The Chi Phi Chakett is published in September, December, February, and April by The Chi Phi Fraternity, 3330 Peachtree Road, N.E., Room 550, Atlanta, Georgia 30326. Second class postage paid at Atlanta, Georgia. Subscription rate, \$5.00 per year. Single copies \$1.50.

**LET'S TALK
 IT OVER . . .**

The following four and one-half pages of the June 1963 issue of "Amherst Reports" discusses Fraternities at Amherst, but contains observations and statements that should be of interest to all Fraternity men. I think it is well worth taking a few minutes to read.

IN 1957 AN AD HOC committee consisting of two trustees, two members of the faculty, two alumni, and two undergraduates re-examined the fraternity system to make further recommendations to the Board of Trustees. Each segment of the Amherst community was invited to express its views, and procedures at other colleges and universities were studied. The Committee concluded that Amherst's fraternities had responded positively to the challenges of the postwar decade and that with some modifications should be continued as the "basic social and living arrangement for the three upper classes." They felt that the criticism of discrimination had been resolved by the fraternities' performance, and that the issue of national vs. local affiliation should be determined by the undergraduates. On the question of "anti-intellectualism" they supported the view of an alumnus who wrote: "The argument that fraternities and clubs are anti-intellectual seems to me overdone. Sleep is also anti-intellectual. I hold with a man's right to be anti-intellectual on his own time. I think it makes him a better student. I doubt that removal of fraternities or clubs would make much difference except to indicate that the source of anti-intellectualism would have to be sought elsewhere."

The Committee foresaw as the fraternities' gravest future problem their growing financial difficulties resulting from rising costs and tax assessments. "The result, in our judgment," they commented, "will be that if fraternities are to continue in the future, there will come a point when the College will have to subsidize their operations in some manner or see them fall by the wayside. Such subsidy by the College will, in our judgment, be as advisable as it is necessary, for the alternatives which would then be available to the College would be infinitely more costly quite aside from the fact that they would involve the loss of one of Amherst's finest assets."

Their prediction became the basis of the Trustees' recent decision concerning fraternity support. Some years ago two Amherst fraternities deeded their properties to the College. Their graduate corporations then leased the properties back from the College at a small annual fee and continued to operate the houses as they had before. Two financial

Sparks Medal Winners Announced by Trustees

*Campus and chapter leaders
also proficient in scholarship...
more winners will be announced
as chapters complete reports*

THE TRUSTEES of the Chi Phi Educational Trust and the Council announce and congratulate the 1962-63 Sparks Memorial Medal Winners.

Again this year the winners are not only exceptional students but campus and chapter leaders. Two of last years three time recipients were Alphas of their chapters: Fred Rudder '62, Georgia Tech and Donald D. Bode, Jr. '63, University of Florida. Gilbert Garcetti '63, University of California, also held the top spot in the chapter. Fred was elected to Tau Beta Pi, Don to Phi Beta Kappa and Gil to Beta Gamma Sigma.

Jim Newton '63, University of Texas, was not only a two-time winner but was very active in the campus theatre and held numerous offices in the chapter. Jerry Franks '63, University of Alabama, was nominated Phi Beta Kappa, and also served the chapter as an officer. Lew

Parker '63, Lehigh, was the chapter Alpha and helped organize a most successful Zone meeting for the Council. Most of the first award men are the class of '64 and '65 and it is a safe bet that more than one will serve as Alpha.

In addition to the Sparks Memorial Medal winners Noel Stowe '63 of the University of Southern California and William H. Bryson '63, Hampden-Sydney, made Phi Beta Kappa. This in spite of the fact others in their chapter won the medal. Noel, now a graduate student, is Alpha of his chapter, and Bryson, who was Chapter Beta, is in France on a Fulbright Scholarship in Economics.

The winners for several chapters have not been nominated due to the failure of the chapter to file the proper reports with the Council. The Council hopes to be able to announce additional medal winners in the next *Chakett*.

FRATERNITY SCHOLARSHIP IMPROVEMENT

The general rise in fraternity scholarship over the years, as evidenced in the following chart,† should be given wide recognition. There is now no need to be on the defensive. In addition, no longer should the results of a little known but major U. S. Office of Education Study* of 147 institutions and 13,700 students made a few years ago remain buried in the pages of its 177 page report. Dr. Paul P. Van Riper, Cornell University, representative from the Fraternity Scholarship Association to the National Interfraternity Conference, has recently called attention to the study and has extracted some remarkable facts. He stated that fraternities are performing exceptionally well academically — *in their holding power through to graduation*. He quoted from a few conclusions in the study showing that (1) while only 33% of the men on campuses with no fraternities graduated, and (2) while only 47% of the

men on campuses with fraternities but who did not join graduated, (3) 52% of the men who joined local fraternities and 59% who joined national fraternities graduated. He noted that Delta Upsilon and Beta Theta Pi had compiled their own retention figures last year and these findings supported the U. S. Office of Education study. He has recommended that all fraternities compile and utilize such information for use with college and university officials, rushees, parents, etc. Its significance is very obvious.

RUTHERFORD L. ELLIS, H '25

WILLIAM C. WARDLAW, JR., Ome '24, *Treasurer*

HENRY G. GILDNER, A-T '24

THE CHI PHI EDUCATIONAL TRUST'S annual report for 1963 reveals the greatest single year's growth in the fund's history both in assets and services.

GREAT GROWTH REVEALED

The report reveals the following growth:

- An increase in the assets of \$29,548.65.
- Contributions of \$22,489.04, which represents an increase of \$15,112.04 over 1962.
- Scholarship grants to students of \$3,850.00, an increase of \$2,350.00 over 1962.
- An increase in the number of student loans. Outstanding loans total \$2,723.16, an increase of \$1,343.16 over 1962.
- Increased loan service to a greater number of chapters for rehabilitating and modernizing existing chapter house facilities.

SCHOLARSHIP PROMOTED

The Trust continued its program of recognizing excellence in Scholarship by awarding Sparks Medals to the outstanding students in each chapter. It also made cash awards to the two chapters ranking above all CHI PHI chapters, and to the chapter showing the greatest improvement in scholarship. It annually distributes hundreds of copies of "A Guide to Better Scholarship" to those chapters requesting copies, and finances the work of the Scholarship Counselor, enabling him during the past year to visit and consult with chapters and Zone meetings in the East and South.

MANY CHAPTERS AIDED

During the year the Trustees made new loans to the following chapters: Alpha-Alpha (North Carolina), Sigma (Illinois), Mu (Stevens Institute of Technology), Iota Delta (Indiana) and Gamma (Emory). Additional loans were made to Theta Delta (Florida) and Tau Delta (Oregon). In addition to the above loans, this fall funds are being advanced to Chi (Dartmouth), Alpha Theta Chi (Nebraska Colony), and Epsilon (Hampden-Sydney). In every case the funds are being used for either renovation of existing facilities or new construction.

STUDENTS BENEFIT

Student loans and scholarship grants were made to Chi Phi undergraduates and graduate students attending the University of Nebraska, University of Georgia, Ohio State University, Amherst College, University of Texas, University of Alabama, University of Rhode Island, Stevens Institute of Technology, University of Southern California, Georgia Institute of Technology and the University of Illinois.

HELP IS NEEDED

It is apparent that the Trustees of the Chi Phi Educational Trust have seriously endeavored to adhere to the original purpose of the Trust of: one, assisting and promoting scholarship; two, helping to provide improved educational facilities; and three, assisting needy and deserving students. The Trustees urge you to participate in the program by annually giving to the Trust, or by providing a bequest in your will.

DONORS WILL "SAVE MONEY"

It is generally predicted that the tax bill before Congress will be ratified early in 1964, to take effect as of January 1st.

(Continued on next page)

EDITORIAL TRUST

(Continued)

The tax rate reduction provided in the new tax bill to take effect in 1964 will conversely reduce the deductible dollar which donors may claim for gifts made to charitable and educational causes. In short, each contributed dollar, after December 31st of this year, will "cost more" because it will permit a smaller tax exempt gift deduction. Therefore, regular donors or prospective donors to the Chi Phi Educational Trust may wish to give serious consideration to making gifts before the end of this tax year.

A form is provided on the bottom of the page for your convenience in remitting a gift to the Trust, or for requesting additional information from the Trustees regarding gifts, tax exemptions, or bequests. Gifts to the Chi Phi Educational Trust are tax exempt.

Florida Judges are Chi Phis

Theta Delta a Producer of Judges

Judge Ray Pearson

DON'T "GO WEST" go to Florida, might be the modern day word to a young Chi Phi with ambitions to be a Judge. Among those who have, or, are now serving as Judges in Florida are: former Circuit Judge and former Mayor of Miami, Robert Floyd ThD'40; former Circuit Judge George Holt A-Pi'25 of Miami; Ray H. Pearson ThD'44, Circuit Judge, Miami; James D. Bruton, Jr., ThD'31, Circuit Judge, Tampa; Rodger A. Barker ThD'35, Circuit Judge, Orlando; J. Tillman Pearson ThD'36, Court of Appeals, Miami; and Parker Lee McDonald ThD'50, Circuit Judge, Orlando.

