

THE CHI PHI CHAKETT

SEPTEMBER 1977

Jim Wolf Begins New Term on Grand Council

Jim Wolf, Alpha Delta '79, has been appointed to Grand Council from the list of chapter nominations received last Spring. He replaces Ken Kubiak, Theta '76, who served his second year while in graduate studies at Rensselaer.

Two of the ten positions on the Grand Council are occupied by active chapter members who are expected to help shape national policies and allocate our budget resources to various programs. They attend three to four Council meetings per year and are encouraged to visit as many chapters as possible in order to represent active member view points. Jim joins Thad Throneburg, Alpha-Alpha '78, who is beginning the second year of his term.

As a finance major with a 3.85 overall grade average, Jim has been elected into the Phi Eta Sigma honorary society and was the recipient of the President's Freshman Award for Academic Achievement. He was chosen as one of six members of a I.F.C. Planning Committee from a field of nominations from fifty fraternities.

Within his chapter, Jim has been active in intramural sports and served as spring rush chairman—the result of which was the largest fall pledge class in a number of years.

Four Alumni are Recognized For Distinguished Service

Congress is traditionally the time when special recognition is given to one or more alumni who have distinguished themselves in service to their chapter or the Fraternity as a whole. Nominations are submitted by chapter and alumni associations to point out outstanding achievements or recognize long periods of above average service.

After reviewing the list of nominees submitted, the Grand Council felt that failure to recognize any one of four alumni would have been an injustice to those not chosen. There is no set number which is fixed for this distinguished award. This past year's alumni who were chosen were: William Kitchin, Alpha '49; John M. Foushee, Alpha-Alpha '26; William Coppedge, Iota Delta '75; and John Craft, Iota Delta '61.

Bill Kitchin's efforts to regroup a dormant association for his chapter and achieve substantial improvements to an aging chapter house deserves his selection. It must be noted that at least six other alumni of Alpha Chapter were instrumental in the achievements of that association.

John Foushee was a charter member of the recolonization of this founding chapter of our Southern Order. Eleven years later, he was among the group

Iota Delta Quirks In the News

Two brothers Montgomery who attended Indiana University were assigned Chi Phi pins 22489 and 20665. Subtract one from the other and what do you get? 1824—the founding year of the Chi Phi fraternity.

Another Iota Delta recalls finding himself short of cash in Atlanta shortly after graduation. Remembering his indoctrination well, he presented himself to the president of the First National Bank of Atlanta, who cashed his check and sent him back on his way.

which succeeded in buying the present chapter house and is still treasurer of the alumni association today. Few chapters can match the years of solid money management which has been achieved through the cooperative effort of active and interested, competent alumni.

Brad Coppedge and John Craft were instrumental in a major and successful rush effort for their chapter during the Spring of 1977. Their personal involvement coupled with the work of the active chapter led to the most successful rush campaign since the early seventies.

It is noteworthy that eleven other alumni who contributed greatly to their chapters were not selected for the special recognition. This is a credit to alumni involvement which is one reason for the chapter improvement seen in the past few years.

Congress Shines In Spite of Weather In Miami Beach

65 Delegates from 36 Chapters

by STEVE SCHNEIDERWIND, Grand Zeta

Florida sunshine greeted the early arriving delegates and alumni at this year's Chi Phi Congress and Leadership Seminar held at the beautiful Americana Hotel on Miami Beach. Sixty-five delegates from thirty-six chapters plus a large number of alumni were present for the week's activities. As things would have it, only those early arrivers were able to get their share of sunshine. The weather turned cloudy and rainy until after the close of Congress. However, in true Chi Phi tradition, a little rain didn't dampen the spirit or "spirits" of the week.

