasons why our formal rush program was so successful this year. One factor was our extensive summer rush program carried out under the direction of rush chairman, Joe Andrews. Three rush parties were given during the summer, and they were all very successful. These parties enabled us to meet many of the rushees before formal rush started, so that when rush did start we already knew many of the men whom we wanted.

Another important factor in our rush program was our high scholastic standing. During the spring semester last year, Sigma's pledge class ranked number ONE out of fifty-seven fraternities scholastically. The house, as a whole, ranked tenth. We also received the first place scholastic improvement award. And last, but not least, pledge Ed Uzgiris received a trophy for having the highest pledge average at Illinois. Ed had a straight A average, which is pretty hard to beat. Because of these scholastic achievements, Sigma will receive three large trophies to add to our growing collection. We stressed our high scholastic standing a great deal during rush, and we feel that this is another reason for our successful rush program. Because we

President of Chi Phi Club of Memphis, John W. Apperson, Alpha Chapter, (standing), speaks at Pledge Banquet of Tau Chapter. Shown seated are James Munroe, Alpha; E. M. Henderson, Eta '32; and C. P. Brightwell, Eta '36.

pledged only those men in the upper half of their graduating class we feel that we will be able to maintain our high house average.

Sigma's winter formal will be on Saturday, the 16th of December, and all brothers and alumni are welcome to attend.

*Don Allen, Zeta*

*James Munroe, Alpha*

T

**UNIVERSITY OF ALABAMA**

Anyone wandering into the Tau living room for the first time since last spring would back up, glance over his shoulder, and check the Greek letters over the door, so much has our house been improved! Thanks to a loan from the Chi Phi Educational Trust and a "little" effort from the pledge class, we have been able to completely redecorate our living room and improve our upstairs living area.

The pledge class from last spring came to campus a week early to sand the floors, paint the walls, and in general, engage in a "slight" work week before initiation. That, combined with our new set of modern furnishings has really given Tau men something to crow about.

Rush Week ended successfully with twenty-eight outstanding boys being pledged. Compared with the other fraternities, this number ranks us in the top five pledge-wise. And with the quality of boys pledged, this can't help but be a banner year for Chi Phi at the University of Alabama.

Tau men on the go this year are: Tommy Smitherman, past alpha, president of the Cotillion Club; Edgar Sentell, associate editor of the year book and

Arts and Science representative to student legislature; Andy Gentry, leading the yells for our Crimson Tide as cheerleader; pledge Paul Sharbel, Commerce representative to student legislature; and pledge Joe Moore, disc jockey for the U. of A. campus radio station.

Sports wise, Tau came out on top last spring in bowling, winning four trophies and our spectacular tennis team also made off with a trophy. This year, with the increased number in our house, we're expecting to line up a new set of trophies across the mantel.

Scholastically, Tau was eighth on campus last semester, not the best we've ever done grade-wise, but still much higher than the all men's average.

*Ray Wilbanks, Zeta*

*Mikel P. Groover, Alpha*

Ψ

**LEHIGH UNIVERSITY**

Perhaps the outstanding event in the halls of Psi this semester was the arrival of a puppy. Although small and furry at present, he is a potential 220 pound Saint Bernard. According to the experts, it will probably take about four years (and half as many tons of dog food) for him to reach full maturity. After much debate, the house decided to name him Baron. This seemed to fit well with his last two names, Von Blankenbach, which were supplied him by his sire.

In intramural athletics, the chapter is presently riding on a crest of victory. We embarked upon the football season with high hopes of defending successfully the coveted all-university sports title which we won last spring.

The social calendar for the semester includes such traditional events as House-party and Lafayette weekends. We are hoping to have a large alumni turnout for the football game and party on Lafayette weekend. On October 14, the chapter entertained the mothers and fathers of members. An exciting football game followed by a gala party made for a very enjoyable Parent's Day.

*Lewis E. S. Parker, Zeta*

*Robert W. Shuman, Alpha*

Ω

**GEORGIA INSTITUTE OF TECHNOLOGY**

The summer proved to be a busy one. Improvements were effected both in the house and on the grounds. The downstairs walls and ceilings were repaired and painted. A new floor and ceiling were put into the south end of the dining

room. The living room furniture was repaired and reupholstered.