Judge Ray Pearson has been Circuit Judge of the eleventh Judicial Circuit of Florida since 1956. From 1953 to 1956 he was Judge of Dade County Court of Crimes.

He joined Chi Phi in the fall of 1940 and was Alpha of Theta Delta in 1942-43. Ray's two brothers, Judge J. Tillman Pearson and Dr. C. Dade Pearson '41, both of Miami, are Chi Phis. After three years of military service he was discharged in 1946 with the rank of Captain. He was deployed in the European Theater and received three bronze battle stars, the silver star and the Presidential Citation. Upon his return to Miami in 1946 he entered the University of Miami School of Law and immediately following graduation in 1949 set up private practice.

Judge "Ray" is immediate past president of the Miami Kiwanis Club and currently a director of the Y.M.C.A., Lighthouse of the Blind, and National Conference of Christians and Jews. He has always been active in civic affairs and is a past president of the Miami Jaycees. He and his wife, Georgia, have two sons, Stephen age 10 and Scott age 6. They make their home in Miami.

Judge James D. Bruton, Jr., moved to

Florida in 1918, at the age of ten. He attended public schools in Plant City and graduated from the University of Florida School of Law in 1931. He engaged in the private practice of law in Plant City from 1931 to 1961 at which time he gave up a most lucrative practice to be elevated to Circuit Judge of County of Hillsborough.

Brother Bruton is a Fellow of the American College of Probate Counsel and is one of the eight Judicial Fellows of the American College of Probate Counsel. From 1951 to 1958 he served in the House of Delegates in the American Bar Association from Florida.

The Judge is a life member of the American Ornithologist Union and in writing about his hobby says: "My hobby being birds, I managed to make membership in this organization, as well as being a life member of the Florida Audubon Society. I suppose a man's hobby is of interest. Bruton's Audubon Acres Bird Sanctuary belongs to me and Mrs. Bruton, and we were its founders. It is used by several educational institutions in this area in scientific studies of Ornithology, Herpetology, Botany, and other scientific subjects; of this, I am proud."

James Bruton's work on Committees with the Florida Bar Association and the County Judges Association of Florida is so great as to preclude description. He has been an active Kiwanian for many years and was Lt. Governor of the Florida District-International Kiwanis in 1951. He has served Plant City and Hillsborough County civic affairs committee, cultured organizations and social service groups. His interests are great and varied: Boy Scouts, County Humane Society, Civic Music Association, Mental Health Association, and others. He has been listed in Who's Who in America since the 1951-52 edition.

Judge James D. Bruton

CHI PHIS ON UCONN'S VARSITIES

Seven play football, three make basketball squad, one is baseball star and two play tennis

Richard Grieve

Richard Seely

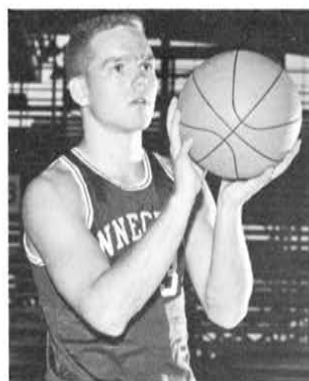

J. Brian Smith

Nicholas Rossetti

Lawrence Reed

Al Ritter

Thomas (Toby) Kimball

Doug King

THE UNIVERSITY of Connecticut varsity teams, perennial winners of championships in the Yankee Conference, are manned with Chi Phis in all sports.

This year seven members of Zeta Delta are playing football, three chase the "round" ball, one plays varsity baseball and two participate in tennis for UConn.

Last year Zeta Delta was named the outstanding fraternity on the campus by "The Campus," the student daily. Not only is this a fine tribute to the chapter but it is a reflection of the chapter's fine leadership under men who are varsity athletes as well:

Dick Grieve, the present Alpha, is

from Hartford. At tackle he is the biggest member of the UConn team at 6'7", 260 pounds. He is a two-year letterman and a pre-med student. In the Temple game he distinguished himself by intercepting a pass that subsequently led to a score.

Dick Seely, 5'9", 175 pounds, from Armonk, N. Y. is a halfback. Dick has recently been chosen captain of the tennis team. He has been political chairman, rush chairman, Beta and was Alpha last year. He is majoring in Industrial Management.

J. Brian Smith is a 6'2", 210 pound fullback from Hartford. He is a junior

letterman, majoring in Insurance. He is presently the Epsilon.

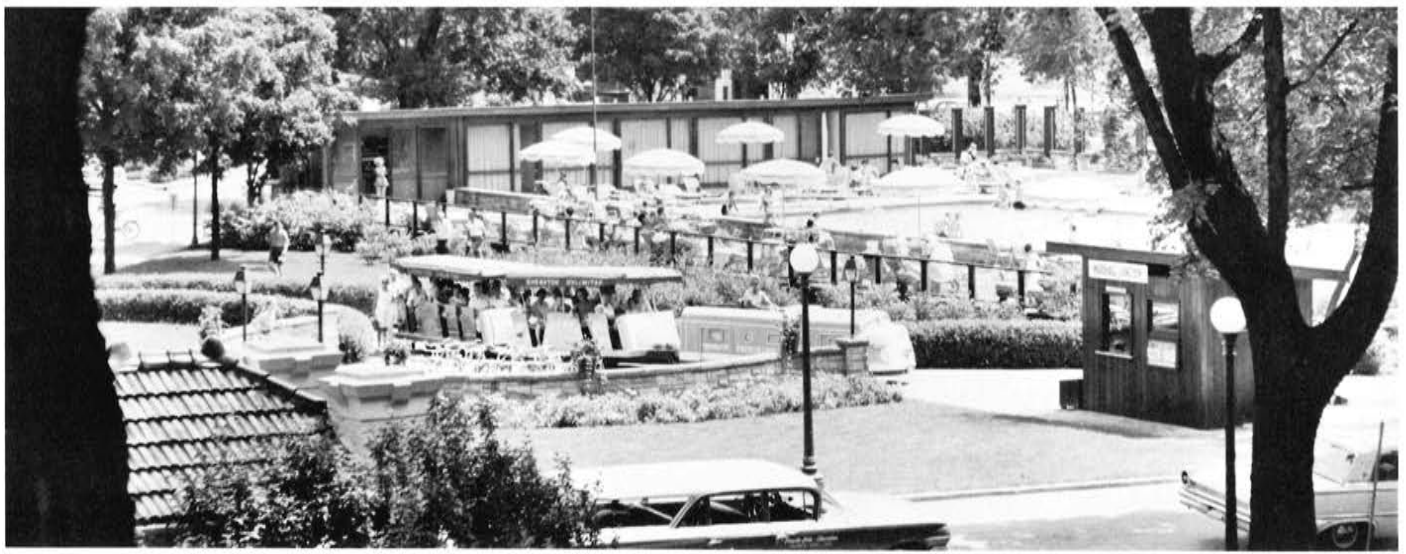

Nick Rossetti is a 5'11", 205 pound end from Yorktown Heights, N. Y. He is a junior letterman, majoring in Industrial Management.

Larry Reed, 5'10", 180 pound halfback from Peekskill, N. Y. is also a junior letterman, and he is majoring in Physical Education.

Walt David, a 6', 212 pound guard from East Meadow, N. Y. is majoring in Accounting.

John Trumbull, 5'8", 195 pound guard, is from Westfield, Mass.

(Continued on page 20)

Pool, French-Lick — Sheraton Hotel

Well-known Resort Selected

French Lick Is Site of 1964 Congress

THE FRENCH LICK-SHERATON Hotel, French Lick, Indiana, with two famous 18 hole golf courses, skeet and trap shooting, riding trails, outdoor and indoor swimming and tennis courts, is the site of the 1964 Congress. French Lick was the site of the 113th Congress in 1937. At that time it was owned by Tom Taggart, a Chi Phi from Yale University (Omi '09). Taggart, and later, his son operated the hotel and its famous "curative" springs, the source of Pluto water, until 1946 when it was sold to a hotel syndicate. Tom was a famous and colorful Chi Phi, having been the Democratic National Chairman in the early 1900's

and always prominent in national politics.

The Council selected the well known resort with the hope that its many attractions and nearness to the center of population of the United States would attract many alumni to Congress. The first business session will convene on Tuesday morning, September 8th and will run through September 10th. Council will meet Sunday and Labor Day, and the social phase of Congress will get under way Monday with a reception before dinner. The annual award luncheon will take place Tuesday noon and the annual banquet Wednesday evening. An

afternoon of play and recreation featuring golf, tennis, swimming, and skeet will take place Wednesday afternoon. A program for the lady guests will be provided. It's not too early to plan a few days at French Lick in 1964 — why not renew your Chi Phi memories or better yet hold that reunion with some of your class that you have talked about.