The delegates gathered on Wednesday, August 10th for the beginning of the two-day Leadership Seminar sponsored by the Chi Phi Educational Trust. The workshop was coordinated and conducted by our National Director, Ray Donohue and Assistant, Harley Schoenfeldt both of whom led specific aspects of the seminar. The highlight of the program was the business management session conducted by Dr. Daniel Steinhoff, Beta Delta '34, who currently is a professor in the Business Department at the University of Miami. His last Chi Phi Congress was as a delegate in 1933. Other aspects of the program concentrated on an overview of Fraternity and Trust organization, pledge education, and an open panel question and answer session consisting of four members of the Grand Council.

Ed Spangler

Ed Spangler is New Addition to Council Staff

Council operation was enlarged from four to five employees with the addition of Eddy Spangler, Alpha Delta '77. Ed joins Harley Schoenfeldt in working to upgrade national's service in chapter operations.

Ed is from York, Pennsylvania where he attended Dover Area High School and earned recognition in Who's Who In American High School Students. He went on to Penn State where he majored in Political Science. In addition to his chapter involvement, Ed was active in the Interfraternity Council, the Penn State Boxing Club and in wrestling.

Ed possesses an ability to quickly establish a rapport with people and brings the experience of an excellent, well-rounded chapter operation. His contribution over the next few years is expected to enhance the Grand Council's objective of developing stronger chapters where we have the potential to be doing much better.

Correction to Chapter Eternal

Council office is pleased to report that Edward White, Lambda '56, is not deceased as was reported in the April 1977 Chakett. Our thanks go to Brothers Richard Rahl, Peter Fraser and John Christian all of whom responded to correct our error.

We are informed that Brother White is working with Standard Oil Company in the North Sea Project, and is now residing in England.

Summer Rush Helped Chapters Land Outstanding List of Pledges

Summer rush activities such as the annual party held at Arch Updikes, Theta Delta '43, helped Theta Delta and Beta Zeta land outstanding pledge classes this fall—43 and 13 men respectively. Early pledge results reported by about half of our chapters give us an excellent trend for another year of increased results.

Charlotte to Host First Annual Chi Phi Golf Tournament

The Psi Delta Chapter at University of North Carolina at Charlotte announces plans to host a Chi Phi Golf Tournament this Spring. All active brothers and alumni are invited to compete in this first such sponsored event slated for April 1st and 2nd at the Pautucket Golf Club in Charlotte.

Tournament play will consist of four-man teams for active members and individual handicap competition for alumni. A registration fee of twenty-five dollars is required for each active team. The same fee will be required for alumni who will compete individually rather than as a team. Entries must be received by March 1st to insure the success of the tournament.

Regional sports events are a great means of bringing together members of nearby chapters and have grown in popularity in recent years. The annual golf tournament will add to the basketball, football and softball competition held between Chi Phi chapters in various parts of our country.

As would be expected, Psi Delta will host a Saturday evening party for all participants and spectators which is

scheduled at the chapter house. If there was ever a reason for a road trip, this is surely one. It is also a great opportunity for alumni to spend a few hours reliving some old times.

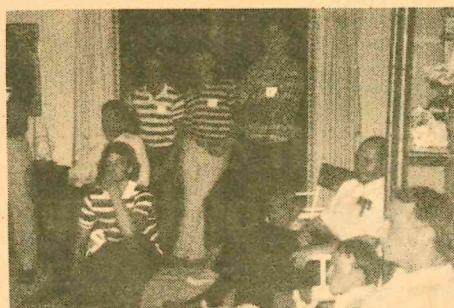

Chapter and alumni support of this event is most important in the first year. Each active chapter within reasonable driving distance of Charlotte is encouraged to send in team registration check made payable to the Psi Delta Chapter, Route 10, Box 365, Mallard Creek Church Road, Charlotte, N.C. 28213.

Washington Chi Phis Meet Grand Alpha

More than thirty Chi Phis gathered at the home of Chuck Wilson to enjoy a summer cookout and meet Grand Alpha, Darryl McCall. There was a diverse group of alumni representing 18 chapters of our fraternity. The party took on a special flavor when a group of actives from the Alpha Chapter arrived to participate in the fun.