A row of boxwood bushes was planted across the front of the lawn. The bank in front of the house was graded, and ivy was planted in place of the grass. The lawn furniture received a fresh coat of white paint, as did the wooden trim on the outside of the house. Brother Braxton Comer built a box for storing garbage cans in the back yard.

The house was therefore in good shape for rush, which was directed by Brother Sattelle. Twenty-eight new pledges walked up the front steps "pledge Sunday."

The pledge study hall, begun last year, is in the capable hands of Pledgemasters Walter Rapp and Howard Simmons. The study hall is held between 7:00 P.M. and 9:30 P.M. Monday through Thursday.

On the social side we serve buffet lunch before every home football game. On October 29 a banquet for the brothers and pledges and their dates has been planned. Several of the leaders of Chi Phi and Georgia Tech have been invited as guests.

The present officers of the fraternity are: Bobby Shuman, Alpha; Fred Rudder, Beta; Braxton Comer, Gamma; Otis Philips, Delta; Bobby Gilbert, Epsilon; John Porter, Zeta; Bill Ranck, House-manager, and Walter Rapp and Howard Simmons, Pledgemasters.

*John Porter, Zeta*

*Stephen C. Lowder, Alpha*

**AA**

**UNIVERSITY OF NORTH CAROLINA**

Alpha-Alpha is away to what we hope will be one of our finest years. Under the leadership of our Rush Chairman, Jack Spencer, we enjoyed a most successful rush. Eighteen fine men were pledged. This brings our house membership to fifty, including 32 brothers.

The social season has also gotten off to a good start. Combo parties on football weekends have been held and sorority mixers with the Tri Delt's, ADPI's, and Chi-O's are planned.

On the athletic scene, our intramural football team has established itself as one of the powers of the campus. We are currently engaged in the playoffs for the campus championship. Prospects are also good for our other intramural teams. All Alumni are invited to come by the house any weekend during the year. We look forward to seeing you.

*Alton Russell, Zeta*

**PHILLIPE NEW  
GE PRESIDENT**

The following letter from Brother Husbands, A@X '33, a junior at the time Brother Phillippe graduated, gives us a glimpse of Brother Phillippe untold in the magazines and papers:

"If it has not already come to your attention, Brother Gerald L. (Flip) Phillippe, A@X '32, has been named (8/1/61) president of General Electric Co.

In school Flip was one of the pillars of the house. As I look back through twenty-eight years he typifies to me the ideal fraternity man. He knew what he was at school for but he blended it with sensible good fellowship. In short I'm not surprised at Flip's selection."

Phillippe is the 7th President of G.E., and is in charge of service components, including accounting, engineering, law, management, consultation, manufacturing, marketing and research.

He graduated from the University of Nebraska in 1933 with a MA degree and joined the General Electric Business

**GERALD L. PHILLIPPE, A@X '32  
New G.E. President**

Training Course that year. In 1953 he was elected comptroller and principal financial officer of the company.

*Bob Bauer, Alpha*

**AX**

**OHIO WESLEYAN UNIVERSITY**

Under the fine leadership of Bob Bauer and Earle Sanford as co-rush chairmen, and with the help and cooperation of every brother in the chapter, we pledged nineteen outstanding freshmen, this being the largest pledge class at Alpha-Chi in several years.

Also tops in fall activities at "The Oaks" was our rise to power in the fall intramurals. The football team was a season leader all along, and the volleyball team was also quite strong. Our tennis and handball teams were also well represented this fall.

At Fall Homecoming, several Brothers returned to meet their old friends and to renew acquaintances. At this time they were greeted by all the Brother of the active chapter and by the new pledge class. Plans were discussed concerning our new house, which is seen to be a reality in the very near future. Also, an invitation was extended to all Alumni to attend our Winter Homecoming the weekend of February 9-11, 1962.

Again this year, as in many past years, Chi Phi's not only displayed their leadership qualities and other talents within the fraternity, but also participated in many campus activities. In varsity athletics this fall we were represented on the football, soccer, and cross-country teams. Brothers also participated in Student Government, Interfraternity Council, Circle K, Men's Glee Club, A Cappella Choir, Concert Band, Marching Band, and Orchestra. But we at Alpha-Chi do not overlook the scholastic side of college life, even with our many and various campus and house activities. This is shown in the fact that last year in scholarship we moved from twelfth to fourth out of fourteen fraternities on campus, and thereby won the Scholarship Improvement trophy. And this year we are out to beat our record of last year. Also, Brothers are in several of the honorary fraternities, Phi Society, and on the Dean's List.