The rates are \$18 per day, two in a room, full American Plan. Slightly higher for one in a room. Make your reservations now by writing French Lick-Sheraton Hotel, French Lick, Indiana, or through the reservation office of a Sheraton Hotel.

French Lick — Sheraton Hotel

Dan Fitzpatrick Xi '59 Ritualistic Counselor

BROTHER FITZPATRICK, who succeeds Brother (Dr.) Dallie Hall, G'60, as ritualistic counselor is a contemporary of Brother Hall. Dan graduated from the Cornell College of Agriculture in 1959. During his undergraduate days he served the chapter as Steward and Pledge Trainer, meanwhile holding the position of Dormitory Counselor. After working for P & C Food Markets for a year he returned to Cornell in 1960 at the invitation of the Dean of Students and started course work in Student Personnel Administration. In 1960 he was a Graduate Assistant, in 1961 he was made Coordinator of Men's housing, in 1962 he was appointed Assistant to the Dean of Students, and in July 1963 he was made Assistant Dean of Students. His degree work has been slowed up in the meantime, however he plans to complete his Thesis by June '64 and thus achieve his Master's degree.

Brother Fitzpatrick was elected secretary of the Xi Chapter House Association in 1960. The House Association, under President Barlow Ware '47 and Dan, has initiated many forward looking plans to keep Xi one of Cornell's top fraternities. At present Dan is actively working with the other Association officers on the plans for a new chapter house. He has shared his excellent knowledge of fraternity chapter operation with delegates at Congress and regional zone meetings, and is looking forward to visiting chapters in the next few years. The Fraternity is indeed fortunate to have an outstanding, dedicated, and trained student personnel executive as its Ritualistic Counselor.

Dan Fitzpatrick

John R. Long, Phi '59, New Grand Beta

THE NEW GRAND BETA is a second generation Chi Phi. John R. Long is the son of John DeHaven Long, Zeta '28. Rev. Long was born in Plainfield, New Jersey on July 1, 1937. He lived in New Jersey until he was nine, when his father, an oil company executive, was transferred to Caracas, Venezuela. The family lived in Caracas until 1949 when they returned to the United States.

John attended high school in Millburn, N. J., where he was active in both school and church activities. In the fall of 1955, John began four years at Amherst College. As a freshman, he planned to major in chemistry, but switched to philosophy in his junior year when he decided definitely to become a minister. He was Gamma in his junior year and Alpha his senior year. He graduated cum laude in 1959 with a Bachelor of Arts degree.

From Amherst, John went on to Yale Divinity School in New Haven, where he met his wife, a graduate student in religion, also at Yale. Although entering Yale as an Episcopalian he later decided to become a Presbyterian minister. He received his Bachelor of Divinity degree in 1962.

His graduation week was a hectic one. He graduated from Yale on Monday, was examined by the Presbytery Wednesday, was ordained Thursday and flew the same night to Los Angeles. The next day he took a ship to the Philippines where he married Hester Jason, his fiancée at Yale, who was from Dumaguete City in the Philippines.

John and Mrs. Long spent a year in Manila. Mrs. Long held two jobs, as instructor at the Philippine Women's University and as Director of Student Work for the National Office of the United Church of Christ, while John served as assistant minister in the Ellinwood-Malate Church, a church of the United Church of Christ.

As a member of the Ellinwood staff, John was in charge of Christian Educa-

Grand Beta John R. Long

tion, and Evangelism and Outreach. One of his major projects for the year was to assist a chapel in Tondo, a waterfront slum area in Manila, in starting clinics, a nursery school, and a vocational training program — besides the regular church and Sunday school services. John was also a delegate to the Faith and Order Area Conference of the World Council of Churches in Manila. One of John's major contributions during his stay in Manila was his plan and action in forming a group of seminary students to minister to the prisoners in the local jails of Manila.

At the end of their year in the Philippines, they returned to the States by "the long route," via Asia and Europe. They traveled from the Philippines by ship, stopping at Singapore, Colombo, Bombay, Karachi, Aden, Suez and Port Said, on their way to Europe. In Europe they made "the Grand Tour" and traveled extensively for two months.

John is presently looking for a position with an "inner-city" church in a slum area, while he and Hester reside temporarily with John's parents in Short Hills.

REGIONAL ORGANIZATION ESTABLISHED

Four Chairmen Appointed by Grand Alpha

IN AN EFFORT TO strengthen Chi Phi's organization and administration, the Grand Alpha has established seven regions, each of which will have a Chairman who will also be a Council-member-at-large. It will be the Chairman's responsibility to: visit chapters within his region and assist them in whatever way

possible, encourage new chapter development, encourage alumni activity, and generally keep the Council informed of developments within the region bearing on fraternities in general and Chi Phi in particular.

Chairmen for four regions have been

selected and the other three will be appointed shortly. Their names will be released in the next Chakett. The Fraternity and the Colleges are fortunate to have men so willing to give of their time and ability and we announce their names with pride.

John A. Taylor

Joseph S. Cornell

Charles M. Davis

Merritt Traux

JOHN A. TAYLOR, Zeta Delta '57,
Regional Chairman,

New England and Northern New York
JACK WAS A CHARTER MEMBER of Zeta Delta, University of Connecticut and the chapters' first Alpha. Immediately after graduating he formed the Zeta Delta Alumni Association and served as its first President.

Jack and his wife live in Woodstock, N. Y. He is an area Sales Manager for the Mobile Oil Company, with whom he has been associated since 1957. He is Orange County Chairman for the New York State Petroleum Council, and an active member of the Sales Executives Club.

Since early last year, Brother Taylor has acted as an Advisor to Theta chapter and has succeeded in helping the chapter straighten out some of its problems. He anticipates visiting some or all of the chapters in his region during this academic year.

JOSEPH S. CORNELL, Rho '36,
Regional Chairman,
Mid-Atlantic

BROTHER CORNELL is President of the J. S. Cornell Corporation, 11 Broadway, New York, N. Y. The Cornell Corporation engages in the importing and brokering of crude rubber. He is a Director of the Broadway Realty Corpora-

tion and various Terminal Corporations, and serves as Port Director of the Rubber Trade Association of New York.

Joe has long been active in Rho Chapter Alumni Association, and is currently a Trustee. With his wife and two sons he resides in Summit, N. J., where he plays golf at the Morris Country Golf Club, and takes an interest in Great Danes, as Director and Vice-President of the Great Dane Club of America.

CHARLES M. DAVIS, Omega '55,
Regional Chairman,
Southern

CHARLES M. DAVIS, Omega '55 immediate past president of the Chi Phi Atlanta Alumni Association will chair the Southern region. Brother Davis was born in Atlanta, and including Georgia Tech, all of his schooling took place there.

Following two years of active duty in the Navy he associated with the Trust Company of Georgia in 1957. He received an LL.B. degree in law from Woodrow Wilson College of Law, Atlanta, in 1961. He is a member of the Piedmont Driving Club, the Nine O'clocks, the Atlanta Jaycees, and a Lieutenant in the U. S. Naval Reserve.

While at Georgia Tech he was Alpha of the chapter, and since graduation has been the Council Representative to Omega. He revitalized the Chi Phi At-

lanta Alumni Association during his term as president and initiated a program of rushing assistance to the three Georgia chapters.

MERRITT W. TRAUX, Epsilon Delta '34,
Regional Chairman,
Far West

MERRITT TRAUX is no newcomer in serving the Fraternity. He has been a Council Representative-at-large for years, and Treasurer of the Oregon State Chi Phi Association for an even longer period. Since the formation of the University of Oregon Chi Phi Association three years ago he has been treasurer of that group. He was a prime mover in obtaining Epsilon Delta's modern home, and Tau Delta would not be on the University of Oregon campus if it were not for his interest.

Merritt is President of nineteen small corporations in the field of petroleum distribution and real estate development operating out of Salem, Oregon. He started with one retail service station in 1935, and now has a chain marketing under the name, "Pride of Oregon."

He is the father of a son and daughter. He and his wife are both ardent golfers and are seen frequently on the links at the Salem Golf Club. The chapters in his region look forward to his visit this winter and spring.