Brother McCall addressed the group giving an overview of Council policies and objectives. His remarks were followed by a question and answer session which reflected alumni interest in how well our active chapters are prospering.

The Washington Chi Phi Club, once one of our most active area associations, has been somewhat inactive in recent years. Luncheon gatherings in the downtown area were held on almost a monthly basis. With the large number of Chi Phis who work in the nation's capitol, there is great hope that more activities will soon be scheduled.

Interest in the Grand Alpha's visit is evident in these scenes from Washington, D.C.

Bob Cody Conducts Legislative Session

(Continued from page 1)

Congress itself was gavelled to order at 9:00 A.M. Friday by Grand Alpha, Darryl McCall who led the program's initial business until Brother Robert S. Cody, Theta Delta '40, was elected Alpha of Congress. Bob's legislative skills directed the delegates through the remaining two and a half days to one of the smoothest conventions our Fraternity has experienced. Five committees were assigned to consider proposals and report recommendations to the convention floor for vote of all delegates. Major legislation and funding provisions enacted include:

1. Changing the Fraternity fiscal year to June 30 which will allow more time for preparation of data prior to conventions.
2. Approval of the 1977-78 budget which includes funding for an additional staff employee, increased chapter visitation program and funding for computer alumni record system as major items.
3. Giving Greek letter titles to both undergraduate members of Council to increase their stature and image. Grand Theta and Iota are the new designations.
4. Adoption of Sturgis Rules of Parliamentary Procedures to replace Robert's Rules of Order.
5. Selection of Birmingham, Alabama as the site of the 1978 Congress with requests of alumni bids for the 1979 convention to be considered by delegates of our next Congress.