Our final fall item was the selection of Brothers Jeff Brown and Terry Russell as co-rush chairmen for next year. With the help of all brothers, another successful rush season can be anticipated for September, 1962.

Above are just a few of the ways in which Alpha-Chi is building a stronger Chi Phi.

*Terry Russell, Zeta*

*Stanton D. Irons, Alpha*

**AA**

**PENNSYLVANIA STATE COLLEGE**

Alpha Delta is now embarking on a period of experimentation that has been made necessary by a four term academic year. This new system has been developed by the University, and it will provide four, ten week terms each school year. Three terms would compare with two semesters, thus giving the student opportunities to accelerate. The actual number of credits to be taken in the quarter will be less than that allowed during the semester, but classes will be longer and more intensified. As a result, the individual does not enjoy the free time that once existed with the older system. In addition, many problems have cropped up, such as: How to adjust the pledge program, rushing, study hours and house activities. Will we have to drop certain Fraternity functions in order to keep up with the heavy academic load? With proper efforts of the chapter, we feel that these various problems will be solved successfully. The largest burden will be placed on the chapter Officers, elected in the Spring: Alpha, Dave Irons; Beta, Bob Jones; Gamma, Duane Junker; Delta, Dave Grow; Zeta, Gregg Duvall; Epsilon, Gene Mariotti; Eta, Bill Michael; and Caterer, Dick Krouse.

Thus, with the increased academic pressures and the awareness of the importance of a good college education, scholarship is being stressed more and more. We at Alpha Delta are well aware of these academic responsibilities and base our pledging program strictly around this objective. As a result, we have had favorable showings in our all-house average. This past semester the house average was a 2.56, which gave us a ninth position out of the 54 fraternities represented on campus. An excellent showing, when considering the top four in this area were professional fraternities. Once more the house average was also well above the All-University men's average.

Alpha Delta could not be a Fraternity if it existed only for intellectual advancement. In order to mold a well-rounded gentleman, we offer a well balanced social calendar, including weekly parties at the house, cocktail parties, dinner dances, barbecues, sorority mixers, jam sessions, and other specialized events. In

addition, we emphasize the importance of physical exercise; this we encourage through a competitive intramural sports program.

This year, 18 new pledges have returned to begin formal pledging, and it's a creditable group. Many of the class are represented on campus in such activities as Student Government Association, Orchestra, Marching Band, Glee Club, and Varsity Sports. Scholastically the class rates on top. Hard work and enthusiasm on the part of the pledges with help from the brothers, have resulted in the excellent physical condition of the House. The main stairway has been sanded and refinished, the kitchen has been repainted, the front door and entrance to the house have been refinished, and the driveway and parking area have been re-conditioned.

*Gregg Duvall, Zeta*

*Curtis Brandon, Alpha*

**ΓΔ**

**UNIVERSITY OF MINNESOTA**

Several rooms in Gamma Delta house were remodeled and painted as part of the long range upstairs improvement program inaugurated last year, and of course the entire house was cleaned from top to bottom. Formal and informal rush lasted from September 23 to October 6, and at the end of this period four students were pledged, forming the nucleus of our fall pledge class.

During the week prior to commencement a meeting of fraternity and alumni chapter officers was held to prepare and discuss the fall program. Gene Strommen, GD '55 alumni secretary and liaison officer to the active chapter, presented alumni projects for improving the house as part of the remodeling program, and also announced that the financing of the new furnace purchased last year was completed.

The chapter was pleased and honored to learn that Brothers Erickson and Andersen had returned from the fraternity congress with the scholarship plaque for the 1960 school year. The active chapter is presently down to a small but energetic and scholastically strong group of twelve. Of these, two brothers deserve mention. Brother Robert Moeller was elected senator in the student government last spring, and also is the Chi Phi candidate for "Dean for a Day." Brother Richard Johnson is president of the University bands, and as drum major he leads the Football Marching Band.

*Sheridan Kramer, Zeta*

This is the house that overflowed. A record number of 36 pledges were welcomed fall term into Epsilon Delta chapter house at Oregon State University. Six months earlier in April, a record number of Chi Phi fathers were welcomed as part of OSU's Dads Weekend.