Club Calendar

CHI PHI CLUB OF NEW YORK

The new officers elected in the spring are:

GLADSTONE T. WHITMAN, P'48, *President*

CARLETON F. LARRABEE, JR., ZD'59, *1st V-Pres.*

THOMAS J. SWARTZ, JR., K'49, H'50, *2nd V-Pres.*

JEROME C. DAY, P'59, *Treasurer*

WALTER N. ROBERTSON, A-T'52, *Secretary*

President Whitman tentatively announces the following program and raises a question. He would like to hear from New York City area alumni as to their wishes with respect to dividing the club. He reports:

"Our programs for the year will be furthered by a telephone campaign, but we will try to get a new mailing list to you later on anyway. Our schedule tentatively includes two dinner meetings at The Press Box, 193 East 45th St., New York City, on Tuesday, October 29, 1963, and Tuesday, May 5, 1964, both at 6:00 P.M. Additionally, we plan to have a Valentine Day dinner party with Chi Phi Girls invited, on Friday, February 14, 1964, hopefully at the

Princeton Club. A golf outing may also be arranged next Spring.

Frankly, I sometimes think the Club as now constituted might be an anachronism. I rather feel that a Greater New York Club with divisions in New Jersey, Westchester and Long Island might be considerably more successful. An annual dinner-dance, cocktail party, or similar function in Manhattan could be the unifying force; and, occasional luncheons or dinners among the various officers could keep the group integrated. How would you folks look upon such a change?"

CHI PHI CLUB OF WASHINGTON, D. C.

Lunch: Every 2nd Tuesday of Month
12:30 P.M.

Willard Room — Willard Hotel
(All visiting brothers are welcome)

The Club had a gathering October 14, 1963 at the Columbia Country Club and fifteen wives were present. Jack Hanna, MU'26 was the host.

A dinner dance is being arranged for December. For information or reservations contact William A. Kern, President, at Worth 4-4696, or write Henry B. Goldsborough, Jr., Secretary, 116 Lisle Avenue, Falls Church, Va.

ETA DELTA ALUMNI ASSOCIATION

The dedication of the new chapter house is tentatively scheduled for early in February, 1964. There will be a reception and dinner. All Chi Phi alumni and wives are cordially invited to attend. For additional information, contact ROGER WILLIAMS, President, 9470 Santa Monica Blvd., Beverly Hills, California.

CHI PHI ALUMNI ASSOCIATION OF ATLANTA, GEORGIA

FRIDAY, MARCH 6, 1964—Annual Dinner Dance to be held at the Ansley Park Golf Club. Mark your calendar now. Additional information regarding this affair will be given later.

At the annual meeting of the club in August, at the Piedmont Driving Club, the following officers were elected:

CHARLES T. NUNNALLY, H'52, *President*

LAMAR SWIFT, H'36, *V-President*

RALPH W. KING, Ome'55, *V-President*

W. PAUL WESTBROOK, JR., G'56, *Secretary*

WILLIAM W. WALLER, Ome'55, *Treasurer*

Alumni News

BETA

Frederick A. Jancewicz '61 Xi '65, Bellows Falls, Vt. received his Master of Science degree from Cornell in June and is continuing on for a Doctorate.

GAMMA

Albert W. Fortinberry '57, Atlanta, Ga. was elected Vice-President of the A. A. Woods & Sons Company, June 1963.

John L. Westmoreland, Jr. '44, Atlanta, Ga., prominent lawyer, is a Trustee and General Counsel for Scottish Rite Hospital for Crippled Children.

Charles W. Morrison '98 of Austin, Texas writes, "Recently, rather belatedly, but with due dignity and pride, my son (and Chi Phi Brother) Dr. Robert B. Morrison presented me with a Fifty Year Chi Phi pin which was so generously provided. The impressive ceremony was witnessed by his able associate Janelle Brannon.

"As I was initiated in the year 1896 my pin means 'At least 50 Chi Phi' for that was 67 years ago. That should prepare you for the statement that on Aug. 25th I am due to celebrate my 88th birthday. You are invited to be present when as usual I attempt to swim 'To the Dam and Back'—some 300 yards in cold Barton Springs—the best public pool of record."

DELTA

Ranney G. Adams '39 is now Controller of the Huntington Memorial Hospital, Pasadena, Calif. Adams with his wife and three children makes his home in Arcadia.

Dr. Charles A. Bailey '38, Ridgewood, N. J., was recently elected a Fellow of the American College of Physicians.

ZETA

E. E. Mylin '17, Lancaster, Pa. writes, "Please

accept my thanks for the 50 year pin. It surely doesn't seem that long since the brothers wielded the paddles and I can still feel 'em. It will supplement the pride that I still get out of wearing my original pin."

ETA

Col. (Retired U.S.A.F.) Albert F. Fahy, Jr. '37 is Vice-President of an Argentine Petrochemical plant owned by a group of American oil and rubber companies. His address is 1199 Pueyrredon-Martinez, Buenos Aires.

THETA

Conrad Diehl, Jr. '50, Rochester, N. Y. was appointed Section Head, Special Devices, ASW Engineering, General Dynamics/Electronics.

Frank Fraprie '53, Southington, Conn. sends "best regards to all '53 Theta's."

IOTA

Major. Clarence M. Hall '48 is Commander of the AC Spark Plug Contract Management office AC Spark Plug, Oak Creek, Wisc.

KAPPA

Hubert W. Simonsen '54, M.D., Milwaukee, Wisc. has been appointed an officer of Northwestern Mutual Life Insurance Co., Milwaukee, Wisc. with the title of assistant medical director, starting Oct. 1, 1963.

SIGMA

J. Leslie Harper '31 was elected General Comptroller of Eastman Kodak Co., Rochester, New York early in 1963. Brother Harper has been with Eastman since his graduation from the University of Illinois.

Carl W. Peters, Jr., Pi '56 S '60, Rochester, N. Y. is in the comptrollers division, Eastman Kodak Co.

ALPHA-ALPHA

Anthony B. Martin, Jr. '25, Darien, Conn. reports via a Tom Swifty "Status is Quo—said Tom, evenly." Brother Martin heads his own advertising agency, Tony Martin Associates, New York City.

ALPHA-CHI

William E. Byers '51 was appointed Budget Director for the May Company, Cleveland, Ohio in September. Bill now resides at 2576 Kemper Rd., Apt. 15, Shaker Heights 20, Ohio.

ALPHA THETA CHI

Gerald L. Phillipe '33 will become Chairman of the Board of General Electric Company on December 21, 1963. He has been President for two years.

ZETA DELTA

Richard A. Strassel '56 has been awarded the diploma of a Chartered Life Underwriter, one of the top professional designations in the insurance field. Dick lives at 283 Cabrillo, Costa Mesa, Calif., and is associated with the Connecticut General Life Insurance Company.

THETA DELTA

Wm. Dudley Hunt, Jr. '47, AIA, Architect, Port Chester, N. Y., has opened an office to perform consulting work for architects, engineers, manufacturers and their agencies, associations and others connected with the building industry.

Alfred C. Warrington, IV, '57 is a Senior Accountant with Arthur Andersen & Co., Atlanta, Ga.

Chapter News

NEWSLETTER-HIGHLIGHTS

ALPHA—Chapter expresses thanks for rushing assistance received from Memphis Chi Phi Club.

BETA—Fourth in scholarship at MIT.

DELTA—Fraternalities face up to new responsibilities.

EPSILON—New Front gives house Colonial Williamsburg appearance.

ZETA—Summer fire damage completely repaired.

XI—Full house—42 men living in.

TAU—Chapter receives official commendation from University Prexy Rose.

ALPHA-TAU—\$5,000.00 spent on kitchen improvements.

ALPHA-CHI—New modified quarter system explained.

RHO IOTA KAPPA—Newest chapter planning 18-man addition to present house.

our yearly battle with the Kappa Sig's, who sneaked by us last year in a heated match, 74-69. This annual winter sport is looked forward to by everyone except the treasurers, since the event costs about two dollars a minute.

Rushing is well underway with somewhat changed rules, which will save the fraternities some two hundred dollars annually. This is a welcome change, and it will allow rushees to study after dinner rushing. We would like to thank the alumni, especially the Memphis Chi Phi club, for their assistance in adding to our rush list and we are looking forward to another successful rushing period.

As a closing note, we point with pride to recent achievements made by our efficient I. F. C. Recently a motion was made to encourage fraternity scholarship by placing on social probation any fraternity failing to make a 2.0 average over any two consecutive semesters. Furthermore, it was proposed that any pledge failing to secure the required 2.0 average for initiation by his third semester at the University be forced to depledge. This sweeping motion, it was felt, would bring about favorable relationships between the administration and fraternities. However, due in no small degree to the efforts of Alpha Chapter, the motion was withdrawn and in its place was substituted a severe verbal reprimand directed at all fraternity men who flunked out of the University last semester.

George M. Franck, Zeta

the start of this term and the administration now stands: Chip Hatfield, Alpha; Chuck Counselman, Beta, Mike Adler, Gamma; Bob Wild, Delta; Dennis Smith, Epsilon and Tom Scott, Zeta. Our new steward is George Eldis.