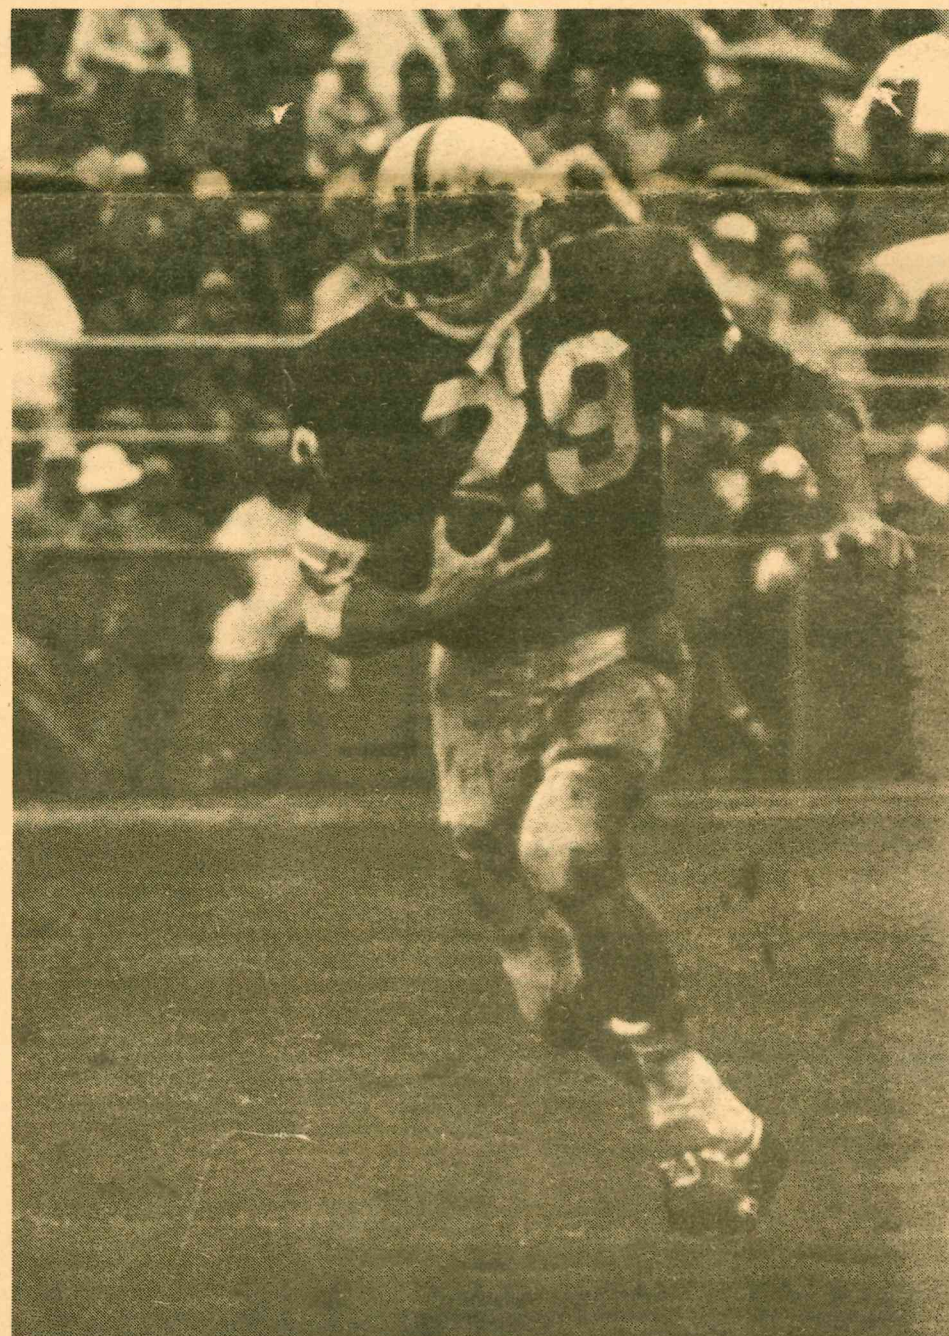

The previous year's Congress was

characterized by Grand Alpha, Darryl McCall's "New Day" program with its long hours of debate concerning the funding method of the chapter special assessment. The decisions made were apparently correct in that this Congress saw no proposals or debate to recall the issue or modify the load shared equally by all actives this past year.

One important aspect of this year's Congress was the emphasis placed on our ritual. All our ceremonies were performed either by the host chapter or by Grand Officers. Brothers of Theta Delta skillfully performed by initiation of the founding member of our new Colony at UNC-Wilmington, while Grand Officers handled all other fraternity ceremonies.

What Chi Phi Congress would be complete without its social aspects which were supported by the Florida Alumni Association to the same generous extent which they back the four active Florida chapters. The Americana Hotel atmosphere provided a beautiful setting for the many formal and informal events which characterized this year's meeting. Although rain forced several scheduled events inside, there were enough clear moments to put 8, 12 and 14 floor patio balconies to use overtime.

The 1977 Congress was brought to a conclusion with a branch following the Sunday morning session. The final event was greeted with the return of Florida sunshine which a number of delegates found too hard to resist. Many stayed over an additional day using part of their extra time to check out some jai-alai competition or the nearest dog track. When it was all over, there could be no doubt that the weather had not prevented this from becoming one of our really outstanding Congress gatherings.

Steve Geise of Penn State is among the Chi Phis on 1977 gridiron rosters.

Penn State and Denver Football Teams Have Chi Phi Players

Keep your eyes on a couple of Chi Phi's during the football season. Penn State's Steve Geise has advanced to tenth spot in all-time rushing in the school's record books. He wears #29 at fullback and has been called the unsung hero of several games by Coach Joeaterno. When Steve is not in the game at fullback, his

replacement, Ed Guthrie, still is representing the Chi Phi Fraternity.

If you're more interested in pro football, watch for Denver's punter, Bucky Dilts, who was busy helping the University of Georgia win the Southeastern Conference in 1976. Bucky is from Atlanta, Ga. and became a Chi Phi at our Eta Chapter in 1974.