*Darve Stutz, Alpha*

**EΔ**

**OREGON STATE UNIVERSITY**

A large pledge class, an immense homecoming sign, an overflowing chapter house and a huge drive to make 1961-62 the biggest and best fraternal and scholastic year characterized fall term at Epsilon Delta at Oregon State University.

Thirty-six men pledged at the end of formal rush week in September. They come from Sunnyside, Wash.; Portland, Ore.; Miami, Fla.; Coalinga, Calif.; Panama, R. of P.; Grants Pass, Ore.; and many other places to join the chapter. Leading the pledge class through its first term at OSU is pledge president, Dean Caldwell, '65.

The chapter house was filled to capacity with 68 men. The conversion of a few four-men study rooms into five-men rooms and the conversion of the guest room to a three-men room, ended when the chapter's annex located in back of the chapter house was opened for six.

Housemother Mrs. Edna Salmons underwent major surgery during the summer and did not return in September for the opening of school. Mrs. Joella Holt, OSU replacement housemother and close friend of Mrs. Salmons, substituted.

A homecoming sign, stretching high and wide, was erected for the Nov. 4 game against Washington State University. "Campus Fun for '61" was the theme of the Homecoming weekend celebrations. Many alumni and parents visited Corvallis.

Beautiful decorations and wonderful music enchanted Chi Phi's and their dates November 18 at the annual Chakett Ball, a pledge dance. The pledges, led by chairman Roger Weed, freshman in pharmacy, organized and planned the entire function.

The engineers, pharmacists, foresters,

## OREGON STATE UNIVERSITY

(Continued)

social scientists, agriculturists, educators and scientists in the house started the academic year with a serious scholastic endeavor. The goal was to develop the entire learning potential of each man. Jim Cathey, senior in education, is scholarship chairman.

Fraternity officers are Alpha, Darve Stutz, '62; Beta, Bill Peek, '62; Gamma, Frank Schmittroth, '62; Epsilon, Walt Powell, '63; Delta, Dexter Anderson, '62, and Zeta, Bob Wassman. Other officers are Dick Demers, social chairman; Mike Mulder, Athletic chairman; and Len Schaber, house manager.

*Bob Wassman, Zeta*

*John Stephenson, Alpha*

### UNIVERSITY OF SOUTHERN CALIFORNIA

Eta Delta Brothers hold a number of important campus positions of prestige and responsibility. Gil Garcetti was elected as Associated Men Students President. John Stephenson and Dale Moffett have been instrumental in the Student Senate. Brother Stephenson is usually thought of as the "Conscience behind the bloc of Business Senators." John Zorger has won a reputation at SC in the field of finance, and was named a member of the ASSC Finance Committee. He worked on the school Annual in that capacity and is the House Delta. In the field of athletics, Larry Tappy and Brother Stephenson will travel with the Big Five champion Basketball team, while Dick Hare has been leading the SC rooting section. In the National political field, Ron Sugarman, former National Chairman of the Youth for Kennedy-Johnson campaign, received an invitation to work in Washington and conferred with the President several times over the summer. He also heads the National Student Congress.

On the University level, Chi Phi received the Scholarship trophy, which is given for the best improved House on campus. The Chapter finished above the All Men's Average at SC.

The Traditional Watermelon Dig, the only "all University" function held by a Fraternity at Southern California, was held after the SC-Illinois game. This tradition was started in 1943 in order to give the servicemen at SC an event to show the Fraternity's appreciation for the War effort. Since 1954 a Watermelon Queen contest has been held in conjunction with the Dig.

### UNIVERSITY OF FLORIDA

Theta Delta began the year with normal activity around the house. Not only did we complete the usual cleaning and polishing, but we also erected a sixty foot long fence to complement the privacy of our parking lot and remodeled our patio area in a Thaiian decor.

At the beginning of the semester we were presented with the trophy as winners of the Interfraternity Council blood drive. This is the ninth straight year that we have received this trophy. Of our forty-seven active brothers we have men in various campus activities. Notably, Brothers Vito Uski and Eddie Donn are officials in the publishing of the "Florida Engineer." Brother Bill Whitmire is treasurer of the Society for the Advancement of Management, while our Alpha, Don Bode, is quite active on the campus political scene and serves as Sergeant Major of the University of Florida Army ROTC.