As usual, Beta's interests in extracurricular activities are diverse; MIT's crew attracted at least a boatload of Chi Phis, three brothers are on the varsity soccer team, and five are out for swimming. There are Chi Phis on the Glee Club, the Concert Band and the Symphony Orchestra. Intramural athletics have attracted quite a following and though the Chi Phi football team may not win too many games this fall, our enthusiasm can't be beaten.

Mackie Littlefield, social chairman, has an exciting schedule of social events lined up for the fall: Our annual trip to Mount Monadnock, the pledge Halloween Party, JP Weekend and the Annual Double Christmas Party (kiddie party in the afternoon and brother's party in the evening).

B. M. O. C. Chi Phis include:

Lansing Hatfield, president of Eta Kappa Nu, Electrical Engineering honor society and vice president of Tau Beta Pi, engineering honorary; Archie Bleyer, secretary of the MIT Interfraternity Conference.

Our most sincere gratitude is herein

Bruce R. Wilson, Alpha

A

UNIVERSITY OF VIRGINIA

Ten days before registration, eleven pledges and around a quarter of the brotherhood returned to The University for our annual work week. While no major alterations or additions were made to the house, it received a thorough paint job inside and out. Thanks to Brother Barton we are now identified by a brick Chi Phi in the front walk.

After a successful Hell week, which revealed that there are 8,172 railroad ties between the University and Farmington, we initiated fourteen new brothers, which brought the Chapter Room roll to twenty-nine, the largest it has been in several years. The weight of the enlarged brotherhood has taken a toll on the traditional Chapter Room furniture.

To support the local service organizations, the Chapter participated heavily in the Albemarle County Fair. Brother Kling made an exceptionally large involuntary donation of time and money.

The intermural season at the University is off but it is too soon to predict the possible outcome. We are hopeful of improvement under the able leadership of our new intramural chairman, Owen Parry. We are also anxious to participate in

Lansing Hatfield, Alpha

B

MASSACHUSETTS INSTITUTE OF TECHNOLOGY

In early September, the brother of the *Beta Chapter* reassembled for the traditional pre-rush Work Week, and it soon became evident that this year would be Beta's best ever. Enthusiasm was high and every one pitched in, with the result that floors were refinished, a new carpet laid and more painting and decorating done in all rooms than anyone can remember in the past.

Rush Week was a tremendous success. The new room completed last term by the pledge class of 62-63, gave us room for two extra men, so Beta welcomed aboard eleven new pledges. This brings the total active membership to 40, an exactly full house.

A slight shuffle of officers occurred at

Work week at Beta: A pot of white paint from the 4th story makes quite a mess. Brother Littlefield dangles and cleans, Brother Cohler, work week slave driver, looks on. Photo by T. Scott.

conveyed to our alumni for their contributions during our drive last year: the money has enabled us to buy much needed furniture for the commons rooms, new carpeting for the main stairs, and new kitchen equipment.

Beta placed fourth in scholarship among fraternities at MIT last year—This is good, but this year we're pushing for the top. So, life goes on at 32 Hereford St., and we're keeping foremost in our minds our *raison d'être*: Study.

Tom Scott, Zeta

Patrick M. Marette, Alpha

RUTGERS UNIVERSITY

The brothers of Delta chapter returned to the Rutgers campus to find themselves under a new Dean of Men. The new Dean promises to be stricter, and has already threatened to close up certain houses and to make the campus dry. We of Delta realize that although the new

administration is presently rather hard on fraternities, it is in the long run trying to save fraternities on the Rutgers campus. As members of a state university, Rutgers fraternities are the object of much public scrutiny. The new administration is attempting to eliminate all bad publicity and replace it with good publicity, and in doing so give the Rutgers fraternities a permanent place on campus.

Delta is doing its part to maintain and improve the status of fraternities at Rutgers. In successive past semesters we have maintained a scholastic average above that of the "all mans" average. At present we have eight brothers on the Dean's List. Tom Concannon is in Alpha Zeta, the agricultural honor society. Alan Karcker is the president of the Scarlet Key organization and a member of the Junior Honor Society. Brothers of Delta also hold high positions in ROTC. Ronald Kolosek is Cadet Colonel—Commander of the 45th Cadet Wing of AFROTC. We also have three members of the Arnold Air Society.

The brothers of Delta also play an important part in Rutgers athletics. Five

brothers are out for football, led by senior Lee Sherman who holds the end position. Brothers of Delta also plan to participate on the wrestling, cross country, swimming, crew, baseball, and lacrosse teams.

As always, Delta has placed much emphasis on social life. More theme parties have been planned for this semester than in the past three years. On "off week ends" mixers with local girls' colleges have been arranged.

The brothers of Delta look forward to an entertaining semester, both in our academic and social pursuits. We intend to show the rest of the campus that Chi Phi—the oldest college social fraternity—is the best college social fraternity.

HAMPDEN-SYDNEY COLLEGE

(Continued)

of the brothers returned two to three days early to straighten the house and do some necessary painting inside.

Upon return almost everyone was surprised to see the new improvements in the house. During the summer, the alumni, under the direction of Brother Andrew K. Leake '35, had an entirely new front put on the house. In addition the outside of the house was painted and now looks like a Colonial Williamsburg home. Outside, the old shrubbery has been removed and replaced with six-foot boxwoods. The brothers painted the living room, the ping-pong room, and most of the bedrooms. With all this the house has been greatly improved for the future.

Right now the chapter is preparing for our annual buffet supper which is held on Homecoming to welcome back the alumni. This year the alumni will have a chance to see the progress made on the house and also to see again Lancaster Brown who has been with the chapter more than forty years.

We of Epsilon are very proud of the positions held by the brothers in different campus organizations. Hamilton Scherer was elected president and Andrew Button vice-president of the German Club. H. M. Davis is president of the Debate team and editor of the literary magazine, while M. D. Carver is president of the honorary literary fraternity. P. A. McWilliams is vice-president of the Student Christian Association. In addition to these outstanding offices we have brothers on the football and wrestling teams and two brothers, T. H. Smith and R. M. Cummings, serving as officers of the junior class.

We are also very proud of brother William Hamilton Bryson who graduated last year with many outstanding awards including membership in Phi Beta Kappa, Omicron Delta Kappa, Who's Who in American Colleges and Universities, and the grant of a Fulbright Scholarship to study economics in France.

At present there are thirty-three brothers in the chapter and two pledges. In spite of the elimination of a room in the attic during the renovation, there are still twelve brothers living in the house. We were all encouraged to learn that last year the chapter moved from seventh to fourth place on the fraternity scholastic rolls. At the moment we are in the middle of rush and are looking forward to an outstanding pledge class this year.

Theodore J. Burr, Zeta

NEW LOOK FOR EPSILON

Colonial Williamsburg exterior has been added under the direction of Brother Andrew K. Leake '35.

Ray S. Oberholtzer, Alpha

FRANKLIN AND MARSHALL COLLEGE

This past summer a fire broke out in our house, causing extensive smoke damage. Fortunately we were well covered by fire insurance. Thanks to the dedicated efforts of several local Alumni, notably Brother David S. Watt, '41, president of our Housing Association, and Brother Foster G. Ulrich, Jr., '56, our chapter advisor, plus several members of the present Brotherhood, Dubbsheim was ready for habitation at the start of the school year. Complete repainting of the second and third floors, almost all new beds, some dressers, and all new light fixtures for the first floor, paid either by our insurance or house funds, have put the house in its best physical condition in many years.

Zeta of Chi Phi suffered a slight dip in Inter-fraternity scholarship standing last semester, although our point average actually rose. Once again we were above the all-college scholastic average.

The Brotherhood is continuing to take a large part in Franklin and Marshall's extra-curricular activities. Jon Frere, J. D. Smith, and Kim Russell bolster the varsity football squad, while Bob Leuf-

fen, Ron Druker, Ken Heim, Chris Baldwin, Jim Bunting, and Dave Hollington comprise a substantial portion of the Diplomat soccer team. Student Council drafted Mike Yaggy as their vice-president, along with Dennis Buchan, while Nick Green handles the secretarial duties of the Inter-fraternity Council.

Homecoming, October 12, was a tremendous success. We were glad to see many Zeta Alumni and their families once again. The Brotherhood is justly proud of the second place trophy earned by our Homecoming display.

We recently pledged four men, bringing our Sophomore Class total to 27. With high spirits we Zetas are looking forward to a very successful and enriching year.

R. William Difley, Zeta

Thomas K. Herget, Alpha

UNIVERSITY OF CALIFORNIA

Lambda began the fall semester with twenty-two men under the direction of the new officers: Alpha—Tom Herget, Beta—Mike Fox, Gamma—Chuck Jensen, Delta—Bill Long, Zeta—Frank Murnane. Thanks to the determined efforts of rush chairman, Tom Cooper, fifteen top pledges were obtained, bringing the house to capacity. Under the direction of pledge master, Steve Ipson, we feel that these men will be one of the finest pledge classes in years.