### INDIANA UNIVERSITY

When the Brothers returned to Bloomington for registration in mid-September, the fall pledge class was already of considerable size, and it has grown even more since that time. Assuming that all of our fall pledges make their grades, we will have thirty men eligible for initiation in the second semester. The pledge trainer is Gerald K. Walter, '62, Dyer. There are thirteen men eligible for activation this semester, having been under the leadership of pledge trainer Edward J. Knartzer, '62, Indianapolis. Overall, 1961 has been a most successful year for rush at Iota Delta.

Several major improvements to the house were made recently. The living room, front hall, powder room and first floor telephone booth were completely redecorated. New carpeting was laid throughout these areas, and all the furniture in the living room was replaced. New tables and lamps are complemented by the ox-blood chairs and antique white sofas, and accented by the newly-painted walls and woodwork. A large new wall mirror, donated by Mr. Max Montgomery, increases the apparent size of the room.

The chapter purchased a new gas range

for the kitchen, and the cooks report that meal preparation has been greatly simplified. The Father's Club, at its annual meeting on October 7, purchased a heavy-duty, all-purpose floor and rug sweeper and cleaner for the house.

Irving B. Countryman, Sigma '17 and Iota Delta '58, arrived in Indiana in early October, from his home in Riverside, California, to head the fund drive for Iota Delta's new chapter house. Iota Delta's Council Representative, Robert Secor, Kappa '35, Iota Delta '58, Indianapolis architect, Arthur Wupper, Sigma '27, and Brother Countryman met with Iota Delta's undergraduate membership and pledges on October 16 to discuss all phases of activity concerning the new house.

The chapter has chosen Dr. N. J. G. Pounds for its faculty advisor. Dr. Pounds was educated at Cambridge and the University of London, and he has won the Nobel Prize in Geography on two occasions.

Numerous alumni of this and other chapters attended Iota Delta's Alumni Day on October 21. The day's activities were very informal, designed to give the returning Brothers time to renew old friendships and make new acquaintances.

At the first chapter meeting of the year, the following men were elected to the Council: Alpha, James S. Russ, '62, Canton, Ohio; Beta, Jerry G. Gaines, '62, Waldron; Gamma, Joseph V. Goeller, '63, Mishawaka; Delta, Richard D. Miller, '62, Wanatah; Epsilon, Jon G. Smith, '63, South Bend; Zeta, William S. Montgomery, '64, Muncie; Social Chairman, Paul S. DePaulo, '64, Los Angeles, California, and Athletic Chairman, Gordon E. Gouveia, '63, Auburn.

*David J. Keudell, Alpha*

### UNIVERSITY OF OREGON CHI PHI COLONY

During formal rush twelve men were pledged. Subsequently we added three pledges, giving us a pledge class of twelve freshmen and three upperclassmen. Epsilon Delta initiated one of the spring pledges in October.

We placed first on the campus last year in scholarship.

The addition of a piano to our living room has added much in the way of singing and conviviality. A fireside was held October 20th, and the first house dance will be held this winter term.

We are busy working on our plans for chartering, and presently hope to receive the necessary approval from the I.F.C. and the Council by early spring, 1962.

# LET'S TALK IT OVER...

*Continued from inside front cover*

## NEW HOUSE PROPOSED

Our newest chapter, Iota Delta, at the University of Indiana is currently engaged in a building Fund Drive. Plans for a new chapter house are now being developed by architects, a building lot has been purchased and occupancy set for September 1963. I. B. Countryman, Sigma '17, Iota Delta '58, is in charge of the campaign for the Iota Delta Alumni Association. The goal is \$40,000, and the first phase of the campaign, now under way, ends January 1, 1962. If you are in a position to assist with a contribution, contact I. B. Countryman, or Donald-Coffee, President, Iota Delta Alumni Association, P. O. Box 148, Martinsville, Indiana. Their slogan is "Give Chi Phi a little of what it gave you".

## NATIONAL DIRECTOR VISITS CHAPTERS

After a brief visit to our new Colony on September 13, I flew to Oregon to visit Epsilon Delta (Oregon State University) and the University of Oregon Colony. Epsilon Delta's three year old house was filled to it's capacity of 68 men and several more had to be placed in an annex owned by the Chapter. Both groups had a fine rush—the Colony pledged 15 men and the Chapter 37.