During the summer the Alumni Association combined efforts with the Mothers' Club to make several improvements in the house. In addition to the usual minor repairs, the exterior of the house was painted and new carpets were installed in the halls and entrance area. A case to house the fraternity beer mugs was also built in the dining room.

Lambda recently enhanced its position in campus politics with the election of Mike Mellon to the office of president of the Junior Fraternity Council. Enheartened by our success in this field, as well as continued social and academic achievement, the men of Lambda now face disappointment only in the prospect of cheering the Golden Bears on to another losing season.

Frank Murnane, Zeta

NU TERRACE GARDEN

Charles C. Smith, Jr., Alpha

CORNELL UNIVERSITY

This Fall the brothers of Xi returned to campus several days before classes commenced so that the pledges could be put through a week of intensive preparation before initiation. Besides learning the appropriate fraternity material the pledges with the help and supervision of the brotherhood completely repainted and renovated where necessary the downstairs living area and the kitchen. Notable was Brother Dales able organization of a work detail to completely replace the music room ceiling. On Saturday, September 28th, Xi initiated 16 pledges into the brotherhood. Among those present we were honored to have brothers Gladfelter, A-T '33; Krebs, Xi '12; and Fitzpatrick, Xi '32. Brother Joe Ruggie, Xi '59, acted as toastmaster.

In the elections held at the end of last term Charles Smith was elected Alpha and Charley Witherell, Beta. Pledgemaster is Tony Smith who through a rather selective Fall rush program has gained two new pledges at the time of writing.

Among changes made to the House this Fall was the conversion of the Houseman's room into an extra study. The new houseman, Walter Plodgett, lives with his family nearby, and so this extra study has enabled a record high of 42 brothers to live in the house.

This year again Xi has a very good chance to regain the Inter-Fraternity "All Sports Trophy" which we won last in 1962. A very promising football team has won all games so far with brothers Strahorn and Tucker starring in the point scoring.

Academically Xi again rose on the fraternity standings list jumping 6 places during the Spring term last year. The recent creation of an academic chairman has lifted some of the work load from the Beta's shoulders and hopes are high that through the work of the academic chairman Brother Jancewitz the chapter will continue to improve its academic position on the "hill."

Congratulations are due Brother Dan Fitzpatrick Xi '59, who has recently been appointed to National Ritual Director.

Peter Gilmour, Zeta

Nu chapter's newly completed terrace garden built by the pledges and actives.

The mahogany paddle measuring 3 feet by 12 feet was presented by the Pledges of Nu to the chapter.

William T. Mauldin, Alpha

UNIVERSITY OF ALABAMA

While it is difficult to start telling the worthwhile events of Tau, chronologically we began by pledging 22 men during formal rush and adding three more through the year. From this group of pledges was to come one of the most powerful sport's organizations Tau has ever fielded.

The Football effort resulted in a complete success with all wins. The basketball program met with equal victory, also with no defeats. We finished second in softball with only two defeats. In the small sports department, Tau came in first and second in tennis, third in swimming, third in volley ball and second in bowling.

To balance out all this physical effort, in the spring semester the entire house made a great effort and came up with the highest scholastic average on campus, by a substantial margin. This combination of all sports winner and highest

scholastic average has never before been accomplished by any fraternity in the history of the University of Alabama.

The whole fraternity system last year was evaluated by the administration of the University, and this evaluation together with three more to come will determine whether or not a fraternity is allowed to remain on campus. The results of this evaluation put the finishing touch on our year for not only was Tau found acceptable, but received one of the two official commendations made by President Rose, along with a trophy commemorating the event.

While the three above mentioned triumphs were by far the most important we had, or for that matter the three most important anyone could achieve, we also took second place in the home-coming decorations.

On the individual front, we lived up to our reputation as being the center of the campus political machine. Edgar Sentell was editor of the annual; Chuck Smiley became advertising manager of the annual; Larry Oaks was elected to SGA senate; Andy Gentry, our past Alpha, was director of student union activities, was elected to the student senate, became a member of Omicron Delta Kappa and joined Edgar Sentell in the ranks of Jasons and Who's Who of American Colleges and Universities; Jerry Franks, our past Zeta, was taken into ODK shortly after his initiation into Phi Beta Kappa.

Chuck Smiley, Zeta

David Replogle, Alpha

UNIVERSITY OF MICHIGAN

Alpha-Tau of Chi Phi is looking forward to another successful year socially, academically and athletically. Major social events remaining this semester include Homecoming, Father's week-end, and the Fall Pledge Formal, The Homecoming theme at the University this year is "63 Skidoo," reminiscent of the Roaring '20's. Since the game is with Northwestern, the theme for the House display is "Wildcat Stock Crashes." A strong alumni contingent from the Detroit area is expected for the game.

This year, more than ever before, Chi Phi's are showing an active interest in campus activities. In a campus-wide election October 9, Scott B. Crooks, a Junior from Ft. Thomas, Kentucky, was elected to a seat on the Student Government Council. Last spring Paul Malboeuf, Plymouth '65, was appointed to the Michigan Union Executive Board. Paul was also initiated into "Sphinx," the Junior Men's honorary. Three Sophomores,

Do we have your
latest address?

UNIVERSITY OF MICHIGAN

(Continued)

John Lorenzen, Strathroy, Ontario; Tom Arner, Jackson, and Dan Campau, Holland, are serving on the Interfraternity Council. George Stevenson, Mt. Clemens '64, continues for another semester as treasurer of the University's Young Republicans Club. Alpha, David Replogle, Detroit '64, was recently initiated into the "Hectorians," the fraternity president's honorary. Dave is also serving on the Executive Committee of the Interfraternity Council.

Playing in the University of Michigan marching band, and anticipating a trip to Europe next summer with the band, are Brent Herhold, Chicago '64, and Russ DeBeauclair, East Detroit '65. John Dobbertin, Battle Creek '64, is the editor of the campus humor magazine, the *Gargoyle*. John Ward, Battle Creek '66, is business manager. The October issue of the *Gargoyle* sold 8,000 copies on three campuses, making it the largest selling non-subscription student publication in the nation.

Alpha-Tau has a fine start in Intramural Sports in an effort to improve on its 16th place finish of last year. The "A" football team, captained by quarterback Bob Glaysher, Garden City, New York '65, won its first game in the opening round of the first-place playoffs, and the team appears to have a good chance of capturing the "A" league title. The "B" team has also won its first game in an effort to take the third-place playoffs.

With Jon Diebold, Saginaw '64, handling the accounts, the Alpha-Tau Chapter has a very sound financial standing. In addition, the Alumni House Association paid \$5,000 this past summer for improvements to the kitchen. A mural was purchased for the foyer, maintaining the standing of the Chapter House as one of the most beautiful on campus.

Roger Jeanson, Zeta

Georgia A. H. Gardner,
Alpha

AX

OHIO WESLEYAN UNIVERSITY

The Alpha Chi Chapter of Chi Phi got off to a very successful start this year with the pledging of twenty excellent new men. The pledges have already begun to take an active part in campus activities. Three men are on varsity sports and three men have been chosen to be on the student government committees.

The upperclassmen have continued to distinguish themselves in many campus

activities. Jeff Brown is serving as student minister at the Methodist church; Christopher Burns, editor of the Ohio Wesleyan Literary Magazine, is publishing an Anthology of undergraduate creative writing which will be released before Christmas. Bruce Cook is supervising the programming at the student radio station; Dave Herron is playing varsity football; and Joe Logan and Bill Jobson are on the soccer team. John Jaquette is serving as President of the Methodist Student Movement on campus, and many other brothers are serving on Y.M.C.A. Student Government, and Circle K Boards.

A major curriculum change has appeared at Ohio Wesleyan University this fall. In what has been officially called the "modified quarter system," the students take four courses the first quarter and three courses the second and third quarters. Therefore the student has fewer courses but works at a more concentrated pace. Reactions to the new program have been mixed, but the general opinion seems to indicate that the new system will be an improvement over the semester arrangement.

All things considered, the Alpha Chi chapter is looking forward to a new and exciting year. With prime emphasis on academics, we hope to create and maintain an enjoyable and profitable social and athletic program in keeping with Alpha Chi's long tradition of excellence.

John P. Jaquette, Jr., Zeta

Thomas J. Vendel, Alpha

ΓΔ

UNIVERSITY OF MINNESOTA

Gamma Delta began the year with 8 Actives and 2 Pledges. With the help of Orville Wiseman, a Chi Phi from Epsilon Delta who will serve as our counselor till spring, we pledged 7 promising new men. Orville will be trying to help to make Chi Phi a bigger and better fraternity here at Minnesota after two years with a low membership. The social calendar starts with a homecoming party the 26th of October followed by two parties in November, one a pledge party and one ending the quarter in December.

Gamma Delta participated in Campus Carnival last spring, an event in which all Fraternities and Sororities participate to raise money for Scholarships. We went together with the Alpha Kappa Gamma sorority and won first place in games. The event is the biggest Greek Event on campus all year, and we have taken first place the last two years. Campus Carnival made \$10,000 for Scholarships this year.

It is hoped that with the help of the new pledges we will build one of the strongest houses on Campus. The house has a total of 16 men living in this fall. Our scholarship position with the other fraternities on campus varies, but we are usually in the top ten.

Over the summer we had extensive cleaning of the house. Some of the Alumni and their wives came over and did quite a bit of work. The alumni wives added their touch by helping redecorate the women's room and furnishing it. There was a considerable amount of painting by the Brothers and Pledges, and general cleaning up before the start of school.

We here at Gamma Delta hope that with the continued support of the Alumni and the continued hard work and enthusiasm of the Brothers and Pledges, we will meet our goal of building a strong Brotherhood and a strong Chi Phi chapter.

Richard M. Prior, Alpha

ΘΔ

UNIVERSITY OF FLORIDA

Labor Day weekend found the Theta Delta brothers returning to a completely full house—the first time in over four years—in high spirits, and ready to begin cleaning up and redecorating.

When rush began on September 6, the living room had been redecorated with a new rug, new drapes donated by Mom Langdon, and paneling donated by alumni brothers Dr. George Wood, III, '43, and John Myers, '48. The chapter wishes to thank these generous people and also alumni brother Sayers for beginning a fund for the purchase of a Chi Phi flag.

September 24, marked the Formal Pledging Ceremony at which time 16 men were pledged. Since then 5 more men have been pledged giving Theta Delta its largest pledge class in several years.

This successful fall rush was due to a well organized summer rush program planned by brother Richard Prior and carried out by brothers Garry Simmons, Ed Peloquin, Tom Gadsden, and Richard Prior. Brother Simons was in charge of the South Florida rush. The Miami party was held at the home of alumni brother Harrell Fincher and was planned with the aid of alumni brothers Judge Tillman Pearson '36, and Jose Quintana '37. The Ft. Lauderdale party was held at the home of alumni brother Phil Cheaney '43. Brothers Peloquin and Gadsden were in charge of the Daytona party held at the home of alumni brother Bill Akers H'40. Alumni brothers Bob '40 and

Al Cody '36 gave the Kissimmee party. Brother Prior was in charge of the Clear-water party held by alumni brother Bob Baker '42. The chapter wishes to thank these alumni and all other alumni who sent in recommendations.

Theta Delta was not only blessed with a large pledge class, but also with a very talented one, headed by pledge Paul Simons, who has given the brothers, pledges, and guests many hours of fine folk singing—at pool side (our last rush function given by brother Banks Prevatt), and after Saturday night dinner following our football games (ending in time to prepare for our parties).

The newly elected officers for the Fall Trimester are:

Alpha—Richard Prior
 Beta—Chuck Fleming
 Gamma—Cappy Capezzerza
 Delta—Jon Eddington
 Jr. Delta—Don Ackerman
 Epsilon—Frederico Fernandez
 Zeta—Rod Marchetta
 Housemanager—Steve Herschleb
 Dining Room Manager—Ed Peloquin
 Jr. Dining Room Manager—Tom Gadsden.

These officers have been working closely with Ret/Col. Thomas A. Graham, our faculty advisor, and Mom Langdon, our housemother, who have been doing a terrific job helping the chapter, especially in business matters.

In the traditional manner, the Theta Delta's began the intramural season by being trounced in water basketball. The future looks bright however, with volleyball and flag football the next two sports. If these trophies can be captured, it will be the third straight year Theta Delta has won both sports. The intramural program is being co-directed by brother Jack Thomas and pledge Ray Williams.

Presently the chapter is preparing for Homecoming which is two weeks away. The theme, "The Future Meets the Past In the Gator's Big Blast," will find the house decorations, inside and out, centered around a Roman theme, capped with a Roman Toga costume Party.

Several brothers are active on and off campus:

Frederico Fernandez, US soccer team.
 Roger Straub, Vice Pres. of the Intercollegiate Yacht Racing Assn. of North America; Pres. of the SEC Intercollegiate Sailing Asso.

Don Ackerman, Billy Mitchell Drill Team.

Chuck Fleming, De Molay Master Councilor; UF Traffic Court Justice; Staff Coordinator Freshman Orientation; chapter Political Representative.

Norman Vaughan-Birch, Secretary of Social Affairs; Student Government Cabinet.

ETA DELTA HOUSEMOTHER

We wonder how many of Sue Branan's boys will be able to match this when they reach her age? Mother Branan has been Housemother to Eta Delta since the chapter's founding in 1934.

Tom Gadsden, member of the Board of Directors of the Fraternity Purchasing Assn.

Gary Simons, Ralph Bisz, Chuck Fleming, Dave Pike, Roger Straub, Chuck Fosha, and Banks Prevatt, officers of the Air Force ROTC program.

Pledge Paul Simons, Freshman Legislative Council.

The chapter is delighted with the return of brother Craig McCully, and the presence of brother Jim Emerson, transfer student from Zeta chapter, Franklin and Marshall College, and the Lion skin from our Penn State Chapter, Alpha Delta.

Rod Marchetta, Zeta

Richard A. Grieve, Alpha

ZΔ

UNIVERSITY OF CONNECTICUT

Near the end of the 1963 Spring semester Zeta Delta initiated ten new brothers. We presently have seven pledges who will be initiated in the first part of November. Al Ritter is the Pledge Master.

The officers for the Fall semester are under the leadership of Alpha, Dick Grieve. Ron Massey is the Beta, Jay Weppler the Gamma, Art Potz, the Delta, Brian Smith, the Epsilon and Jim Gannon, the Zeta. Our social program is under the direction of Bill Loehr. Toby Kimball is the House Manager and Van Snyder is in charge of Social Graces. We have plans for a big rush this semester with Jack Lis as chairman.

Our social semester got off to a fine

start with a party at the Taft Hotel in New Haven following the Yale football game. The next weekend we had a "Surfing Party" in the house. For our Homecoming display we are working with Kappa Kappa Gamma. The theme for the display is "An Alumni Pavilion of the Connecticut World's Fair." The display will be gold domed and divided into four parts with each part giving a rendition of one of the last four UConn-UMass football games.

We have many members holding important positions on various activities throughout the campus. There are three Student Senators, George Appleby, Bill Loehr, and Jeff Widen. George Appleby is also the editor of the "Nutmeg Yearbook" and Vice President of the Junior Class. Denny Staneck is the sales manager of the "Nutmeg." Bill Loehr is the Chairman of Homecoming and Chairman of Winter Weekend.

The House is well represented on the gridiron this season with men such as Dick Grieve, Walt David, Jack Redmond, Larry Reed, Nick Rossetti, Dick Seely, Brian Smith, and John Trumbull. Dick Seely has recently been elected captain of the tennis team.

On the basketball court this year will be All Yankee Conference, All New England Toby Kimball, Al Ritter and Charlie Talbott.

We are presently looking for a new faculty advisor, since our previous advisor, Scotty McCalister has left the University. We wish to thank him for his assistance in the past few years and wish him luck in the future.

Through the efforts of Dale Martin, '55 we are now strengthening our alumni relations.

Jim Gannon, Zeta

Joseph Paliotta, Alpha

PIK

UNIVERSITY OF RHODE ISLAND

This academic year will be one of vast improvement to the physical plant of the chapter house. The interior and exterior of the house have been entirely repainted. The addition, to be constructed in the Spring and Summer of this coming year through funds provided by University-backed loans, shall house eighteen more men and provide us with a larger Social Room, a new Dining Room, and a Library. Some new furniture has already been acquired, but the remainder needed, as well as carpets, will have to be purchased next year. The addition will also allow us to convert present rooms to a Lodge Room, Game Room, and Chapter office.

Despite hard work and a good theme, PIK was compelled to return the revolving Homecoming Lawn Display trophy, won last year for the first time. Our grief was soon forgotten when the dance that evening proved again our ability to hold large and successful parties.

Brother Alpha Joe Paliotta has been planning a proposed constitution for the alumni association and is attempting to set a date for its first meeting. Working with him are Brother Jim Shaw '23, acting president of the alumni association, and Brother Paul Chassey, alumni coordinator.

This past summer Brother Joe Rocchio edited a rush booklet for the IFC as part of the latter's campaign to introduce freshmen and their parents to the fraternity system earlier in the college year. Because formal rush does not take place until second semester, the IFC in the past has not taken any action with regard to freshmen until late in the first semester. Brother Rocchio, on his part, produced a booklet that was a credit both to the IFC and to our Fraternity. He follows in a tradition of distinguished representation to the IFC, preceded by Brother Tony Masso '62, president and Brother Paliotta, secretary and co-editor of the previous rush booklet.

PIK is also pleased and proud to announce the pledging of Steven Levesque.