Lambda (University of California) was in a slight state of discomfort as the result of a construction project in the basement. The alumni's three phase program of rebuilding the chapter house, acquired last year, calls for a study-library and a new chapter room to be built next year. The second phase, now

in progress, provides a recreation area in the basement. My visit to U.S.C. and Eta Delta was highlighted by a noon lunch with the officers and directors of Eta Delta of Chi Phi Alumni Committee. Both the California chapters took smaller than usual pledge classes although neither chapter is any trouble as a result.

Other chapters visited this fall were: Theta Delta (University of Florida), Iota Delta (University of Indiana), Iota (Ohio State), and Alpha-Chi (Ohio Wesleyan).

Alpha-Chi is having a banner year. They pledged 19 men, have a full house and are the talk of the Campus. Brother Wyford Jones is the Chapter Advisor. All Alpha-Chi alumni should know of Wyfords time and devotion to the Chapter. Here is the perfect example of "good advisor—good chapter."

Iota looks better than it has for several years—a few more pledges and they will be well on their way to a good year.

Iota Delta is a top chapter on their campus. They initiated 13 men on November 4, and took a pledge class of 22 men. They contributed in excess of \$500 to the House Building Fund as a result of their summer efforts and plan to raise \$1,000 next summer. Each Brother pledged \$25, or two days work, whichever was the greater.

Theta Delta's new faculty advisor, Col. Thomas A. Graham, Jr. was installed early in October. Col. Graham is not a Chi Phi, but has a tremendous interest in young men and vounteered to assist our chapter in every way possible. The Chapter is determined to correct the several

problems plaguing it in recent years and with the alumni counsel and assistance it is now getting, should rapidly recover its former status on campus.

Charles W. Stoddard, AD'31, reports Zeta Chapter in good shape and conducting an all-out rush. In December Brother Stoddard will visit Alpha (University of Virginia) and Theta Delta (University of Florida) on behalf of the Council.

## TEXAS—COLORADO—WHERE NEXT?

If we superimpose a triangle on the map of United States with the base extending from Los Angeles, California to New Orleans and the sides running to a point midway on the Minnesota-Canada boundary line you have an area barren of Chi Phi Chapters.

Our expansion of the next few years should take us into schools in some of these areas. Undoubtedly there are schools that would welcome Chi Phi. There are undergraduates who, with encouragement, would develop colonies on these campuses. There must be alumni who would help. Since it is impossible for me to conduct an extensive personal inspection of the schools in such a vast area the Council would appreciate receiving your suggestions. If you reside in or near a school of good academic repute, why not drop in on the Dean of Men and ascertain the present climate for fraternities and advise me. The development of outstanding chapters at the Northwestern, Connecticut and Indiana since 1950 proves that expansion can be accomplished without deterioration of standards or weakening of position.

CARL J. GLADFELTER  
National Director

## ALUMNI NEWS...

PARER LEE McDONALD, ΘΔ'46, is now a circuit Judge in Orlando, Florida, district.

✓ ✓ ✓

DR. JOHN SANDERS PIKE, Γ'49, who taught School of Dentistry at the University of North Carolina for four years, is now residing in Atlanta practicing Dentistry for children.

✓ ✓ ✓

MR. FRANK E. COWLEY, JR., ΑΔ'48, of West Covina, California, was voted President of URE Electronics, Inc., by the board of Directors on Jan. 1, 1961.

MR. EDMUND F. LINDOP, JR., ΗΔ'47, teacher at the University High School in Los Angeles, has just completed his third juvenile book, and his sixth grade text book has been adopted by districts in Oregon, Illinois, Pennsylvania, Oklahoma, and California.

✓ ✓ ✓

DR. EARL A. MAYO, JR., ΑΠ'43, physician in Richland, Georgia, has completed a clinic next door to their hospital, and looking for an associate. Would like to hear from A-Pi fellows.

MR. ALFRED C. WARRINGTON, IV, ΘΔ'57, Senior Accountant of Arthur Andersen & Company, looks forward to soon being able to form a Theta Delta Club in Atlanta.

✓ ✓ ✓

MR. DAVID R. CODD, T'53, of Montgomery, Alabama, plant manager at Darby & Sons Cleaners & Laundry, sends best wishes for our success this year.

✓ ✓ ✓

MR. I. B. MAGNESS, S-W, of Spartanburg, South Carolina, was selected Realtor of the Year 1960.