Michael Klarreich, Zeta

UCONN STARS

(Continued from page 7)

This year the husky basketball team hopes to retain its Yankee Conference championship which it won last year. On the team from Zeta Delta we have Toby Kimball, Al Ritter, and Charlie Talbott.

Toby Kimball, 6'8", 235 pound junior from Sudbury, Mass., had a very successful sophomore year when he was named to the All Yankee Conference and the All New England teams. Toby is the House manager and is majoring in Insurance.

Al Ritter is a 6'3" senior guard from Cranford, N. J. and is a two year letterman majoring in Economics. He serves as Pledge Captain.

Charlie Talbott, 6'4" senior from New Caanan, Conn., is an English major. Charlie has served as House Manager and as Social Chairman.

Zeta Delta will be represented on the baseball team by junior Doug King from

Peace Corps – Hard Work, Wonderful Experience

I HAVE A FEW SPARE MOMENTS SO I thought I might take some time to keep you abreast of current happenings. I'm sorry that I didn't write you sooner, but believe me I've been very busy. Perhaps you don't know it, but I'm now enrolled in the Peace Corps. I'm studying at St. Louis University for a Panama Health and Sanitation project.

I began training July 31. I was at the Puerto Rican training camp for three weeks and then began my 10-week schedule here. We arrived here on Aug. 24 and will leave for a 10-day stay at home on Nov. 3d. On Nov. 13 I depart for Panama where I will be for 21 months. I would appreciate the Chi Phi office keeping me informed of Chi Phi news as you know I am very interested. In a few weeks I will send you my Panama address so that I may receive a welcomed Chakett on occasion.

About training; Puerto Rico was all physical training with some Spanish thrown in also. We began the day at 6:00 a.m. and retired at 9:00 p.m. In between it was murder — exercises, mile runs, jungle treks, swimming, rock climbing and much more. It was very difficult but I really enjoyed it. By the way there are many fraternity men with me. Are there any Chi Phis in the PC? If so, please send me their addresses. The survival hikes in the Puerto Rican rain forest were most demanding. We ate solely off the flora-tropical plants, snails, bananas, etc. Quite an experience.

St. Louis is Academic drudgery. We have classes 15 hours a day. We begin at 7:30 a.m. with Spanish and end at 10:00 p.m. Spanish alone takes up 6½ hours a day. This schedule is for 5 days, however, we go all weekend also. Saturday until 5:00 p.m. and topping off the weekend with more Spanish on Sunday night.

The Panama project is mostly one of rural community development with some medicine thrown in also. We will be in

very isolated locations in the country, being accessible only by boat or plane. There are no roads in our locale; we have to travel on horse-back (we will have horses) or canoes on the many jungle rivers. It really sounds exciting and I can't wait to begin. The experience in cultural relations gained in the Peace Corps can hardly be equaled.

The University training program is very condensed and so demanding that in our 10-week stay we will have completed a comparable 1½ years of normal college work. To help the people develop their communities we learn basic practical skills such as carpentry, plumbing, construction, leather work, and even welding. Here is a list of our courses: Spanish, Latin American-area Studies, Cultural Orientation, Human Relations, North American Area Studies, World Affairs, Communism, Community Development, Medical Studies, Physical Education, Agriculture, and Peace Corps Orientation.

Beyond this, they manage to throw in a little more also, e.g. water purification, field sanitation, etc. It's quite a load, but surprisingly enough I enjoy it and I am learning so much so fast that it's astounding. I'm really not used to such an academic atmosphere.

I understand that the chapter is having some difficulty with the new addition. Do you know where the obstacle lies? Is Paliotta keeping you informed? There's a girl here from Oregon who says that Chi Phi is tops there even before she knew I was a Chi Phi. That's encouraging to know. She told me all about their splendid new house.

Well, I guess I'd better get some sleep — another long day ahead tomorrow. I hope this letter doesn't convey any pessimistic message; I couldn't be happier knowing what's in store for me in the Peace Corps. Write if you can.

Fraternally,
Tony Masso, PIK'63

Needham, Mass., who as a freshman was the leading batter, with a 428 batting average. Last year he was named to the All Yankee Conference team. Doug has served the house as Zeta and Rush Chairman. He is majoring in Political Science. (Material for story furnished by Jim Gannon, ZD, and photos through the courtesy of University of Conn., division of Communications).

Stories and news items
for the February Chakett
are due Dec. 15, 1963.

LET'S TALK IT OVER . . . (Continued from inside front cover)

benefits accrued from his arrangement. First, under the Internal Revenue laws, tax deductible gifts could be made to the College for the support of these fraternities, since these properties are included in the College's insurance program, somewhat better premium rates are realized. In January 1961 the Board announced that if a sufficient number of fraternities wished to follow the same procedure, the College would provide an outright subsidy to help relieve their financial plight.

As a by-product of this program the Trustees will also gain control over the number of members living in each house. In recent years overcrowding has become both a health and safety hazard. The fraternity built for thirty residents is now typically occupied by an additional five to ten students. Approximately one hundred more undergraduates live in the thirteen fraternities than the buildings were designed to accommodate. Furthermore, since Amherst's new dormitories will provide space for a larger enrollment, assimilate the present excess population, and offer rooming and social facilities comparable to those now available only to the fraternities, the thirteen houses will face problems they have never met before.

In November, 1962 the Trustees reported that a majority of the fraternities had signified their intentions of accepting assistance. Under the terms of their proposal, when a fraternity has deeded its property to the College, the Trustees will pay its real estate tax* and insurance bills and, in addition, a sum of money in lieu of the room rental fees it now collects and reimburses to each house. The annual cash payment to each fraternity will consist of \$5,000 plus \$50 per resident member. The proper residential capacity of each building will be determined impartially by health and safety standards. Under this program each fraternity will receive from \$300 to \$1,200 more net income annually than it now does.

President Calvin H. Plimpton, in his annual report for 1961-62, summarized the Board's proposal and stated that it was their hope to "provide a measure of support for the fraternities which, while it would not perpetuate the weak, would

still assist the worthy. If fraternities should collapse, it would not primarily be because of finances."

Contrary to the suspicions of some, President Plimpton continued, the Trustees' proposal does not represent an effort to control or interfere with the fraternities' operations. "One of the reasons for a fraternity is the opportunity it provides for self-government. To interfere in this would destroy the very *raison d'être* of the fraternity and the College has carefully and deliberately attempted to stay out of their internal administration."

Over the one hundred and twenty-five years of their existence, Amherst's fraternities have reflected and reacted to contemporary attitudes. While they have sometimes been negative influences in the college community, they have periodically examined their deficiencies and have sought to adjust themselves to a constantly changing environment. The Trustees believe that they can in the future, as they have in the past, play a role compatible with the aims of a liberal arts college.

Education is not only teachers and books: a typical student averages no more than fifty hours a week in classes, laboratory, and study. This represents somewhat less than a third of his time. Sleep takes the largest portion — possibly another fifty-five hours. How students spend the week's sixty-odd remaining hours varies, but includes per-

sonal interests, social relaxation, and organized extra-curricular activities.

The fraternity can represent a vital element in this area of undergraduate life. At its best it offers a chance for the practical application of abstractions learned in the classroom; it encourages individuality and provides an opportunity for personal expression; it requires self-discipline for the sake of community welfare; it demands understanding of financial limitations; it enables a student to see the results of his own thoughts and decisions.

In view of what they have achieved in the last fifteen years and what they are potentially capable of contributing in the future, the Trustees concluded that Amherst's fraternities have earned a positive expression of encouragement.

Despite this new program of financial assistance, some fraternities quite possibly might fail. If they do, however, failure will come from their own inability to nurture and preserve the integrity which each fraternity must represent to its members and which each student generation must keep alive for its successors. Amherst fraternities now have a renewed opportunity to meet this challenge.

Editor's Comment: The Phi Chapter at Amherst has been meeting the challenge and has nurtured and preserved the integrity which Chi Phi represents to its members.

ETA'S CHAPTER ADVISOR

A. Dawson Teague, Jr., H'53, Georgia's Chapter Advisor, flanked by William Anderson, Alpha of the chapter, on his left and Charlie Gentry on his right.

In 1961, Brother Teague became the Episcopal Chaplain to the University of Georgia, and shortly afterwards agreed to serve as Advisor to the Chapter. Prior to his return to Athens, Brother Teague served as Chaplain at the Hudson Stuck Memorial Hospital in Fort Yukon, Alaska, and the Port of Savannah, Savannah, Georgia.

Following his undergraduate days at Emory and the University of Georgia he attended the Virginia Theological Seminary in Alexandria, Virginia from which he graduated in 1955.

Left to right: Charles Gentry, Rev. A. Dawson Teague and William Anderson.

*The Town's 1962 real estate tax on Amherst fraternities amounted to \$51,500 or approximately \$100 per resident member.
